Tapestry, Inc. assumes no obligation to revise or update any such forward-looking statements for any reason, except as required by law.

Tapestry, Inc.'s actual results could differ materially from the results contemplated by these forward-looking statements and are subject to a number of risks, uncertainties, estimates and assumptions that may cause actual results to differ materially from current expectations due to a number of factors, including, but not limited to: (i) the impact of economic conditions, recession and inflationary measures; (ii) our exposure to international risks, including currency fluctuations and changes in economic or political conditions in the markets where we sell or source our products; (iii) our ability to retain the value of our brands and to respond to changing fashion and retail trends in a timely manner, including our ability to execute on our e-commerce and digital strategies; (iv) the impact of tax and other legislation; (v) the risks associated with potential changes to international trade agreements and the imposition of additional duties on importing our products; (vi) our ability to successfully implement the initiatives under our 2025 growth strategy; (vii) the effect of existing and new competition in the marketplace; (viii) our ability to achieve intended benefits, cost savings and synergies from acquisitions; (ix) our ability to control costs; (x) the effect of seasonal and quarterly fluctuations on our sales or operating results; (xi) the risk of cyber security threats and privacy or data security breaches; (xii) our ability to satisfy our outstanding debt obligations or incur additional indebtedness; (xiii) the risks associated with climate change and other corporate responsibility issues; (xiv) our ability to protect against infringement of our trademarks and other proprietary rights; and (xv) the impact of pending and potential future legal proceedings and (xvi) such other risk factors as set forth in Part II, Item 1A. "Risk Factors" and elsewhere in this report and in the Company's Annual Report on Form 10-K for the fiscal year ended June 29, 2024. These factors are not necessarily all of the factors that could cause actual results to differ materially from those expressed in any of our forward-looking statements.

2. BASIS OF PRESENTATION AND ORGANIZATION***Interim Financial Statements***

These unaudited interim condensed consolidated financial statements have been prepared pursuant to the rules and regulations of the Securities and Exchange Commission ("SEC"). In the opinion of management, such condensed consolidated financial statements contain all normal and recurring adjustments necessary to present fairly the condensed consolidated financial position, results of operations, comprehensive income (loss) and cash flows of the Company for the interim periods presented. In addition, certain information and footnote disclosures normally included in financial statements prepared in accordance with accounting principles generally accepted in the U.S. ("U.S. GAAP") have been condensed or omitted from this report as is permitted by the SEC's rules and regulations. However, the Company believes that the disclosures provided herein are adequate to prevent the information presented from being misleading. This report should be read in conjunction with the audited consolidated financial statements and notes thereto, included in the Company's Annual Report on Form 10-K for the year ended June 29, 2024 ("fiscal 2024") and other filings filed with the SEC.

The results of operations, cash flows and comprehensive income for the six months ended December 28, 2024 are not necessarily indicative of results to be expected for the entire fiscal year, which will end on June 28, 2025 ("fiscal 2025").

Fiscal Periods

The Company utilizes a 52-53 week fiscal year ending on the Saturday closest to June 30. Fiscal 2025 will be a 52-week period. Fiscal 2024, ended on June 29, 2024, was also a 52-week period. The second quarter of fiscal 2025 ended on December 28, 2024 and the second quarter of fiscal 2024 ended on December 30, 2023, both of which were 13-week periods.

Use of Estimates

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the amounts reported in the condensed consolidated financial statements and footnotes thereto. Actual results could differ from estimates in amounts that may be material to the financial statements.

Significant estimates inherent in the preparation of the condensed consolidated financial statements include reserves for the realizability of inventory; asset retirement obligations; customer returns, end-of-season markdowns and operational chargebacks; useful lives and impairments of long-lived tangible and intangible assets; accounting for income taxes and related uncertain tax positions; accounting for business combinations; the valuation of stock-based compensation awards and related expected forfeiture rates; reserves for restructuring; and reserves for litigation and other contingencies, amongst others.

Principles of Consolidation

These unaudited interim condensed consolidated financial statements include the accounts of the Company and all 100% owned and controlled subsidiaries. All intercompany transactions and balances are eliminated in consolidation.

Notes to Condensed Consolidated Financial Statements (continued)

Share Repurchases

The Company accounts for share repurchases by allocating the repurchase price to common stock and retained earnings. Under Maryland law, the Company's state of incorporation, there are no treasury shares. All repurchased shares are authorized but unissued shares; these shares may be issued in the future for general corporate and other purposes. The Company may terminate or limit the share repurchase programs at any time. The Company accrues for the shares purchased under the share repurchase plan based on the trade date. Purchases of the Company's common stock may be executed through open market purchases including through purchase agreements under Rule 10b5-1, in privately negotiated transactions or in other transactions, including accelerated share repurchase programs. Excise tax on net share repurchases are recorded in Retained earnings as part of Stockholders' Equity.

Supplier Finance Program

To improve our working capital efficiency, the Company makes available to certain suppliers a voluntary supply chain finance ("SCF") program that enables our suppliers to sell their receivables from the Company to a global financial institution on a non-recourse basis at a rate that leverages our credit rating. The Company does not have the ability to refinance or modify payment terms to the global financial institution through the SCF program. No guarantees are provided by the Company or any of our subsidiaries under the SCF program. The Company's payment obligations, including the amounts due and payment terms, which generally do not exceed 90 days, are not impacted by suppliers' participation in the program. As of December 28, 2024 and June 29, 2024, \$335.9 million and \$294.9 million, respectively, was related to suppliers eligible to participate in the Company's SCF program and presented within Accounts payable on the Condensed Consolidated Balance Sheets.

Reclassification

A reclassification has been made to the prior period's financial information to conform to the current period's presentation. Amortization of cloud computing arrangements of \$26.8 million during the six months ended December 30, 2023 has been reclassified out of Other assets and into Amortization of cloud computing arrangements within the Company's Condensed Consolidated Statements of Cash Flows.

3. RECENT ACCOUNTING PRONOUNCEMENTS**Recently Issued Accounting Pronouncements**

In November 2023, the Financial Accounting Standards Board (the "FASB") issued Accounting Standards Update ("ASU") No. 2023-07, "Segment Reporting (Topic 280): Improvements to Reportable Segment Disclosures", which expands reportable segment disclosure requirements, primarily through enhanced disclosures about significant segment expenses. The amendments will require public entities to disclose significant segment expenses that are regularly provided to the chief operating decision maker and included within segment profit and loss. The amendments will be effective for the Company's annual reporting periods beginning in fiscal year 2025 and for interim periods beginning in fiscal year 2026, with early adoption permitted, and will be applied retrospectively to all prior periods presented in the financial statements. The Company is currently evaluating the ASU to determine its impact on the Company's disclosures.

In December 2023, the FASB issued ASU No. 2023-09, "Income Taxes (Topic 740): Improvements to Income Tax Disclosures", which includes amendments that further enhance income tax disclosures, primarily through standardization and disaggregation of rate reconciliation categories and income taxes paid by jurisdiction. The amendments are effective for the Company's annual periods beginning in fiscal year 2026, with early adoption permitted, and should be applied either prospectively or retrospectively. The Company is currently evaluating the ASU to determine its impact on the Company's disclosures.

In November 2024, the FASB issued ASU No. 2024-03, "Income Statement - Reporting Comprehensive Income - Expense Disaggregation Disclosures (Subtopic 220-40): Disaggregation of Income Statement Expenses", which is intended to improve the disclosures about expenses and address requests from investors for more detailed information about the types of costs and expenses included in certain expense captions presented on the income statement. The amendments will be effective for the Company's annual reporting periods beginning in fiscal year 2028 and for interim periods beginning in fiscal year 2029, with early adoption permitted. The amendments may be applied retrospectively to all prior periods presented in the financial statements or prospectively upon adoption. The Company is currently evaluating the ASU to determine its impact on the Company's disclosures.

Notes to Condensed Consolidated Financial Statements (continued)

4. REVENUE

The Company recognizes revenue primarily from sales of the products of its brands through our DTC business which includes our retail stores and e-commerce sites, along with our wholesale business. The Company also generates revenue from royalties related to licensing its trademarks, as well as sales in ancillary business channels. In all cases, revenue is recognized upon the transfer of control of the promised products or services to the customer, which may be at a point in time or over time. Control is transferred when the customer obtains the ability to direct the use of and obtain substantially all of the remaining benefits from the products or services. The amount of revenue recognized is the amount of consideration to which the Company expects to be entitled, including estimation of sale terms that may create variability in the consideration. Revenue subject to variability is constrained to an amount which will not result in a significant reversal in future periods when the contingency that creates variability is resolved.

The Company has elected a practical expedient not to disclose the remaining performance obligations that are unsatisfied as of the end of the period related to contracts with an original duration of one year or less or variable consideration related to sales-based royalty arrangements. There are no other contracts with transaction price allocated to remaining performance obligations other than future minimum royalties as discussed above, which are not material.

Other practical expedients elected by the Company include (i) assuming no significant financing component exists for any contract with a duration of one year or less, (ii) accounting for shipping and handling as a fulfillment activity within SG&A expense regardless of the timing of the shipment in relation to the transfer of control and (iii) excluding sales and value added tax from the transaction price.

Direct-to-Consumer

The Company recognizes revenue in its retail stores, including concession shop-in-shops, at the point-of-sale when the customer obtains physical possession of the products. Digital revenue from sales of products ordered through the Company's e-commerce sites is recognized upon delivery and receipt of the shipment by its customers and includes shipping and handling charges paid by customers. Retail and digital revenues are recorded net of estimated returns, which are estimated by developing an expected value based on historical experience. Payment is due at the point of sale.

Gift cards issued by the Company are recorded as a liability until redeemed by the customer, at which point revenue is recognized. The Company also uses historical information to estimate the amount of gift card balances that will never be redeemed and recognizes that amount as revenue over time in proportion to actual customer redemptions if the Company does not have a legal obligation to remit unredeemed gift cards to any jurisdiction as unclaimed property.

Certain of the Company's retail operations use sales incentive programs, such as customer loyalty programs and the issuance of coupons. Loyalty programs provide the customer a material right to acquire additional products and give rise to the Company having a separate performance obligation. Additionally, certain products sold by the Company include an assurance warranty that is not considered a separate performance obligation. These programs are immaterial individually and in the aggregate.

Wholesale

The Company recognizes revenue within the wholesale channel at the time title passes and risk of loss is transferred to customers, which is generally at the point of shipment of products but may occur upon receipt of the shipment by the customer in certain cases. Payment is generally due 30 to 90 days after shipment. Wholesale revenue is recorded net of estimates for returns, discounts, end-of-season markdowns, cooperative advertising allowances and other consideration provided to the customer. Discounts are based on contract terms with the customer, while cooperative advertising allowances and other consideration may be based on contract terms or negotiated on a case-by-case basis. Returns and markdowns generally require approval from the Company and are estimated based on historical trends, current season results and inventory positions at the wholesale locations, current market and economic conditions as well as, in select cases, contractual terms. The Company's historical estimates of these variable amounts have not differed materially from actual results.

Notes to Condensed Consolidated Financial Statements (continued)

Licensing

The Company recognizes licensing revenue over time during the contract period in which licensees are granted access to the Company's trademarks. These arrangements require licensees to pay a sales-based royalty and may include a contractually guaranteed minimum royalty amount. Revenue for contractually guaranteed minimum royalty amounts is recognized ratably over the license year and any excess sales-based royalties are recognized as earned once the minimum royalty threshold is achieved. Payments from the customer are generally due quarterly in an amount based on the licensee's sales of goods bearing the licensed trademarks during the period, which may differ from the amount of revenue recorded during the period thereby generating a contract asset or liability. Contract assets and liabilities and contract costs related to the licensing arrangements are immaterial as the licensing business represents approximately 1% of total net sales in the six months ended December 28, 2024.

Disaggregated Net Sales

The following table disaggregates the Company's net sales into geographies that depict how economic factors may impact the revenues and cash flows for the periods presented. Each geography presented includes net sales related to the Company's directly operated channels, global travel retail business and to wholesale customers, including distributors, in locations within the specified geographic area.

Deferred Revenue

Deferred revenue results from cash payments received or receivable from customers prior to the transfer of the promised goods or services, and is generally comprised of unredeemed gift cards, net of breakage which has been recognized. Additional deferred revenue may result from sales-based royalty payments received or receivable which exceed the revenue recognized during the contractual period. The balance of such amounts as of December 28, 2024 and June 29, 2024 was \$50.0 million and \$45.5 million, respectively, which were primarily recorded within Accrued liabilities on the Company's Condensed Consolidated Balance Sheets and are generally expected to be recognized as revenue within a year. For the six months ended December 28, 2024, net sales of \$16.3 million were recognized from amounts recorded as deferred revenue as of June 29, 2024. For the six months ended December 30, 2023, net sales of \$21.3 million were recognized from amounts recorded as deferred revenue as of July 1, 2023.

5. ACQUISITIONS

On August 10, 2023, the Company entered into an Agreement and Plan of Merger (the "Merger Agreement") by and among the Company, Sunrise Merger Sub, Inc., a direct wholly owned subsidiary of Tapestry ("Merger Sub"), and Capri Holdings Limited ("Capri" and, together with us and Merger Sub, the "Parties"), pursuant to which, among other things, Merger Sub would merge with and into Capri (the "Merger") with Capri surviving the Merger and continuing as a wholly owned subsidiary of the Company ("the Capri Acquisition"). On April 22, 2024, the FTC filed a complaint against the Company and Capri in the United States District Court for the Southern District of New York seeking to enjoin the consummation of the Capri Acquisition, and on October 24, 2024, the Court issued its Opinion and Order granting the FTC's request for a preliminary injunction of the Merger, pending an administrative trial on the merits which was scheduled to begin on December 9, 2024. On October 28, 2024, the Company and Capri filed a Notice of Appeal with respect to the October 24, 2024 Opinion and Order. On November 6, 2024, the United States Court of Appeals for the Second Circuit entered an order setting an expedited briefing schedule for the appeal of the decision of the United States District Court of the Southern District of New York granting the preliminary injunction of the merger. On November 13, 2024, the Parties entered into a Termination Agreement (the "Termination Agreement"), pursuant to which the Parties agreed to terminate the Merger Agreement, including all schedules and exhibits thereto and all ancillary agreements contemplated thereby or entered pursuant thereto (the "Termination Date"), effective immediately. Pursuant to the Termination Agreement, the Company agreed to reimburse Capri for its expenses in an amount equal to \$45.1 million in cash on November 14, 2024. The Parties also agreed to release each other from claims, demands, damages, actions, causes of action and liability relating to or arising out of the Merger Agreement and the transactions contemplated therein or thereby. Following termination of the Merger Agreement, the Parties and the FTC filed a stipulation withdrawing the appeal to the United States Court of Appeals for the Second Circuit on November 19, 2024 and the Second Circuit dismissed the appeal on November 20, 2024. The Parties and the FTC also filed a Joint Motion to dismiss the complaint in the administrative trial on November 15, 2024 and the FTC dismissed the complaint on December 4, 2024.

In order to finance the Capri Acquisition, on November 27, 2023, the Company issued \$4.50 billion of senior unsecured notes (the "Capri Acquisition USD Senior Notes") and €1.50 billion of Euro-denominated senior unsecured notes (the "Capri Acquisition EUR Senior Notes" and, together with the Capri Acquisition USD Senior Notes, the "Capri Acquisition Senior Notes") which, together with the \$1.40 billion of delayed draw unsecured term loan facilities (the "Capri Acquisition Term Loan Facilities") executed on August 30, 2023, complete the expected financing for the Capri Acquisition. On November 25, 2024, due to the termination of the Merger Agreement and pursuant to the terms of the indenture governing the Capri Acquisition Senior Notes, as supplemented, the Company redeemed all outstanding Capri Acquisition Senior Notes at a redemption price of 101% of the aggregate principal amount of such Capri Acquisition Senior Notes, plus accrued and unpaid interest to, but excluding, the date of redemption (such redemption, the "Special Mandatory Redemption"). In addition, the Capri Acquisition Term Loan Facilities were terminated concurrently with the execution of the Termination Agreement on November 13, 2024. Refer to Note 11, "Debt," for further information on our debt instruments related to the Capri Acquisition.

In conjunction with the Capri Acquisition, during the three months ended December 28, 2024, the Company incurred \$197.6 million in pre-tax expenses primarily related to Loss on extinguishment of debt as a result of the redemption of the Capri Acquisition Senior Notes, expense reimbursement payment made to Capri, financing-related expenses and professional fees. During the six months ended December 28, 2024, the Company incurred \$268.4 million in pre-tax expenses primarily related to Loss on extinguishment of debt as a result of the redemption of the Capri Acquisition Senior Notes, financing-related expenses, expense reimbursement payment made to Capri and professional fees. 7. STOCKHOLDERS' EQUITY**Share Repurchase Program**

On November 13, 2024, the Board of Directors of the Company (the "Board") authorized the Company to repurchase up to \$2.00 billion of outstanding shares of its common stock (the "2025 Share Repurchase Program"). Under the 2025 Share Repurchase Program, the Company may repurchase shares on the open market, in privately negotiated transactions or in other transactions, including accelerated share repurchase programs. On November 21, 2024, the Company entered into accelerated share repurchase agreements (the "ASR Agreements") with Bank of America, N.A. and Morgan Stanley & Co. LLC (the "Dealers") to repurchase an aggregate of up to \$2.00 billion of the Company's shares of common stock. The \$2.00 billion authorized for purchases under the 2025 Share Repurchase Program is supplemental to the \$800.0 million remaining in authorized purchases under the share repurchase program authorized by the Board in May 2022 (the "2022 Share Repurchase Program").

Under the ASR Agreements, the Company paid \$2.00 billion to the Dealers and received an initial delivery of 28,363,766 shares of the Company's common stock on November 26, 2024 at a price of \$56.41 per share, representing approximately 80 percent of the aggregate purchase price. The total number of shares purchased by the Company pursuant to the ASR Agreements will be based on the volume-weighted average price of the Company's common stock on specified dates during the term of each of the ASR Agreements, less a discount, and subject to adjustments pursuant to the terms and conditions of the ASR Agreements. The final settlement of the transactions under the ASR Agreements is expected to occur no later than the first quarter of fiscal 2026. The ASR Agreements are accounted for as a share purchase transaction and forward stock purchase agreement indexed to our common stock. The shares received under the ASR Agreements reduced the number of ordinary shares outstanding as of December 28, 2024 by 28,363,766 shares initially purchased. Repurchased shares of common stock will become authorized but unissued shares. As of December 28, 2024 the Company had \$800.0 million of additional shares available to be repurchased as authorized under the 2022 Share Repurchase Program and no remaining availability to repurchase shares under the 2025 Share Repurchase Program.

8. DERIVATIVE INSTRUMENTS AND HEDGING ACTIVITIES

The majority of the Company's purchases of finished goods are denominated in U.S. dollars, which limits the Company's exposure to the transactional effects of foreign currency exchange rate fluctuations. However, the Company is exposed to foreign currency exchange risk related to its sale of U.S. dollar inventory to foreign operating subsidiaries in local currency, as well as risk related to various cross-currency intercompany loans and payables, and translation risk. The Company is also exposed to foreign currency risk related to changes in the U.S. dollar value of its net investment in foreign subsidiaries. The Company uses derivative financial instruments to manage these risks. These derivative transactions are in accordance with the Company's risk management policies. The Company does not enter into derivative transactions for speculative or trading purposes.

The Company records all derivative contracts at fair value on the Condensed Consolidated Balance Sheet. The fair values of foreign currency derivatives are based on the forward curves of the specific indices upon which settlement is based and include an adjustment for the counterparty's or Company's credit risk. Judgment is required of management in developing estimates of fair value. The use of different market assumptions or methodologies could affect the estimated fair value.

For cash flow derivative instruments that qualify for hedge accounting, the changes in the fair value of these instruments are recognized as a component of AOCI until the hedged item is recognized in earnings. For derivative instruments that are designated as a net investment hedge, the changes in the fair value of the instruments are recognized as a component of AOCI and, upon discontinuation of the hedge, remain in AOCI until the net investment is sold or liquidated.

Each derivative instrument entered into by the Company that qualifies for hedge accounting is expected to be highly effective at reducing the risk associated with the exposure being hedged. For each derivative that is designated as a hedge, the

Notes to Condensed Consolidated Financial Statements (continued)

Company documents the related risk management objective and strategy, including identification of the hedging instrument, the hedged item and the risk exposure, as well as how hedge effectiveness will be assessed over the term of the instrument. The extent to which a hedging instrument has been and is expected to remain highly effective in achieving offsetting changes in fair value or cash flows is assessed and documented by the Company on at least a quarterly basis.

If it is determined that a derivative instrument has not been highly effective and will continue not to be highly effective in hedging the designated exposure, hedge accounting is discontinued and further gains (losses) are recognized in earnings within foreign currency gains (losses) or interest income (expense). Upon discontinuance of hedge accounting, the cumulative change in fair value of cash flow derivatives previously recorded in AOCI is recognized in earnings when the related hedged item affects earnings, consistent with the original hedging strategy, unless the forecasted transaction is no longer probable of occurring, in which case the accumulated amount is immediately recognized in earnings within foreign currency gains (losses) or interest income (expense).

For foreign currency derivative instruments which are not designated as hedges, the changes in fair value of the instruments are recorded through earnings. These changes generally offset the revaluation of certain underlying assets and liabilities.

As a result of the use of derivative instruments, the Company may be exposed to the risk that the counterparties to such contracts will fail to meet their contractual obligations. To mitigate this counterparty credit risk, the Company has a policy of only entering into contracts with carefully selected financial institutions based upon an evaluation of their credit ratings, among other factors.

The fair values of the Company's derivative instruments are recorded on its Condensed Consolidated Balance Sheet on a gross basis. For cash flow reporting purposes, the Company classifies proceeds received or amounts paid upon the settlement of a derivative instrument in the same manner as the related item being hedged, primarily within cash from operating activities.

Hedging Portfolio

The Company enters into forward currency contracts primarily to reduce its risks related to exchange rate fluctuations on foreign currency denominated inventory transactions, as well as various cross-currency intercompany loans and payables. This primarily includes exposure to exchange rate fluctuations in the Japanese Yen, the Chinese Renminbi and the Euro. To the extent its derivative contracts designated as cash flow hedges are highly effective in offsetting changes in the value of the hedged items, the related gains (losses) are initially deferred in AOCI and subsequently recognized in the Condensed Consolidated Statements of Operations as part of the cost of the inventory purchases being hedged within Cost of sales, when the related inventory is sold to a third-party. Current maturity dates range from January 2025 to September 2026. Forward foreign currency exchange contracts which are not designated as hedges of intercompany and other contractual obligations are recognized within Other expense (income) on the Company's Condensed Consolidated Statement of Operations. The maturity date of most instruments held as of December 28, 2024 range from January 2025 to March 2025, and such contracts are typically renewed upon maturity if the related balance has not been settled.

The Company also enters into cross-currency swaps to reduce its risks related to exchange rate fluctuations on net investments in foreign subsidiaries, including our net investment in Euro-denominated subsidiaries, Japanese Yen-denominated subsidiaries and Chinese Renminbi subsidiaries against future volatility in the exchange rates between the United States dollar and their local currencies. The related gains (losses) are deferred in AOCI until the net investment is sold or liquidated, and current maturity dates range from November 2027 to March 2032.

The Company expects that \$32.4 million of net derivative gain related to inventory purchases included in Accumulated other comprehensive income at December 28, 2024 will be reclassified into earnings within the next 12 months. This amount will vary due to fluctuations in foreign currency exchange rates.

The Company assesses the cross-currency swaps and forward exchange contracts used as net investment hedges under the spot method. This results in the cross-currency basis spread on the cross-currency swaps and the difference between the spot rate and the forward rate of the forward exchange contract being excluded from the assessment of hedge effectiveness, and recorded as incurred as a reduction in Interest expense, net in the Company's Condensed Consolidated Statements of Operations. Accordingly, the Company recorded net interest income of \$15.7 million and \$14.3 million during the six months ended December 28, 2024 and December 30, 2023, respectively.

9. EARNINGS PER SHARE

Basic net income per share is calculated by dividing net income by the weighted-average number of shares outstanding during the period. Diluted net income per share is calculated similarly but includes potential dilution from the exercise of stock options and restricted stock units and any other potentially dilutive instruments, only in the periods in which such effects are dilutive under the treasury stock method.

The following is a reconciliation of the weighted-average shares outstanding and calculation of basic and diluted earnings per share:

	Three Months Ended		Six Months Ended	
	December 28, 2024	December 30, 2023	December 28, 2024	December 30, 2023
	(millions, except per share data)			
Net income (loss)	\$ 310.4	\$ 322.3	\$ 497.0	\$ 517.3
Weighted-average basic shares	219.9	229.3	224.7	228.7
Dilutive securities:				
Effect of dilutive securities	5.0	2.4	4.6	3.3
Weighted-average diluted shares	224.9	231.7	229.3	232.0
Net income (loss) per share:				
Basic	\$ 1.41	\$ 1.41	\$ 2.21	\$ 2.26
Diluted	\$ 1.38	\$ 1.39	\$ 2.17	\$ 2.23

Earnings per share amounts have been calculated based on unrounded numbers. Options to purchase shares of the Company's common stock at an exercise price greater than the average market price of the common stock during the reporting period are anti-dilutive and therefore not included in the computation of diluted net income (loss) per common share. In addition, the Company has outstanding restricted stock unit awards that are issuable only upon the achievement of certain performance goals. Performance-based restricted stock unit awards are included in the computation of diluted shares only to the extent that the underlying performance conditions and any applicable market condition modifiers (i) are satisfied as of the end of the reporting period or (ii) would be considered satisfied if the end of the reporting period were the end of the related contingency period and the result would be dilutive under the treasury stock method. As of December 28, 2024 and December 30, 2023, there were 0.7 million and 5.5 million, respectively, of additional shares issuable upon exercise of anti-dilutive options and contingent vesting of performance-based restricted stock unit awards, which were excluded from the diluted share calculations.

Notes to Condensed Consolidated Financial Statements (continued)

Other

The Company had other contractual cash obligations as of December 28, 2024 related to debt repayments. Refer to Note 11, "Debt," for further information.

The Company is involved in various routine legal proceedings as both plaintiff and defendant incident to the ordinary course of its business, including proceedings to protect Tapestry's intellectual property rights, litigation instituted by persons alleged to have been injured by advertising claims or upon premises within the Company's control, contractual disputes, insurance claims and litigation with present or former employees.

Although the Company's litigation can result in large monetary awards, such as when a civil jury is allowed to determine compensatory and/or punitive damages, the Company believes that the outcome of all pending legal proceedings in the aggregate will not have a material effect on the Company's business or condensed consolidated financial statements.

On December 23, 2024 and January 28, 2025, two separate putative securities class actions were filed by plaintiff shareholders in the United States District Court for the District of Delaware against Capri and certain of its officers and against Tapestry and certain of its officers, alleging that during the respective class periods (between August 10, 2023 and October 24, 2024), Capri and Tapestry misrepresented and failed to disclose adverse facts about Capri's business, operations, market dynamics, and the prospects for approval of the Capri Acquisition, which were known to defendants or recklessly disregarded by them. The complaints, which each allege violations of sections 10(b) and 20(a) of the Securities Exchange Act of 1934 and rule 10b-5 promulgated thereunder, seek unspecified compensatory damages, costs and expenses, and equitable relief. The Company intends to vigorously defend itself in these matters.

Capri Holdings Limited Acquisition

On August 10, 2023, the Company entered into the Merger Agreement by and among the Company, Sunrise Merger Sub, Inc., a direct wholly owned subsidiary of Tapestry, and Capri. In order to finance the Capri Acquisition, on November 27, 2023, the Company issued \$4.50 billion of U.S. dollar-denominated senior unsecured notes (the "Capri Acquisition USD Senior Notes") and €1.50 billion of Euro-denominated senior unsecured notes (the "Capri Acquisition EUR Senior Notes" and, together with the Capri Acquisition USD Senior Notes, the "Capri Acquisition Senior Notes") which, together with the \$1.40 billion of delayed draw unsecured term loan facilities (the "Capri Acquisition Term Loan Facilities") executed on August 30, 2023, completed the expected financing for the Capri Acquisition. On April 22, 2024, the FTC filed a complaint against the Company and Capri in the United States District Court for the Southern District of New York seeking to enjoin the consummation of the Capri Acquisition, and on October 24, 2024, the Court issued its Opinion and Order granting the FTC's request for a preliminary injunction of the Merger, pending an administrative trial on the merits which was scheduled to begin on December 9, 2024. On October 28, 2024, the Company and Capri filed a Notice of Appeal with respect to the October 24, 2024 Opinion and Order. On November 6, 2024, the United States Court of Appeals for the Second Circuit entered an order setting an expedited briefing schedule for the appeal of the decision of the United States District Court of the Southern District of New York granting the preliminary injunction of the merger. On November 13, 2024, the Parties entered into a Termination Agreement (the "Termination Agreement"), pursuant to which the Parties agreed to terminate the Merger Agreement, including all schedules and exhibits thereto and all ancillary agreements contemplated thereby or entered pursuant thereto (the "Termination Date"), effective immediately. Pursuant to the Termination Agreement, the Company agreed to reimburse Capri for its expenses in an amount equal to \$45.1 million in cash on November 14, 2024. The Parties also agreed to release each other from claims, demands, damages, actions, causes of action and liability relating to or arising out of the Merger Agreement and the transactions contemplated therein or thereby. Following termination of the Merger Agreement, the Parties and the FTC filed a stipulation withdrawing the appeal to the United States Court of Appeals for the Second Circuit on November 19, 2024 and the Second Circuit dismissed the appeal on November 20, 2024. The Parties and the FTC also filed a Joint Motion to dismiss the complaint in the administrative trial on November 15, 2024 and the FTC dismissed the complaint on December 4, 2024. On November 25, 2024, due to the termination of the Merger Agreement and pursuant to the terms of the indenture governing the Capri Acquisition Senior Notes, as supplemented, the Company redeemed all outstanding Capri Acquisition Senior Notes at a redemption price of 101% of the aggregate principal amount of such Capri Acquisition Senior Notes, plus accrued and unpaid interest to, but excluding, the date of redemption. In addition, the Capri Acquisition Term Loan Facilities were terminated concurrently with the execution of the Termination Agreement on November 13, 2024. Refer to Note 5, "Acquisitions" and Note 11, "Debt" for further information.

2025 Growth Strategy

In the first quarter of fiscal 2023, the Company introduced the 2025 growth strategy ("*futurespeed*"), designed to amplify and extend the competitive advantages of its brands, with a focus on four strategic priorities:

- **Building Lasting Customer Relationships:** The Company's brands aim to leverage Tapestry's transformed business model to drive customer lifetime value through a combination of increased customer acquisition, retention and reactivation.
- **Fueling Fashion Innovation & Product Excellence:** The Company aims to drive sustained growth in core handbags and small leathersgoods, while accelerating gains in footwear and lifestyle products.
- **Delivering Compelling Omni-Channel Experiences:** The Company aims to extend its omni-channel leadership to meet the customer wherever they shop, delivering growth online and in stores.
- **Powering Global Growth:** The Company aims to support balanced growth across regions, prioritizing North America and China, its largest markets, while capitalizing on opportunities in under-penetrated geographies such as Southeast Asia and Europe.

GLOBAL ECONOMIC CONDITIONS AND INDUSTRY TRENDS

The environment in which we operate is subject to a number of different factors driving global consumer spending. Consumer preferences, macroeconomic conditions, foreign currency fluctuations and geopolitical events continue to impact overall levels of consumer travel and spending on discretionary items, with inconsistent patterns across business channels and geographies.

We will continue to monitor the below trends and evaluate and adjust our operating strategies and cost management opportunities to mitigate the related impact on our results of operations, while remaining focused on the long-term growth of our business and protecting the value of our brands.

For a detailed discussion of significant risk factors that have the potential to cause our actual results to differ materially from our expectations, see Part I, Item 1A, "Risk Factors" herein and as disclosed in our Annual Report on Form 10-K for the year ended June 29, 2024.

Current Macroeconomic Conditions and Outlook

During the second quarter of fiscal 2025, the macroeconomic environment remained challenging and volatile. Several organizations that monitor the world's economy, including the International Monetary Fund, continue to forecast growth in the global economy, and remains unchanged since the first quarter of fiscal 2025. The forecast is below the historical growth average and is reflective of the current volatile environment, including tighter monetary and fiscal policies which have continued to moderate inflation, financial market volatility and the negative economic impacts of geopolitical instability in certain regions of the world.

In the second quarter of fiscal 2025, the U.S. Dollar continued to fluctuate as compared to foreign currencies in regions where we conduct our business. This trend has resulted in impacts to our business including, but not limited to, for the three months ended December 28, 2024, increased Net sales of \$6.9 million, with no impact to either gross margin or operating margin. For the six months ended December 28, 2024, increased Net sales of \$0.8 million, a positive impact to gross margin of approximately 20 basis points which benefited from the Company's hedging activity and approximately 10 basis point positive impact to operating margin.

Currency volatility, geopolitical instability and political uncertainty, such as the potential impact of policies implemented and that may be implemented by the new U.S. Presidential Administration, including, but not limited to, changes to trade agreements, tax legislation or duty rates may also contribute to a worsening of the macroeconomic environment or adversely impact our business. Since fiscal 2019, the U.S. and China have both imposed tariffs on the importation of certain product categories into the respective country, with limited progress in negotiations to reduce or remove the tariffs.

During fiscal 2024, certain geopolitical events have impacted trade routes in the Red Sea which have modestly increased inventory in-transit times and costs. The Company has taken actions to minimize any potential disruptions and at this time, does not anticipate material impact to our business or operating results. We will continue to closely monitor the situation.

In response to the current environment, the Company continues to take strategic actions considering near-term exigencies and remains committed to maintaining the health of the brands and business.

Tax Legislation

On August 16, 2022, the Inflation Reduction Act of 2022 was signed into law, with tax provisions primarily focused on implementing a 15% CAMT on global adjusted financial statement income and a 1% excise tax on share repurchases. The CAMT was effective at the beginning of fiscal 2024 and did not have a material impact on the Company's effective tax rate.

On December 12, 2022, the E.U. member states also reached an agreement to implement the OECD's reform of international taxation known as GloBE, which broadly mirrors the Inflation Reduction Act by imposing a 15% global minimum tax on multinational companies. Based on the countries in which we do business that have enacted legislation effective January 1, 2025, we do not expect the impact of these changes to be material for fiscal 2025. A number of other countries are also implementing similar legislation with effective dates starting in 2026. As a result, we do expect a modest negative impact on the Company's effective tax rate, however, this could change as other countries enact similar legislation and further guidance is released. We continue to closely monitor regulatory developments to assess potential impacts.

Seasonality

The Company's results are typically affected by seasonal trends. During the first fiscal quarter, we typically build inventory for the winter and holiday season. In the second fiscal quarter, working capital requirements are reduced substantially as we generate higher net sales and operating income, especially during the holiday season.

Fluctuations in net sales, operating income and operating cash flows of the Company in any fiscal quarter may be affected by the timing of wholesale shipments and other events affecting retail sales, including weather and macroeconomic events.

- *Coach Operating Income* increased \$92.6 million to \$620.9 million in the second quarter of fiscal 2025, resulting in an operating margin increase of 210 basis points to 36.4%, as compared to \$528.3 million and 34.3%, respectively, in the second quarter of fiscal 2024. This increase in operating margin was primarily attributed to:

Accordingly, certain material increases and decreases in operating results for the Company and its segments have been presented both including and excluding currency fluctuation effects. These effects occur from translating foreign-denominated amounts into U.S. dollars and comparing to the same period in the prior fiscal year. Constant currency information compares results between periods as if exchange rates had remained constant period-over-period. The Company calculates constant currency revenue results by translating current period revenue in local currency using the prior year period's currency conversion rate.

We believe these non-GAAP measures are useful to investors and others in evaluating the Company's ongoing operating and financial results in a manner that is consistent with management's evaluation of business performance and understanding how such results compare with the Company's historical performance. Additionally, we believe presenting certain increases and decreases in constant currency provides a framework for assessing the performance of the Company's business outside the United States and helps investors and analysts understand the effect of significant year-over-year currency fluctuations. We believe excluding these items assists investors and others in developing expectations of future performance.

By providing the non-GAAP measures, as a supplement to GAAP information, we believe we are enhancing investors' understanding of our business and our results of operations. The non-GAAP financial measures are limited in their usefulness and should be considered in addition to, and not in lieu of, GAAP financial measures. Further, these non-GAAP measures may be unique to the Company, as they may be different from non-GAAP measures used by other companies.

For a detailed discussion on these non-GAAP measures, see the GAAP to Non-GAAP Reconciliation discussions above in this Item 2. "Management's Discussion and Analysis of Financial Condition and Results of Operations."

FINANCIAL CONDITION

Cash Flows

	Six Months Ended		
	December 28, 2024	December 30, 2023	Change
	(millions)		
Net cash provided by (used in) operating activities	\$ 625.5	\$ 901.8	\$ (276.3)
Net cash provided by (used in) investing activities	979.4	(655.0)	1,634.4
Net cash provided by (used in) financing activities	(6,775.8)	5,809.2	(12,585.0)
Effect of exchange rate changes on cash and cash equivalents	12.3	51.0	(38.7)
Net increase (decrease) in cash and cash equivalents	<u>\$ (5,158.6)</u>	<u>\$ 6,107.0</u>	<u>\$ (11,265.6)</u>

The Company's cash and cash equivalents decreased by \$5.16 billion in the first six months of fiscal 2025 as compared to an increase of \$6.11 billion in the first six months of fiscal 2024, as discussed below.

Net cash provided by (used in) operating activities

Net cash provided by operating activities decreased \$276.3 million primarily due to changes in operating assets and liabilities of \$259.3 million, lower net income of \$20.3 million, as well as higher impact of non-cash adjustments of \$3.3 million.

The \$259.3 million decrease in changes in operating asset and liability balances were primarily driven by the following:

- Inventories were a use of cash of \$116.7 million in the first six months of fiscal 2025 compared to a source of cash of \$103.8 million in the first six months of fiscal 2024, primarily driven by increased inventory purchases for Coach to support continued sales growth.
- Accrued liabilities were a use of cash of \$11.7 million in the first six months of fiscal 2025 compared to a source of cash of \$87.0 million in the first six months of fiscal 2024, primarily driven by a decrease in accrued interest due to the repayment of the Capri Acquisition Senior Notes, partially offset by an increase in accrued advertising.
- Other liabilities were a source of cash of \$8.8 million in the first six months of fiscal 2025 compared to a use of cash of \$29.8 million in the first six months of fiscal 2024, primarily driven by the timing of transfer tax payments.

Net cash provided by (used in) investing activities

Net cash provided by investing activities in the first six months of fiscal 2025 was \$979.4 million as compared to a use of cash of \$655.0 million in the first six months of fiscal 2024, resulting in a \$1.63 billion increase in net cash provided by investing activities.

The \$979.4 million of cash provided in the first six months of fiscal 2025 was primarily due to proceeds from maturities and sales of investments of \$2.92 billion, partially offset by purchases of investments of \$1.89 billion, mainly related to the proceeds of the Capri Acquisition Senior Notes.

The \$655.0 million of cash used in the first six months of fiscal 2024 was primarily due to purchases of investments of \$611.3 million, from the proceeds of the senior unsecured notes issued to fund the Capri Acquisition.

Net cash provided by (used in) financing activities

Net cash used in financing activities was \$6.78 billion in the first six months of fiscal 2025 as compared to a source of cash of \$5.81 billion in the first six months of fiscal 2024, resulting in a net increase of cash used in financing activities of \$12.59 billion.

The \$6.78 billion of cash used in the first six months of fiscal 2025 was primarily due to the repayment of debt of \$6.86 billion, which mainly included the Capri Acquisition Senior Notes, use of cash of \$2.01 billion under the Company's accelerated share repurchase program partially offset by proceeds from the issuance of debt of \$2.25 billion.

The \$5.81 billion source of cash in the first six months of fiscal 2024 was primarily due to proceeds from the issuance of senior unsecured notes to fund the Capri Acquisition of \$6.09 billion, partially offset by dividend payments of \$160.4 million, as well as payment of debt issuance costs of \$78.2 million.

Effect of exchange rate changes on cash and cash equivalents

Effect of exchange rate changes on cash and cash equivalents was \$12.3 million as compared to \$51.0 million in the first six months of fiscal 2024, primarily driven by the impact of changes in the exchange rate of the United States Dollar against the Euro on the Capri Acquisition EUR Senior Notes.

Financial Condition

The following table presents our financial condition as of December 28, 2024 and June 29, 2024:

	December 28, 2024	June 29, 2024	Change
	(millions)		
Cash and cash equivalents ⁽¹⁾	\$ 983.4	\$ 6,142.0	\$ (5,158.6)
Short-term investments ⁽¹⁾	19.6	1,061.8	(1,042.2)
Current debt ⁽²⁾	(303.4)	(303.4)	—
Long-term debt ⁽²⁾	(2,377.4)	(6,937.2)	4,559.8
Total, net	\$ (1,677.8)	\$ (36.8)	\$ (1,641.0)

⁽¹⁾ As of December 28, 2024, approximately 23% of our cash and short-term investments were held outside the United States.

⁽²⁾ Refer to Note 11, "Debt" for discussion of the carrying values of our debt.

Sources of Liquidity

Our primary sources of liquidity are the cash flows generated from our operations, our cash and cash equivalents and short-term investments, availability under our credit facilities and other available financing options.

The following table presents the total availability, borrowings outstanding and remaining availability under our credit facilities as of December 28, 2024:

	Total Availability	Borrowings Outstanding	Remaining Availability
	(millions)		
Revolving Facility ⁽¹⁾	\$ 2,000.0	\$ —	\$ 2,000.0
China Credit Facility ⁽¹⁾⁽²⁾	34.0	—	34.0
Total	\$ 2,034.0	\$ —	\$ 2,034.0

⁽¹⁾ Refer to Note 11, "Debt" for further information on these instruments.

⁽²⁾ The carrying amounts of the China Credit Facility include the impact of changes in the exchange rate of the United States Dollar against the RMB.

We believe that our Revolving Credit Facility is adequately diversified with no undue concentrations in any one financial institution. As of December 28, 2024, there were 18 financial institutions participating in the Revolving Credit Facility, with no one participant maintaining a combined maximum commitment percentage in excess of 10%. We have no reason to believe at this time that the participating institutions will be unable to fulfill their obligations to provide financing in accordance with the terms of the facility in the event we elect to draw funds in the foreseeable future.

We have the ability to draw on our credit facilities or access other sources of financing options available to us in the credit and capital markets for, among other things, acquisition or integration-related costs, our restructuring initiatives, settlement of a material contingency, or a material adverse business or macroeconomic development, as well as for other general corporate business purposes.

Management believes that cash flows from operations, access to the credit and capital markets and our credit lines, on-hand cash and cash equivalents and our investments will provide adequate funds to support our operating, capital and debt service requirements for fiscal 2025 and beyond. There can be no assurance that any such capital will be available to the Company on acceptable terms or at all. Our ability to fund working capital needs, planned capital expenditures and scheduled debt payments, as well as to comply with all of the financial covenants under our debt agreements, depends on future operating performance and cash flow. This future operating performance and cash flow are subject to prevailing economic conditions, and to financial, business and other factors, some of which are beyond the Company's control.

Reference should be made to our most recent Annual Report on Form 10-K and other filings with the SEC for additional information regarding liquidity and capital resources.

Supply Chain Finance

To improve our working capital efficiency, we make available to certain suppliers, a voluntary supply chain finance ("SCF") program that enables our suppliers to sell their receivables from the Company to a global financial institution on a non-recourse basis at a rate that leverages our credit rating. We do not have the ability to refinance or modify payment terms to the global financial institution through the SCF program. No guarantees are provided by the Company or any of our subsidiaries under the SCF program. Refer to Note 2, "Basis of Presentation and Organization," for additional information.

Capital Expenditures

During the three and six months ended December 28, 2024, capital expenditures and cloud computing implementation costs were \$39.2 million and \$68.8 million, respectively. The Company expects total fiscal 2025 capital expenditures and cloud computing cost to be approximately \$170 million. Certain cloud computing implementation costs are recognized within Prepaid expenses and Other assets on the Condensed Consolidated Balance Sheets.

Share Repurchase Program

On November 13, 2024, the Board of Directors of the Company (the "Board") authorized the Company to repurchase up to \$2.00 billion of outstanding shares of its common stock (the "2025 Share Repurchase Program"). Under the 2025 Share Repurchase Program, the Company may repurchase shares on the open market, in privately negotiated transactions or in other transactions, including accelerated share repurchase programs. On November 21, 2024, the Company entered into accelerated share repurchase agreements (the "ASR Agreements") with Bank of America, N.A. and Morgan Stanley & Co. LLC (the "Dealers") to repurchase an aggregate of up to \$2.00 billion of the Company's shares of common stock. The \$2.00 billion authorized for purchases under the 2025 Share Repurchase Program is supplemental to the \$800.0 million remaining in authorized purchases under the share repurchase program authorized by the Board in May 2022 (the "2022 Share Repurchase Program").

Under the ASR Agreements, the Company paid \$2.00 billion to the Dealers and received an initial delivery of 28,363,766 shares of the Company's common stock on November 26, 2024 at a price of \$56.41 per share, representing approximately 80 percent of the aggregate purchase price. The total number of shares purchased by the Company pursuant to the ASR Agreements will be based on the volume-weighted average price of the Company's common stock on specified dates during the term of each of the ASR Agreements, less a discount, and subject to adjustments pursuant to the terms and conditions of the ASR Agreements. The final settlement of the transactions under the ASR Agreements is expected to occur no later than the first quarter of fiscal 2026. The ASR agreements are accounted for as a share purchase transaction and forward stock purchase agreement indexed to our common stock. The shares received under the ASR agreements reduced the number of ordinary shares outstanding as of December 28, 2024 by 28,363,766 shares initially purchased. Repurchased shares of common stock will become authorized but unissued shares. As of December 28, 2024 the Company had \$800.0 million of additional shares available to be repurchased as authorized under the 2022 Share Repurchase Program and no remaining availability to repurchase shares under the 2025 Share Repurchase Program.

CRITICAL ACCOUNTING POLICIES AND ESTIMATES

The Company's significant accounting policies are described in Note 3 to the audited consolidated financial statements in our Annual Report on Form 10-K for fiscal 2024. Our discussion of results of operations and financial condition relies on our condensed consolidated financial statements that are prepared based on certain critical accounting policies that require management to make judgments and estimates which are subject to varying degrees of uncertainty. While we believe that these accounting policies are based on sound measurement criteria, actual future events can and often do result in outcomes that can be materially different from these estimates or forecasts.

For a complete discussion of our critical accounting policies and estimates, see the "Critical Accounting Policies and Estimates" section of the Management's Discussion and Analysis of Financial Condition and Results of Operations in our Annual Report on Form 10-K for fiscal 2024. As of December 28, 2024, there have been no material changes to any of the critical accounting policies.

The Company performs its annual impairment assessment of goodwill as well as brand intangibles at the beginning of the fourth quarter of each fiscal year. In all fiscal years, the fair values of our Coach brand reporting units significantly exceeded their respective carrying values. The fair values of the Kate Spade brand reporting unit and indefinite-lived brand as of the fiscal 2024 testing date exceeded their carrying values by approximately 20% and 55%, respectively. Several factors could impact the Kate Spade brand's ability to achieve expected future cash flows, including the optimization of the store fleet productivity, the success of international expansion strategies, the impact of promotional activity, continued economic volatility and potential operational challenges related to macroeconomic factors, the reception of new collections in all channels, and other initiatives aimed at increasing profitability of the business. Given the relatively small excess of fair value over carrying value as noted above, if profitability trends decline during fiscal 2025 from those that are expected, it is possible that an interim test, or our annual impairment test, could result in an impairment of those assets.

ITEM 3. QUANTITATIVE AND QUALITATIVE DISCLOSURES ABOUT MARKET RISK

There have been no significant changes to the Company's market risk or the way the Company manages these exposures as set forth in Part II, Item 7A. "Quantitative and Qualitative Disclosures About Market Risk" in the Company's Annual Report on Form 10-K for the fiscal year ended June 29, 2024. Refer to Note 8, "Derivative Investments and Hedging Activities," Note 11, "Debt," and Note 13, "Investments" included in Part I of this Form 10-Q for additional information.

ITEM 4. CONTROLS AND PROCEDURES

Disclosure Controls and Procedures

We have evaluated under the supervision and with the participation of management, including our principal executive and principal financial officers, the effectiveness of our disclosure controls and procedures, as is defined in Rules 13a-15(e) and 15d-15(e) of the Securities Exchange Act of 1934, as amended, as of the end of the fiscal quarter covered by this quarterly report. Based on that evaluation, our principal executive and principal financial officers have concluded that the Company's disclosure controls and procedures were effective at the reasonable assurance level as of the fiscal quarter-end covered by this quarterly report on Form 10-Q.

Changes in Internal Control over Financial Reporting

There were no changes in the Company's internal control over financial reporting during the second quarter of 2025 that were identified in connection with management's evaluation required by paragraph (d) of Rules 13a-15 and 15d-15 under the Securities Exchange Act of 1934, as amended, that have materially affected, or are reasonably likely to materially affect, the Company's internal control over financial reporting.

PART II – OTHER INFORMATION

ITEM 1. LEGAL PROCEEDINGS

The Company is involved in various routine legal proceedings as both plaintiff and defendant incident to the ordinary course of its business, such as to protect Tapestry, Inc.'s intellectual property rights, litigation instituted by persons alleged to have been injured by advertising claims or upon premises within the Company's control, contract disputes, insurance claims and litigation, including wage and hour litigation, with present or former employees.

Although the Company's litigation can result in large monetary awards, such as when a civil jury is allowed to determine compensatory and/or punitive damages, the Company believes that the outcome of all pending legal proceedings in the aggregate will not have a material effect on the Company's business or condensed consolidated financial statements. There have been no material developments with respect to any previously reported proceedings.

However, as previously disclosed, on August 10, 2023, the Company entered into a Merger Agreement by and among the Company, Merger Sub and Capri, pursuant to which, among other things, Merger Sub would merge with and into Capri (the "Merger") with Capri surviving the Merger and continuing as a wholly owned subsidiary of the Company ("the Capri Acquisition"). On April 22, 2024, the FTC filed a complaint against the Company and Capri in the United States District Court for the Southern District of New York seeking to enjoin the consummation of the Capri Acquisition, and on October 24, 2024, the Court issued its Opinion and Order granting the FTC's request for a preliminary injunction of the Merger, pending an administrative trial on the merits which was scheduled to begin on December 9, 2024. On October 28, 2024, the Company and Capri filed a Notice of Appeal with respect to the October 24, 2024 Opinion and Order. On November 6, 2024, the United States Court of Appeals for the Second Circuit entered an order setting an expedited briefing schedule for the appeal of the decision of the United States District Court of the Southern District of New York granting the preliminary injunction of the Merger. On November 13, 2024, the Company, Merger Sub and Capri (collectively, the "Parties") entered into a Termination Agreement, pursuant to which the Parties agreed to terminate the Merger Agreement, including all schedules and exhibits thereto and all ancillary agreements contemplated thereby or entered pursuant thereto, effective immediately. Following termination of the Merger Agreement, the Parties and the FTC filed a stipulation withdrawing the appeal to the United States Court of Appeals for the Second Circuit on November 19, 2024 and the Second Circuit dismissed the appeal on November 20, 2024. The Parties and the FTC also filed a Joint Motion to dismiss the complaint in the administrative trial on November 15, 2024 and the FTC dismissed the complaint on December 4, 2024.

On December 23, 2024 and January 28, 2025, two separate putative securities class actions were filed by plaintiff shareholders in the United States District Court for the District of Delaware against Capri and certain of its officers and against Tapestry and certain of its officers, alleging that during the respective class periods (between August 10, 2023 and October 24, 2024), Capri and Tapestry misrepresented and failed to disclose adverse facts about Capri's business, operations, market dynamics, and the prospects for approval of the Capri Acquisition, which were known to defendants or recklessly disregarded by them. The complaints, which each allege violations of sections 10(b) and 20(a) of the Securities Exchange Act of 1934 and rule 10b-5 promulgated thereunder, seek unspecified compensatory damages, costs and expenses, and equitable relief. The Company intends to vigorously defend itself in these matters.

ITEM 1A. RISK FACTORS

Refer to Part I, Item 1A, "Risk Factors" in our Annual Report on Form 10-K for the fiscal year ended June 29, 2024 for a description of certain significant risks and uncertainties to which our business, financial condition and results of operations are subject.

The final settlement of the transactions under the ASR Agreements is expected to occur no later than the first quarter of fiscal 2026. As of December 28, 2024, the Company had no remaining availability to repurchase shares under the 2025 Share Repurchase Program.

The Credits

SECTION 2.01. Commitments. Subject to the terms and conditions set forth herein, (a) each Revolving Lender (severally and not jointly) agrees to make Revolving Loans to the Borrowers in Agreed Currencies from time to time during the Revolving Availability Period in an aggregate principal amount that will not result in (A) subject to Sections 2.04 and 2.11(b), the Dollar Amount of such Lender's Credit Exposure exceeding such Lender's Commitment or (B) subject to Sections 2.04 and 2.11(b), the sum of the Dollar Amount of the total Revolving Credit Exposures exceeding the aggregate Revolving Commitments and (b) each Delayed Draw Term Lender severally, and not jointly, agrees to make one Delayed Draw Term Loan to the Borrowers in Dollars at any time on and after the Effective Date, and until the earlier of the Delayed Draw Commitment Termination Date and the termination of the Delayed Draw Term Loan Commitment of such Delayed Draw Term Lender in accordance with the terms hereof. Within the foregoing limits and subject to the terms and conditions set forth herein, the Borrowers may borrow, prepay and reborrow Revolving Loans. Amounts repaid or prepaid in respect of the Delayed Draw Term Loans may not be reborrowed.

SECTION 2.02. Loans and Borrowings. (a) Each Loan (other than a Swingline Loan) shall be made as part of a Borrowing consisting of Loans of the same Class and Type made by the applicable Lenders ratably in accordance with their respective Commitments of the applicable Class. The failure of any Lender to make any Loan required to be made by it shall not relieve any other Lender of its obligations hereunder; provided that the Commitments of the Lenders are several and no Lender shall be responsible for any other Lender's failure to make Loans as required. Any Swingline Loan shall be made in accordance with the procedures set forth in Section 2.05.

(b) Subject to Section 2.14, each Revolving Borrowing and Delayed Draw Term Loan Borrowing shall be comprised entirely of ABR Loans, Term SOFR Loans or Alternative Currency Loans as the relevant Borrower may request in accordance herewith; provided that each ABR Loan shall only be made in Dollars. Each Swingline Loan shall be an ABR Loan. Each Lender at its option may make any Loan by causing any domestic or foreign branch or Affiliate of such Lender to make such Loan (and in the case of an Affiliate, the provisions of Sections 2.14, 2.15, 2.16 and 2.17 shall apply to such Affiliate to the same extent as to such Lender); provided that any exercise of such option shall not affect the obligation of the relevant Borrower to repay such Loan in accordance with the terms of this Agreement.

(c) At the commencement of each Interest Period for any Term SOFR Borrowing or any Alternative Currency Term Rate Borrowing, such Borrowing shall be in an aggregate amount that is an integral multiple of \$100,000 (or, if such Borrowing is denominated in (i) Japanese Yen, JPY10,000,000 or (ii) a Foreign Currency other than Japanese Yen, 100,000 units of such currency) and not less than \$1,000,000 (or, if such Borrowing is denominated in (i) Japanese Yen, JPY100,000,000 or (ii) a Foreign Currency other than Japanese Yen, 1,000,000 units of such currency). At the time that each ABR Borrowing is made, such Borrowing shall be in an aggregate amount that is an integral multiple of \$100,000 and not less than \$500,000; provided that an ABR Revolving Borrowing may be in an aggregate amount that is equal to the entire unused balance of the aggregate Revolving Commitments or that is required to finance the reimbursement of an LC Disbursement as contemplated by Section 2.06(e). Each Swingline Loan shall be in an amount that is an integral multiple of \$500,000 and not less than \$500,000. Borrowings of more than one Type and Class may be outstanding at the same time; provided that there shall not at any time be more than a total of fifteen (15) Term SOFR Borrowings and Alternative Currency Term Rate Borrowings outstanding.

(d) Notwithstanding any other provision of this Agreement, no Borrower shall be entitled to request, or to elect to convert or continue, any Borrowing if the Interest Period requested with respect thereto would end after the applicable Maturity Date.

(e) With respect to any Alternative Currency Daily Rate or Daily Simple SOFR, the Administrative Agent in consultation with the Borrower will have the right to make Conforming Changes from time to time and, notwithstanding anything to the contrary herein or in any other Loan Document, any amendments implementing such Conforming Changes will become effective without any further action or consent of any other party to this Agreement or any other Loan Document; provided that, with respect to any such amendment effected, the Administrative Agent shall post each such amendment implementing such Conforming Changes to the Borrower and the Lenders reasonably promptly after such amendment becomes effective.

SECTION 2.03. Requests for Borrowings. To request a Borrowing, the applicable Borrower, or the Company on behalf of the applicable Borrower, shall notify the Administrative Agent of such request (a) by irrevocable written notice (via a written Borrowing Request in a form approved by the Administrative Agent (including any form on an electric platform or electronic transmission system as shall be approved by the Administrative Agent) and signed by the applicable Borrower, or the Company on behalf of the applicable Borrower, promptly followed by telephonic confirmation of such request) in the case of a Term SOFR Borrowing, not later than 12:00 noon, Local Time, two (2) Business Days before the date of the proposed Borrowing, (b) by irrevocable written notice (via a written Borrowing Request in a form approved by the Administrative Agent (including any form on an electric platform or electronic transmission system as shall be approved by the Administrative Agent) and signed by such Borrower, or the Company on behalf of the applicable Borrower, promptly followed by telephonic confirmation of such request) not later than four (4) Business Days before the date of the proposed Borrowing in the case of an Alternative Currency Loan or (c) by telephone in the case of an ABR Borrowing, not later than 12:00 noon, New York City time, on the date of the proposed Borrowing; provided that any such notice of an ABR Revolving Borrowing to finance the reimbursement of an LC Disbursement as contemplated by Section 2.06(e) may be given not later than 11:00 a.m., New York City time, on the date of the proposed Borrowing. Each such telephonic Borrowing Request shall be irrevocable and shall be confirmed promptly by hand delivery or telecopy to the Administrative Agent of a written Borrowing Request in a form approved by the Administrative Agent (including any form on an electric platform or electronic transmission system as shall be approved by the Administrative Agent) and signed by the applicable Borrower, or the Company on behalf of the applicable Borrower. Each such Borrowing Request shall specify the following information in compliance with Section 2.02:

- (i) the name of the applicable Borrower;
- (ii) the aggregate amount of the requested Borrowing;
- (iii) the date of such Borrowing, which shall be a Business Day;

(iv) in the case of a Borrowing denominated in Dollars, whether such Borrowing is to be an ABR Borrowing or a Term SOFR Borrowing (and if a Term SOFR Borrowing, specifying the initial Interest Period applicable thereto) and whether such Borrowing is a Revolving Borrowing or a Delayed Draw Term Loan Borrowing;

(v) in the case of an Alternative Currency Loan, the Agreed Currency and initial Interest Period to be applicable thereto, which shall be a period contemplated by the definition of the term "Interest Period"; and

(vi) the location and number of the applicable Borrower's account to which funds are to be disbursed, which shall comply with the requirements of Section 2.07.

If no election as to the Type of Borrowing is specified, then, in the case of a Borrowing denominated in Dollars, the requested Borrowing shall be an ABR Borrowing. If no Interest Period is specified with respect to any requested Term SOFR Borrowing or Alternative Currency Term Rate Borrowing, then the relevant Borrower shall be deemed to have selected an Interest Period of one month's duration. Promptly following receipt of a Borrowing Request in accordance with this Section, the

Administrative Agent shall advise each Lender of the details thereof and of the amount of such Lender's Loan to be made as part of the requested Borrowing.

SECTION 2.04. Determination of Dollar Amounts. The Administrative Agent will determine the Dollar Amount of:

(a) each Alternative Currency Loan as of the date two (2) Business Days prior to the date of such Borrowing or, if applicable, the date of conversion/continuation of any Borrowing as an Alternative Currency Loan,

(b) the LC Exposure (i) as of the date of each request for the issuance, amendment, renewal or extension of any Letter of Credit, (ii) in the case of all Existing Letters of Credit denominated in Foreign Currencies, the Effective Date, and (iii) such additional dates as the Administrative Agent or the Issuing Banks shall determine or the Required Lenders shall require; and

(c) all outstanding Credit Events on and as of the last Business Day of each calendar quarter and, during the continuation of an Event of Default, on any other Business Day elected by the Administrative Agent in its discretion or upon instruction by the Required Lenders.

Each day upon or as of which the Administrative Agent determines Dollar Amounts as described in the preceding clauses (a), (b) and (c) is herein described as a "Computation Date" with respect to each Credit Event for which a Dollar Amount is determined on or as of such day.

SECTION 2.05. Swingline Loans. (a) Subject to the terms and conditions set forth herein, the Swingline Lender may in its sole discretion make Swingline Loans in Dollars to the Company from time to time during the Revolving Availability Period, in an aggregate principal amount at any time outstanding that will not result in (i) the aggregate principal amount of outstanding Swingline Loans exceeding \$50,000,000 or (ii) the Dollar

Amount of the total Revolving Credit Exposures exceeding the aggregate Revolving Commitments; provided that the Swingline Lender shall not be required to make a Swingline Loan to refinance an outstanding Swingline Loan. Within the foregoing limits and subject to the terms and conditions set forth herein, the Company may borrow, prepay and reborrow Swingline Loans.

(b) To request a Swingline Loan, the Company shall notify the Administrative Agent of such request by telephone (confirmed by teletype or a transmission via an electronic platform or electronic transmission system as shall be approved by the Administrative Agent), not later than 12:00 noon, New York City time, on the day of a proposed Swingline Loan (such notice, "Swingline Loan Notice"). Each Swingline Loan Notice shall be irrevocable and shall specify the requested date (which shall be a Business Day) and amount of the requested Swingline Loan. The Administrative Agent will promptly advise the Swingline Lender of any Swingline Loan Notice received from the Company. The Swingline Lender shall make each Swingline Loan available to the Company by means of a credit to the general deposit account of the Company with the Swingline Lender (or, in the case of a Swingline Loan made to finance the reimbursement of an LC Disbursement as provided in Section 2.06(e), by remittance to the relevant Issuing Bank) by 3:00 p.m., New York City time, on the requested date of such Swingline Loan. As provided for in Section 2.12(a), Swingline Loans shall only be available as ABR Loans.

(c) The Swingline Lender may by written notice given to the Administrative Agent not later than 10:00 a.m., New York City time, on any Business Day require the Revolving Lenders to acquire participations on such Business Day in all or a portion of the Swingline Loans outstanding. Such notice shall specify the aggregate amount of Swingline Loans in which Revolving Lenders will participate. Promptly upon receipt of such notice, the Administrative Agent will give notice thereof to each Revolving Lender, specifying in such notice such Lender's Applicable Percentage of such Swingline Loan or Loans. Each Revolving Lender hereby absolutely and unconditionally agrees, upon receipt of notice as provided above,

to pay to the Administrative Agent, for the account of the Swingline Lender, such Lender's Applicable Percentage of such Swingline Loan or Loans. Each Revolving Lender acknowledges and agrees that its obligation to acquire participations in Swingline Loans pursuant to this paragraph is absolute and unconditional and shall not be affected by any circumstance whatsoever, including the occurrence and continuance of a Default or reduction or termination of the Revolving Commitments, and that each such payment shall be made without any offset, abatement, withholding or reduction whatsoever. Each Revolving Lender shall comply with its obligation under this paragraph by wire transfer of immediately available funds, in the same manner as provided in Section 2.07 with respect to Loans made by such Lender (and Section 2.07 shall apply, mutatis mutandis, to the payment obligations of the Lenders), and the Administrative Agent shall promptly pay to the Swingline Lender the amounts so received by it from the Revolving Lenders. The Administrative Agent shall notify the Company of any participations in any Swingline Loan acquired pursuant to this paragraph, and thereafter payments in respect of such Swingline Loan shall be made to the Administrative Agent and not to the Swingline Lender. Any amounts received by the Swingline Lender from the Company (or other party on behalf of the Company) in respect of a Swingline Loan after receipt by the Swingline Lender of the proceeds of a sale of participations therein shall be promptly remitted to the Administrative Agent; any such amounts received by the Administrative Agent shall be promptly remitted by the Administrative Agent to the Revolving Lenders that shall have made their payments pursuant to this paragraph and to the Swingline Lender, as their interests may appear; provided that any such payment so remitted shall be repaid to the Swingline Lender or to the Administrative Agent, as applicable, if and to the extent such payment is required to be refunded to the Company for any reason. The purchase of participations in a Swingline Loan pursuant to this paragraph shall not relieve the Company of any default in the payment thereof.

SECTION 2.06. Letters of Credit. (a) General. Subject to the terms and conditions set forth herein, any Borrower may request the issuance of Letters of Credit in the form of Commercial Letters of Credit or Standby Letters of Credit denominated in Agreed Currencies for its own account or for the account of any of its Subsidiaries, in a form reasonably acceptable to the relevant Issuing Bank, at any time and from time to time during the Revolving Availability Period; it being understood that every Letter of Credit issued hereunder shall be an Obligation of a Borrower. In the event of any inconsistency between the terms and conditions of this Agreement and the terms and conditions of any form of letter of credit application or other agreement submitted by any Borrower to, or entered into by any Borrower with, the relevant Issuing Bank relating to any Letter of Credit, the terms and conditions of this Agreement shall control.

(b) Notice of Issuance, Amendment, Renewal, Extension; Certain Conditions. To request the issuance of a Letter of Credit (or the amendment, renewal or extension of an outstanding Letter of Credit), the applicable Borrower shall hand deliver or telecopy (or transmit by electronic communication, if arrangements for doing so have been approved by the relevant Issuing Bank) to the relevant Issuing Bank and the Administrative Agent (reasonably in advance of the requested date of issuance, amendment, renewal or extension) a notice requesting the issuance of a Letter of Credit, or identifying the Letter of Credit to be amended, renewed or extended, and specifying the date of issuance, amendment, renewal or extension (which shall be a Business Day), the date on which such Letter of Credit is to expire (which shall comply with paragraph (c) of this Section), the amount of such Letter of Credit, the Agreed Currency applicable thereto, the name and address of the beneficiary thereof and such other information as shall be necessary to prepare, amend, renew or extend such Letter of Credit. If requested by an Issuing Bank, the applicable Borrower also shall submit a letter of credit application on such Issuing Bank's standard form in connection with any request for a Letter of Credit. A Letter of Credit shall be issued, amended, renewed or extended only if (and upon issuance, amendment, renewal or extension of each Letter of Credit the applicable Borrower shall be deemed to represent and warrant that), after giving effect to such issuance, amendment, renewal or extension (i) subject to Sections 2.04 and 2.11(b), the Dollar Amount of the LC Exposure solely in respect of Standby Letters of Credit shall not exceed \$125,000,000, (ii) subject to Sections 2.04 and 2.11(b), the sum of the Dollar Amount of the total Revolving Credit Exposures shall not exceed the aggregate Revolving Commitments and (iii) subject to Sections 2.04 and 2.11(b), the Dollar Amount of each Lender's Credit Exposure shall not exceed such Lender's Commitment. No

Issuing Bank shall be under any obligation to issue any Letter of Credit if (i) any order, judgment or decree of any Governmental Authority or arbitrator shall by its terms purport to enjoin or restrain such Issuing Bank from issuing the Letter of Credit, or any law applicable to such Issuing Bank or any request or directive (whether or not having the force of law) from any Governmental Authority with jurisdiction over such Issuing Bank shall prohibit or request that such Issuing Bank refrain from, the issuance of letters of credit generally or the Letter of Credit in particular or shall impose upon such Issuing Bank with respect to the Letter of Credit any restriction, reserve or capital requirement (for which such Issuing Bank is not otherwise compensated hereunder) not in effect on the Effective Date, or shall impose upon such Issuing Bank any unreimbursed loss, cost or expense which was not applicable on the Effective Date and which such Issuing Bank in good faith deems material to it; or (ii) the issuance of the Letter of Credit would violate one or more policies of such Issuing Bank applicable to letters of credit generally or (iii) the issuance of such Letter of Credit would cause the aggregate Dollar Amount of all Letters of Credit issued by it to exceed such Issuing Bank's Letter of Credit Sublimit.

(c) Expiration Date. Each Letter of Credit shall expire (or be subject to termination by notice from the applicable Issuing Bank to the beneficiary thereof) at or prior to the close of business on the earlier of (i) the date one year after the date of the issuance of such Letter of Credit (or, in the case of any renewal or extension thereof, one year after such renewal or extension) and (ii) the date that is five (5) Business Days prior to the Revolving Credit Maturity Date. For the avoidance of doubt, if the Revolving Credit Maturity Date shall be extended pursuant to Section 2.25, "Revolving Credit Maturity Date" as referenced in this clause (c) shall refer to the Revolving Credit Maturity Date as extended pursuant to Section 2.25; provided that, notwithstanding anything in this Agreement (including Section 2.25 hereof) or any other Loan Document to the contrary, the Revolving Credit Maturity Date, as such term is used in reference to any Issuing Bank or any Letter of Credit issued thereby, may not be extended without the prior written consent of the relevant Issuing Bank.

(d) Participations. By the issuance of a Letter of Credit (or an amendment to a Letter of Credit increasing the amount thereof) and without any further action on the part of the relevant Issuing Bank or the Revolving Lenders, the relevant Issuing Bank hereby grants to each Revolving Lender, and each Revolving Lender hereby acquires from the relevant Issuing Bank, a participation in such Letter of Credit equal to such Revolving Lender's Applicable Percentage of the aggregate amount available to be drawn under such Letter of Credit. In consideration and in furtherance of the foregoing, each Revolving Lender hereby absolutely and unconditionally agrees to pay to the Administrative Agent, for the account of the relevant Issuing Bank, such Revolving Lender's Applicable Percentage of each LC Disbursement made by such Issuing Bank and not reimbursed by the applicable Borrower on the date due as provided in paragraph (e) of this Section, or of any reimbursement payment required to be refunded to any Borrower for any reason. Each Revolving Lender acknowledges and agrees that its obligation to acquire participations pursuant to this paragraph in respect of Letters of Credit is absolute and unconditional and shall not be affected by any circumstance whatsoever, including any amendment, renewal or extension of any Letter of Credit or the occurrence and continuance of a Default or reduction or termination of the Commitments, and that each such payment shall be made without any offset, abatement, withholding or reduction whatsoever.

(e) Reimbursement. If the relevant Issuing Bank shall make any LC Disbursement in respect of a Letter of Credit, the applicable Borrower shall reimburse such LC Disbursement by paying to the Administrative Agent in Dollars the Dollar Amount equal to such LC Disbursement, calculated as of the date such Issuing Bank made such LC Disbursement (or if such Issuing Bank shall so elect in its sole discretion by notice to the applicable Borrower, in such other Agreed Currency which was paid by such Issuing Bank pursuant to such LC Disbursement in an amount equal to such LC Disbursement) not later than 12:00 noon, Local Time, on the date that such LC Disbursement is made, if the applicable Borrower shall have received notice of such LC Disbursement prior to 10:00 a.m., Local Time, on such date, or, if such notice has not been received by such Borrower prior to such time on such date, then not later than 12:00 noon, Local Time, on the Business Day immediately following the day that such Borrower receives such notice, if such notice is not received prior to such time on the day of receipt; provided that, if such LC Disbursement is not less than the Dollar Amount of \$500,000, such Borrower may, subject to the conditions to borrowing set forth herein, request in accordance with Section 2.03 or 2.05 that such payment be financed

with (i) to the extent such LC Disbursement was made in Dollars, an ABR Revolving Borrowing or Swingline Loan in Dollars in an amount equal to such LC Disbursement or (ii) to the extent such LC Disbursement was made in a Foreign Currency, an Alternative Currency Loan in such Foreign Currency in an amount equal to such LC Disbursement and, in each case, to the extent so financed, such Borrower's obligation to make such payment shall be discharged and replaced by the resulting ABR Revolving Borrowing, Alternative Currency Loan or Swingline Loan, as applicable. If any Borrower fails to make such payment when due, the Administrative Agent shall notify each Revolving Lender of the applicable LC Disbursement, the payment then due from such Borrower in respect thereof and such Revolving Lender's Applicable Percentage thereof. Promptly following receipt of such notice, each Revolving Lender shall pay to the Administrative Agent its Applicable Percentage of the payment then due from the applicable Borrower, in the same manner as provided in Section 2.07 with respect to Loans made by such Lender (and Section 2.07 shall apply, mutatis mutandis, to the payment obligations of the Revolving Lenders), and the Administrative Agent shall promptly pay to the relevant Issuing Bank the amounts so received by it from the Revolving Lenders. Promptly following receipt by the Administrative Agent of any payment from any Borrower pursuant to this paragraph, the Administrative Agent shall distribute such payment to such Issuing Bank or, to the extent that Revolving Lenders have made payments pursuant to this paragraph to reimburse such Issuing Bank, then to such Revolving Lenders and such Issuing Bank as their interests may appear. Any payment made by a Revolving Lender pursuant to this paragraph to reimburse the relevant Issuing Bank for any LC Disbursement (other than the funding of Revolving Loans or a Swingline Loan as contemplated above) shall not constitute a Loan and shall not relieve the applicable Borrower of its obligation to reimburse such LC Disbursement. If any Borrower's reimbursement of, or obligation to reimburse, any amounts in any Foreign Currency would subject the Administrative Agent, any Issuing Bank or any Revolving Lender to any stamp duty, ad valorem charge or similar tax that would not be payable if such reimbursement were made or required to be made in Dollars, such Borrower shall, at its option, either (x) pay the amount of any such tax requested by the Administrative Agent, the relevant Issuing Bank or the relevant Revolving Lender or (y) reimburse each LC Disbursement made in such Foreign Currency in Dollars, in an amount equal to the Equivalent Amount, calculated using the applicable Exchange Rates, on the date such LC Disbursement is made, of such LC Disbursement.

(f) Obligations Absolute. Each Borrower's obligation to reimburse LC Disbursements as provided in paragraph (e) of this Section shall be absolute, unconditional and irrevocable, and shall be performed strictly in accordance with the terms of this Agreement under any and all circumstances whatsoever and irrespective of (i) any lack of validity or enforceability of any Letter of Credit or this Agreement, or any term or provision therein, (ii) any draft or other document presented under a Letter of Credit proving to be forged, fraudulent or invalid in any respect or any statement therein being untrue or inaccurate in any respect, (iii) payment by the relevant Issuing Bank under a Letter of Credit against presentation of a draft or other document that does not comply with the terms of such Letter of Credit, or (iv) any other event or circumstance whatsoever, whether or not similar to any of the foregoing, that might, but for the provisions of this Section, constitute a legal or equitable discharge of, or provide a right of setoff against, any Borrower's obligations hereunder. Neither the Administrative Agent, the Revolving Lenders nor the Issuing Banks, nor any of their Related Parties, shall have any liability or responsibility by reason of or in connection with the issuance or transfer of any Letter of Credit or any payment or failure to make any payment thereunder (irrespective of any of the circumstances referred to in the preceding sentence), or any error, omission, interruption, loss or delay in transmission or delivery of any draft, notice or other communication under or relating to any Letter of Credit (including any document required to make a drawing thereunder), any error in interpretation of technical terms or any consequence arising from causes beyond the control of the relevant Issuing Bank; provided that the foregoing shall not be construed to excuse the relevant Issuing Bank from liability to a Borrower to the extent of any direct damages (as opposed to special, indirect, consequential or punitive damages, claims in respect of which are hereby waived by each Borrower to the extent permitted by applicable law) suffered by such Borrower that are caused by such Issuing Bank's failure to exercise care when determining whether drafts and other documents presented under a Letter of Credit comply with the terms thereof. The parties hereto expressly agree that, in the absence of gross negligence or willful misconduct on the part of any Issuing Bank (as finally determined by a court of competent jurisdiction), such Issuing Bank shall be deemed to have exercised care in each such determination. In furtherance of the foregoing and without limiting the generality thereof, the parties agree

that, with respect to documents presented which appear on their face to be in substantial compliance with the terms of a Letter of Credit, each Issuing Bank may, in its sole discretion, either accept and make payment upon such documents without responsibility for further investigation, regardless of any notice or information to the contrary, or refuse to accept and make payment upon such documents if such documents are not in strict compliance with the terms of such Letter of Credit.

(g) Disbursement Procedures. Each Issuing Bank shall, promptly following its receipt thereof, examine all documents purporting to represent a demand for payment under a Letter of Credit. Each Issuing Bank shall promptly notify the Administrative Agent and the applicable Borrower by telephone (confirmed by telecopy) of such demand for payment and whether such Issuing Bank has made an LC Disbursement thereunder; provided that any failure to give or delay in giving such notice shall not relieve such Borrower of its obligation to reimburse such Issuing Bank and the Revolving Lenders with respect to any such LC Disbursement.

(h) Interim Interest. If any Issuing Bank shall make any LC Disbursement, then, unless the applicable Borrower shall reimburse such LC Disbursement in full on the date such LC Disbursement is made, the unpaid amount thereof shall bear interest, for each day from and including the date such LC Disbursement is made to but excluding the date that such Borrower reimburses such LC Disbursement, at the rate per annum then applicable to ABR Revolving Loans (or in the case such LC Disbursement is denominated in a Foreign Currency, at the Overnight Foreign Currency Rate for such Agreed Currency plus the then effective Applicable Rate with respect to Alternative Currency Loans); provided that, if such Borrower fails to reimburse such LC Disbursement when due pursuant to paragraph (e) of this Section, then Section 2.13(c) shall apply. Interest accrued pursuant to this paragraph shall be for the account of the relevant Issuing Bank, except that interest accrued on and after the date of payment by any Revolving Lender pursuant to paragraph (e) of this Section to reimburse such Issuing Bank shall be for the account of such Revolving Lender to the extent of such payment.

(i) Replacement of any Issuing Bank. Any Issuing Bank may be replaced at any time by written agreement among the applicable Borrower, the Administrative Agent, the replaced Issuing Bank and the successor Issuing Bank. The Administrative Agent shall notify the Revolving Lenders of any such replacement of any Issuing Bank. At the time any such replacement shall become effective, the Borrowers shall pay all unpaid fees accrued for the account of the replaced Issuing Bank pursuant to Section 2.12(b). From and after the effective date of any such replacement, (i) the successor Issuing Bank shall have all the rights and obligations of an Issuing Bank under this Agreement with respect to Letters of Credit to be issued by such successor Issuing Bank thereafter and (ii) references herein to the term "Issuing Bank" shall be deemed to refer to such successor or to any previous Issuing Bank, or to such successor and all previous Issuing Banks, as the context shall require. After the replacement of an Issuing Bank hereunder, the replaced Issuing Bank shall remain a party hereto and shall continue to have all the rights and obligations of an Issuing Bank under this Agreement with respect to Letters of Credit then outstanding and issued by it prior to such replacement, but shall not be required to issue additional Letters of Credit.

(j) Cash Collateralization. If any Event of Default shall occur and be continuing, on the Business Day that any Borrower receives notice from the Administrative Agent or the Required Revolving Lenders (or, if the maturity of the Loans has been accelerated, Revolving Lenders with LC Exposure representing greater than 50% of the total LC Exposure) demanding the deposit of cash collateral pursuant to this paragraph, such Borrower shall deposit in an account with the Administrative Agent, in the name of the Administrative Agent and for the benefit of the Revolving Lenders (the "LC Collateral Account"), an amount in cash equal to the Dollar Amount of the LC Exposure as of such date plus any accrued and unpaid interest thereon; provided that (i) the portions of such amount attributable to undrawn Foreign Currency Letters of Credit or LC Disbursements in a Foreign Currency that such Borrower is not late in reimbursing shall be deposited in the applicable Foreign Currencies in the actual amounts of such undrawn Letters of Credit and LC Disbursements and (ii) the obligation to deposit such cash collateral shall become effective immediately, and such deposit shall become immediately due and payable, without demand or other notice of any kind, upon the occurrence of any Event of Default with respect to any Borrower described in clause (h) or (i) of Article VII. For the purposes of this paragraph, the Foreign Currency LC Exposure shall be

calculated using the applicable Exchange Rate on the date notice demanding cash collateralization is delivered to the applicable Borrower. Each Borrower also shall deposit cash collateral pursuant to this paragraph as and to the extent required by Section 2.11(b). Such deposit shall be held by the Administrative Agent as collateral for the payment and performance of the Obligations. The Administrative Agent shall have exclusive dominion and control, including the exclusive right of withdrawal, over such account. Other than any interest earned on the investment of such deposits, which investments shall be made at the option and sole discretion of the Administrative Agent and at the Borrowers' risk and expense, such deposits shall not bear interest. Interest or profits, if any, on such investments shall accumulate in such account. Moneys in such account shall be applied by the Administrative Agent to reimburse the relevant Issuing Bank for LC Disbursements for which it has not been reimbursed and, to the extent not so applied, shall be held for the satisfaction of the reimbursement obligations of the Borrowers for the LC Exposure at such time or, if the maturity of the Loans has been accelerated (but subject to the consent of Revolving Lenders with LC Exposure representing greater than 50% of the total LC Exposure), be applied to satisfy other Obligations. If any Borrower is required to provide an amount of cash collateral hereunder as a result of the occurrence of an Event of Default, such amount (to the extent not applied as aforesaid) shall be returned to such Borrower within three (3) Business Days after all Events of Default have been cured or waived.

(k) Issuing Bank Agreements. Each Issuing Bank agrees that, unless otherwise requested by the Administrative Agent, such Issuing Bank shall report in writing to the Administrative Agent (i) on the last Business Day of each calendar month, the daily activity (set forth by day) in respect of Letters of Credit during such calendar month, including all issuances, extensions, amendments and renewals, all expirations and cancellations and all disbursements and reimbursements, (ii) on or prior to each Business Day on which such Issuing Bank expects to issue, amend, renew or extend any Letter of Credit, the date of such issuance, amendment, renewal or extension, and the aggregate face amount of the Letters of Credit to be issued, amended, renewed or extended by it and outstanding after giving effect to such issuance, amendment, renewal or extension occurred (and whether the amount thereof changed), it being understood that such Issuing Bank shall not permit any issuance, renewal, extension or amendment resulting in an increase in the amount of any Letter of Credit to occur without first obtaining written confirmation from the Administrative Agent that it is then permitted under this Agreement, (iii) on each Business Day on which such Issuing Bank pays any amount in respect of one or more drawings under Letters of Credit, the date of such payment(s) and the amount of such payment(s), (iv) on any Business Day on which the Borrowers fail to reimburse any Reimbursement Obligation required to be reimbursed to such Issuing Bank on such day, the date of such failure and the amount and currency of such payment in respect of Letters of Credit and (v) on any other Business Day, such other information as the Administrative Agent shall reasonably request.

(l) Existing Letters of Credit. The Existing Letters of Credit shall be deemed to be a Letter of Credit issued hereunder.

(m) Applicability of ISP and UCP; Limitation of Liability. Unless otherwise expressly agreed by the applicable Issuing Bank and the Company when a Letter of Credit is issued (including any such agreement applicable to an Existing Letter of Credit), (i) the rules of the ISP shall apply to each standby Letter of Credit, and (ii) the rules of the UCP shall apply to each commercial Letter of Credit. Notwithstanding the foregoing, no Issuing Bank shall be responsible to the Company for, and the Issuing Banks' rights and remedies against the Company shall not be impaired by, any action or inaction of such Issuing Bank required or permitted under any law, order, or practice that is required or permitted to be applied to any Letter of Credit or this Agreement, including the law or any order of a jurisdiction where the applicable Issuing Bank or the beneficiary is located, the practice stated in the ISP or UCP, as applicable, or in the decisions, opinions, practice statements, or official commentary of the ICC Banking Commission, the Bankers Association for Finance and Trade - International Financial Services Association (BAFT-IFSA), or the Institute of International Banking Law & Practice, whether or not any Letter of Credit chooses such law or practice.

SECTION 2.07. Funding of Borrowings. (a) Each Lender shall make each Loan to be made by it hereunder on the proposed date thereof by wire transfer of immediately available funds (i) in the case of Loans denominated in Dollars, by 1:00 p.m., New York City

time, to the account of the Administrative Agent most recently designated by it for such purpose by notice to the Lenders and (ii) in the case of each Loan denominated in a Foreign Currency, by 1:00 p.m., Local Time, in the city of the Administrative Agent's Foreign Currency Payment Office for such currency and at such Foreign Currency Payment Office for such currency; provided that (i) Delayed Draw Term Loans shall be made as provided in Section 2.01(b) and (ii) Swingline Loans shall be made as provided in Section 2.05. The Administrative Agent will make such Loans available to the relevant Borrower by promptly crediting the amounts so received, in like funds, to (x) an account of the Company designated by the Company in the applicable Borrowing Request, in the case of Loans denominated in Dollars and (y) an account of such Borrower in the relevant jurisdiction and designated by such Borrower in the applicable Borrowing Request, in the case of Loans denominated in a Foreign Currency; provided that ABR Revolving Loans made to finance the reimbursement of an LC Disbursement as provided in Section 2.06(e) shall be remitted by the Administrative Agent to the relevant Issuing Bank.

(b) Unless the Administrative Agent shall have received notice from a Lender prior to the proposed date of any Borrowing (or, in the case of an ABR Borrowing, prior to the proposed time of any Borrowing) that such Lender will not make available to the Administrative Agent such Lender's share of such Borrowing, the Administrative Agent may assume that such Lender has made such share available on such date in accordance with paragraph (a) of this Section and may, in reliance upon such assumption, make available to the relevant Borrower a corresponding amount. In such event, if a Lender has not in fact made its share of the applicable Borrowing available to the Administrative Agent, then the applicable Lender and such Borrower severally agree to pay to the Administrative Agent forthwith on demand such corresponding amount with interest thereon, for each day from and including the date such amount is made available to such Borrower to but excluding the date of payment to the Administrative Agent, at (i) in the case of such Lender, the greater of the Federal Funds Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation (including without limitation the Overnight Foreign Currency Rate in the case of Loans denominated in a Foreign Currency) or (ii) in the case of such Borrower, the interest rate applicable to ABR Loans. If such Lender pays such amount to the Administrative Agent, then such amount shall constitute such Lender's Loan included in such Borrowing.

SECTION 2.08. Interest Elections. (a) Each Borrowing initially shall be of the Type specified in the applicable Borrowing Request and, in the case of a Term SOFR Borrowing or an Alternative Currency Term Rate Borrowing, shall have an initial Interest Period as specified in such Borrowing Request. Thereafter, the relevant Borrower may elect to convert such Borrowing to a different Type or to continue such Borrowing and, in the case of a Term SOFR Borrowing or an Alternative Currency Term Rate Borrowing, may elect Interest Periods therefor, all as provided in this Section. A Borrower may elect different options with respect to different portions of the affected Borrowing, in which case each such portion shall be allocated ratably among the Lenders holding the Loans comprising such Borrowing, and the Loans comprising each such portion shall be considered a separate Borrowing. This Section shall not apply to Swingline Borrowings, which may not be converted or continued.

(b) To make an election pursuant to this Section, a Borrower, or the Company on its behalf, shall notify the Administrative Agent of such election (by telephone or irrevocable written notice in the case of a Borrowing denominated in Dollars or by irrevocable written notice (via an Interest Election Request in a form approved by the Administrative Agent and signed by such Borrower, or the Company on its behalf) in the case of a Borrowing denominated in a Foreign Currency) by the time that a Borrowing Request would be required under Section 2.03 if such Borrower were requesting a Borrowing of the Type and Class resulting from such election to be made on the effective date of such election. Each such telephonic Interest Election Request shall be irrevocable and shall be confirmed promptly by hand delivery or teletype to the Administrative Agent of a written Interest Election Request in a form approved by the Administrative Agent (including any form on an electric platform or electronic transmission system as shall be approved by the Administrative Agent) and signed by the relevant Borrower, or the Company on its behalf. Notwithstanding any contrary provision herein, this Section shall not be construed to permit any Borrower to (i) change the currency of any Borrowing, (ii) elect an Interest Period for Term SOFR Loans or Alternative Currency Term Rate Loans that does not comply with Section 2.02(d) or (iii) convert any

Borrowing to a Borrowing of a Type not available under the Class of Commitments pursuant to which such Borrowing was made.

(c) Each telephonic and written Interest Election Request shall specify the following information in compliance with Section 2.02:

(i) the name of the applicable Borrower and the Borrowing to which such Interest Election Request applies and, if different options are being elected with respect to different portions thereof, the portions thereof to be allocated to each resulting Borrowing (in which case the information to be specified pursuant to clauses (iii) and

(iv) below shall be specified for each resulting Borrowing);

(ii) the effective date of the election made pursuant to such Interest Election Request, which shall be a Business Day;

(iii) whether the resulting Borrowing is to be an ABR Borrowing, a Term SOFR Borrowing or a Foreign Currency Borrowing;

(iv) if the resulting Borrowing is a Term SOFR Borrowing, the Interest Period to be applicable thereto after giving effect to such election, which Interest Period shall be a period contemplated by the definition of the term "Interest Period"; and

(v) if the resulting Borrowing is an Alternative Currency Term Rate Borrowing, the Interest Period and Agreed Currency to be applicable thereto after giving effect to such election, which Interest Period shall be a period contemplated by the definition of the term "Interest Period".

If any such Interest Election Request requests a Term SOFR Borrowing or an Alternative Currency Term Rate Borrowing, but does not specify an Interest Period, then the applicable Borrower shall be deemed to have selected an Interest Period of one month's duration.

(d) Promptly following receipt of an Interest Election Request, the Administrative Agent shall advise each Lender of the details thereof and of such Lender's portion of each resulting Borrowing.

(e) If the relevant Borrower fails to deliver a timely Interest Election Request with respect to a Term SOFR Borrowing or an Alternative Currency Term Rate Borrowing, prior to the end of the Interest Period applicable thereto, then, unless such Borrowing is repaid as provided herein, at the end of such Interest Period (i) in the case of a Borrowing denominated in Dollars, such Borrowing shall be converted to an ABR Borrowing and (ii) in the case of a Borrowing denominated in a Foreign Currency in respect of which the applicable Borrower shall have failed to deliver an Interest Election Request prior to the third (3rd) Business Day preceding the end of such Interest Period, such Borrowing shall automatically continue as an Alternative Currency Term Rate Borrowing in the same Agreed Currency with an Interest Period of one month unless such Alternative Currency Term Rate Borrowing is or was repaid in accordance with Section 2.11. Notwithstanding any contrary provision hereof, if an Event of Default has occurred and is continuing and the Administrative Agent, at the request of the Required Lenders, so notifies the Company, then, so long as an Event of Default is continuing (i) no outstanding Borrowing denominated in Dollars may be converted to or continued as a Term SOFR Borrowing, (ii) unless repaid, each Term SOFR Borrowing denominated in Dollars shall be converted to an ABR Borrowing at the end of the Interest Period applicable thereto and

(iii) unless repaid, each Alternative Currency Term Rate Borrowing denominated in a Foreign Currency shall automatically be continued as an Alternative Currency Term Rate Borrowing with an Interest Period of one month.

SECTION 2.09. Termination and Reduction of Commitments. (a) Unless previously terminated, (i) the Delayed Draw Term Loan Commitments shall

terminate in full on the Delayed Draw Commitment Termination Date and (ii) the Revolving Commitments shall terminate in full on the Revolving Credit Maturity Date.

(b) (i) The Company may at any time terminate, or from time to time reduce, the Revolving Commitments; provided that (1) each reduction of the Revolving Commitments shall be in an amount that is an integral multiple of \$1,000,000 and not less than \$5,000,000 and (2) the Company shall not terminate or reduce the Revolving Commitments if, after giving effect to any concurrent prepayment of the Loans in accordance with Section 2.11, the Dollar Amount of the sum of the Revolving Credit Exposures would exceed the aggregate Revolving Commitments.

(ii) The Company may at any time terminate, or from time to time reduce, the Delayed Draw Term Loan Commitments; provided that each reduction of such Delayed Draw Term Loan Commitments shall be in an amount that is an integral multiple of \$1,000,000 and not less than \$5,000,000. Unless previously terminated, the Delayed Draw Term Loan Commitments shall (x) upon the funding of any Delayed Draw Term Loan, be reduced to \$0 after the funding of such Delayed Draw Term Loan and (y) automatically terminate with respect to the remainder (if any) on the Delayed Draw Commitment Termination Date.

(c) The Company shall notify the Administrative Agent of any election to terminate or reduce any Commitments under paragraph (b) of this Section at least three (3) Business Days prior to the effective date of such termination or reduction, specifying such election and the effective date thereof. Promptly following receipt of any notice, the Administrative Agent shall advise the relevant Lenders of the contents thereof. Each notice delivered by the Company pursuant to this Section shall be irrevocable; provided that a notice of termination of any Commitments delivered by the Company may state that such notice is conditioned upon the effectiveness of other credit facilities or any other transaction, in which case such notice may be revoked by the Company (by notice to the Administrative Agent on or prior to the specified effective date) if such condition is not satisfied. Any termination or reduction of any Commitments shall be permanent. Each reduction of the Revolving Commitments shall be made ratably among the Revolving Lenders in accordance with their respective Revolving Commitments. Each reduction of the Delayed Draw Term Loan Commitments shall be made ratably among the Delayed Draw Term Lenders in accordance with their respective Delayed Draw Term Loan Commitments.

SECTION 2.10. Repayment of Loans; Evidence of Debt. (a) Each Borrower hereby unconditionally promises to pay (i) to the Administrative Agent for the account of each Revolving Lender the then unpaid principal amount of each Revolving Loan made to such Borrower on the Revolving Credit Maturity Date in the currency of such Loan and

(ii) in the case of the Company, to the Swingline Lender the then unpaid principal amount of each Swingline Loan on the earlier of the Revolving Credit Maturity Date and the first date after such Swingline Loan is made that is the 15th or last day of a calendar month and is at least two

(2) Business Days after such Swingline Loan is made; provided that on each date that a Revolving Borrowing is made, the Company shall repay all Swingline Loans then outstanding.

(b) The Company hereby unconditionally promises to repay the outstanding principal amount of the Delayed Draw Term Loans to the Administrative Agent for the ratable account of each applicable Delayed Draw Term Lender (i) on the last Business Day of September 2022, an amount equal to 2.50% of the aggregate amount of Delayed Draw Term Loans borrowed hereunder during the Delayed Draw Term Loan Availability Period (as such payments may be reduced from time to time as a result of the application of prepayments in accordance with Section 2.11), (ii) commencing on the last Business Day of December 2022, on the last Business Day of each March, June, September and December prior to the Delayed Draw Term Loan Maturity Date (each such date, together with the date referred to in the foregoing clause (i), being referred to as a "Loan Installment Date"), in each case in an amount equal to 1.25% of the aggregate amount of Delayed Draw Term Loans borrowed hereunder during the Delayed Draw Term Loan Availability Period (as such payments may be reduced from time to time as a result of the application of prepayments in accordance with Section 2.11) and (iii) on the Delayed Draw Term Loan Maturity Date, in an amount equal to the remainder of the principal amount of the Delayed Draw Term Loans outstanding on

such date, together in each case with accrued and unpaid interest on the principal amount to be paid to but excluding the date of such payment. Each Lender shall maintain in accordance with its usual practice an account or accounts evidencing the indebtedness of each Borrower to such Lender resulting from each Loan made by such Lender, including the amounts of principal and interest payable and paid to such Lender from time to time hereunder.

(c) The Administrative Agent shall maintain accounts in which it shall record (i) the amount of each Loan made hereunder, the Class, Agreed Currency and Type thereof and the Interest Period applicable thereto, (ii) the amount of any principal or interest due and payable or to become due and payable from each Borrower to each Lender hereunder and (iii) the amount of any sum received by the Administrative Agent hereunder for the account of the Lenders and each Lender's share thereof.

(d) The entries made in the accounts maintained pursuant to paragraph (b) or (c) of this Section shall be prima facie evidence of the existence and amounts of the obligations recorded therein; provided that the failure of any Lender or the Administrative Agent to maintain such accounts or any error therein shall not in any manner affect the obligation of any Borrower to repay the Loans in accordance with the terms of this Agreement.

(e) Any Lender may request, through the Administrative Agent, that Loans made by it to any Borrower be evidenced by a promissory note. In such event, the relevant Borrower shall prepare, execute and deliver to such Lender a promissory note payable to the order of such Lender (or, if requested by such Lender, to such Lender and its registered assigns) and in a form approved by the Administrative Agent. Thereafter, the Loans evidenced by such promissory note and interest thereon shall at all times (including after assignment pursuant to Section 9.04) be represented by one or more promissory notes in such form payable to the order of the payee named therein (or, if any such promissory note is a registered note, to such payee and its registered assigns).

SECTION 2.11. Prepayment of Loans.

(a) Any Borrower shall have the right at any time and from time to time to prepay any Borrowing in whole or in part, subject to prior notice in accordance with the provisions of this Section 2.11(a). The applicable Borrower, or the Company on behalf of the applicable Borrower, shall notify the Administrative Agent (and, in the case of prepayment of a Swingline Loan, the Swingline Lender) by telephone or electronic communication, if arrangements for doing so have been approved by the Administrative Agent) of any prepayment hereunder (i) in the case of prepayment of a Term SOFR Borrowing, not later than 11:00 a.m., Local Time, three

(3) Business Days before the date of prepayment, (ii) in the case of prepayment of an Alternative Currency Loan, not later than 11:00 a.m., Local Time, four (4) Business Days before the date of prepayment, (iii) in the case of prepayment of an ABR Borrowing, not later than 11:00 a.m., New York City time, on the date of prepayment or (iv) in the case of prepayment of a Swingline Loan, not later than 12:00 noon, New York City time, on the date of prepayment (such notice, "Prepayment Notice"). Each Prepayment Notice shall be irrevocable and shall specify the prepayment date and the principal amount of each Borrowing or portion thereof to be prepaid; provided that, if a Prepayment Notice is given in connection with a conditional notice of termination of any Commitments as contemplated by Section 2.09, then such Prepayment Notice may be revoked if such notice of termination is revoked in accordance with Section 2.09. Promptly following receipt of any such notice relating to a Borrowing, the Administrative Agent shall advise the relevant Lenders of the contents thereof. Each partial prepayment of any Borrowing shall be in an amount that would be permitted in the case of an advance of a Borrowing of the same Type as provided in Section 2.02. Each prepayment of a Revolving Borrowing shall be applied ratably to the Revolving Loans included in the prepaid Revolving Borrowing and each voluntary prepayment of a Delayed Draw Term Loan Borrowing shall be applied ratably to the Delayed Draw Term Loans included in the prepaid Delayed Draw Term Loan Borrowing in such order of application as directed by the Company. Prepayments shall be accompanied by (i) accrued interest to the extent required by Section 2.13 and (ii) break funding payments pursuant to Section 2.16 (if any).

(b) If at any time, (i) other than as a result of fluctuations in currency exchange rates, the sum of the aggregate principal Dollar Amount of all of the Revolving Credit Exposures (calculated, with respect to those Credit Events denominated in Foreign Currencies, as of the most recent Computation Date with respect to each such Credit Event) exceeds the aggregate Revolving Commitments or (ii) solely as a result of fluctuations in currency exchange rates, the sum of the aggregate principal Dollar Amount of all of the Revolving Credit Exposures (so calculated) exceeds 105% of the aggregate Revolving Commitments, the Borrowers shall in each case immediately repay Revolving Borrowings or cash collateralize LC Exposure in an account with the Administrative Agent pursuant to Section 2.06(j), as applicable, in an aggregate principal amount sufficient to cause the aggregate Dollar Amount of all Revolving Credit Exposures (so calculated) to be less than or equal to the aggregate Revolving Commitments.

SECTION 2.12. Fees. (a) The Company agrees to pay to the Administrative Agent for the account of each Revolving Lender a facility fee, which shall accrue at the Applicable Rate on the aggregate Revolving Commitment (whether drawn or undrawn) of such Lender during the period from and including the Effective Date to but excluding the date on which such Revolving Commitment terminates; provided that, if such Lender continues to have any Revolving Credit Exposure after its Revolving Commitment terminates, then such facility fee shall continue to accrue on the daily amount of such Lender's Revolving Credit Exposure from and including the date on which its Revolving Commitment terminates to but excluding the date on which such Lender ceases to have any Revolving Credit Exposure. Accrued facility fees shall be payable in arrears on the last Business Day of March, June, September and December of each year and on the date on which the Revolving Commitments terminate, commencing on the first such date to occur after the Effective Date; provided that any facility fees accruing after the date on which the Revolving Commitments terminate shall be payable on demand. All facility fees shall be computed on the basis of a year of 360 days and shall be payable for the actual number of days elapsed (including the first day but excluding the last day).

(b) The Borrowers agree to pay (i) to the Administrative Agent for the account of each Revolving Lender a participation fee with respect to its participations in Standby Letters of Credit, which shall accrue at the same Applicable Rate used to determine the interest rate applicable to Term SOFR Revolving Loans on the average daily Dollar Amount of such Lender's LC Exposure in respect of Standby Letters of Credit (excluding any portion thereof attributable to unreimbursed LC Disbursements in respect of Standby Letters of Credit) during the period from and including the Effective Date to but excluding the later of the date on which such Lender's Revolving Commitment terminates and the date on which such Lender ceases to have any LC Exposure in respect of Standby Letters of Credit, (ii) to the Administrative Agent for the account of each Revolving Lender a participation fee with respect to its participations in Commercial Letters of Credit, which shall accrue at the Applicable Rate applicable to Commercial Letters of Credit on the average daily Dollar Amount of such Lender's LC Exposure in respect of Commercial Letters of Credit (excluding any portion thereof attributable to unreimbursed LC Disbursements in respect of Commercial Letters of Credit) during the period from and including the Effective Date to but excluding the later of the date on which such Revolving Lender's Revolving Commitment terminates and the date on which such Lender ceases to have any LC Exposure in respect of Commercial Letters of Credit and (iii) to the relevant Issuing Bank for its own account a fronting fee, which shall accrue at a rate per annum of 0.125% on the average daily Dollar Amount of the LC Exposure (excluding any portion thereof attributable to unreimbursed LC Disbursements) attributable to Letters of Credit issued by such Issuing Bank during the period from and including the Effective Date to but excluding the later of the date of termination of the Revolving Commitments and the date on which there ceases to be any LC Exposure, as well as such Issuing Bank's standard fees and commissions with respect to the issuance, amendment, cancellation, negotiation, transfer, presentment, renewal or extension of any Letter of Credit or processing of drawings thereunder. Unless otherwise specified above, participation fees and fronting fees accrued through and including the last day of March, June, September and December of each year shall be payable on the third (3rd) Business Day following such last day, commencing on the first such date to occur after the Effective Date; provided that all such fees shall be payable on the date on which the Revolving Commitments terminate and any such fees accruing after the date on which the Revolving Commitments terminate shall be payable on demand. Any other fees payable to any Issuing Bank pursuant to this paragraph shall be payable within ten (10) Business Days after demand. All participation fees and fronting fees shall be computed on the basis of a year of 360

days and shall be payable for the actual number of days elapsed (including the first day but excluding the last day). Participation fees and fronting fees in respect of Letters of Credit denominated in Dollars shall be paid in Dollars, and participation fees and fronting fees in respect of Letters of Credit denominated in a Foreign Currency shall be paid in such Foreign Currency.

(c) The Company agrees to pay to the Administrative Agent for the account of each Delayed Draw Term Lender (other than a Defaulting Lender) a ticking fee, which shall accrue at a rate of 0.09% times the average daily amount of the unused Delayed Draw Term Loan Commitments of such Delayed Draw Term Lender during the period from and including the Effective Date to the earlier of (i) the termination in full of the Delayed Draw Term Loan Commitments and (ii) Delayed Draw Commitment Termination Date. Such accrued ticking fees shall be payable in arrears on the earlier of (i) the termination in full of the Delayed Draw Term Loan Commitments and (ii) the Delayed Draw Commitment Termination Date.

(d) The Company agrees to pay to the Administrative Agent, for its own account, fees payable in the amounts and at the times separately agreed upon between the Company and the Administrative Agent (including, for the avoidance of doubt, the Facilities Fee Letter between the Company, Bank of America, N.A. and BofA Securities, Inc.).

(e) All fees payable hereunder shall be paid on the dates due, in Dollars (except as otherwise expressly provided in this Section 2.12) and immediately available funds, to the Administrative Agent (or to each Issuing Bank, in the case of fees payable to it) for distribution, in the case of facility fees and participation fees, to the applicable Lenders. Fees paid shall not be refundable under any circumstances.

SECTION 2.13. Interest. (a) The Loans comprising each ABR Borrowing (including each Swingline Loan) shall bear interest at the Alternate Base Rate plus the Applicable Rate.

(b) The Loans comprising each Term SOFR Borrowing shall bear interest at Term SOFR for the Interest Period in effect for such Borrowing plus the Applicable Rate. The Loans comprising each Alternative Currency Daily Rate Borrowing shall bear interest at the applicable Alternative Currency Daily Rate plus the Applicable Rate. The Loans comprising each Alternative Currency Term Rate Borrowing shall bear interest at the applicable Alternative Currency Term Rate for the Interest Period in effect for such Borrowing plus the Applicable Rate.

(c) Notwithstanding the foregoing, if any principal of or interest on any Loan or any fee or other amount payable by any Borrower hereunder is not paid when due, whether at stated maturity, upon acceleration or otherwise, such overdue amount shall bear interest, after as well as before judgment, at a rate per annum equal to (i) in the case of overdue principal of any Loan, 2% plus the rate otherwise applicable to such Loan as provided in the preceding paragraphs of this Section or (ii) in the case of any other amount, 2% plus the rate applicable to ABR Loans as provided in paragraph (a) of this Section.

(d) Accrued interest on each Loan shall be payable in arrears on each Interest Payment Date for such Loan and, in the case of Revolving Loans, upon termination of the Revolving Commitments; provided that (i) interest accrued pursuant to paragraph (c) of this Section shall be payable on demand, (ii) in the event of any repayment or prepayment of any Loan (other than a prepayment of an ABR Revolving Loan prior to the end of the Revolving Availability Period), accrued interest on the principal amount repaid or prepaid shall be payable on the date of such repayment or prepayment and (iii) in the event of any conversion of any Term SOFR Loan prior to the end of the current Interest Period therefor, accrued interest on such Loan shall be payable on the effective date of such conversion.

(e) All interest hereunder shall be computed on the basis of a year of 360 days, except that interest (i) computed by reference to the Alternate Base Rate at times when the Alternate Base Rate is based on the Prime Rate shall be computed on the basis of a year of 365 days (or 366 days in a leap year) and (ii) notwithstanding the prior clause (i), in the case of interest in respect of Loans denominated in Agreed Currencies of the type set forth in clause (v) of the definition thereof as to which market practice differs from the foregoing, in accordance with such market practice. The applicable Alternate Base Rate, Term SOFR or Alternative Currency Daily Rate or Alternative Currency Term Rate shall be determined by the Administrative Agent, and such determination shall be conclusive absent manifest error.

SECTION 2.14. (a) Inability to Determine Rates. If in connection with any request for a Term SOFR Loan or an Alternative Currency Loan or a conversion of ABR Loans to Term SOFR Loans or a continuation of any of such Loans, as applicable, (i) the Administrative Agent determines (which determination shall be conclusive absent manifest error) that (A) no Successor Rate for the Relevant Rate for the applicable Agreed Currency has been determined in accordance with Section 2.14(b), and the circumstances under clause (i) of Section 2.14(b) or the Scheduled Unavailability Date has occurred with respect to such Relevant Rate (as applicable), or (B) adequate and reasonable means do not otherwise exist for determining the Relevant Rate for the applicable Agreed Currency for any determination date(s) or requested Interest Period, as applicable, with respect to a proposed Term SOFR Loan or an Alternative Currency Loan or in connection with an existing or proposed Alternate Base Rate Loan, or (ii) the Administrative Agent or the Required Lenders determine that for any reason that the Relevant Rate with respect to a proposed Loan denominated in an Agreed Currency for any requested Interest Period or determination date(s) does not adequately and fairly reflect the cost to such Lenders of funding such Loan, the Administrative Agent will promptly so notify the Company and each Lender.

Thereafter, (x) the obligation of the Lenders to make or maintain Loans in the affected currencies, as applicable, or to convert ABR Loans to Term SOFR Loans, shall be suspended in each case to the extent of the affected Term SOFR Loans, Alternative Currency Loans or Interest Period or determination

date(s), as applicable, and (y) in the event of a determination described in the preceding sentence with respect to the Term SOFR component of the Alternate Base Rate, the utilization of the Term SOFR component in determining the Alternate Base Rate shall be suspended, in each case until the Administrative Agent (or, in the case of a determination by the Required Lenders described in clause (ii) of this Section 2.14(a)), until the Administrative Agent upon instruction of the Required Lenders) revokes such notice.

Upon receipt of such notice, (i) the applicable Borrower may revoke any pending request for a Borrowing of, or conversion to, or continuation of Term SOFR Loans or Alternative Currency Loans to the extent of the affected Term SOFR Loans, Alternative Currency Loans or Interest Period or determination date(s), as applicable or, failing that, will be deemed to have converted such request into a request for a Borrowing of ABR Loans denominated in Dollars in the Dollar Equivalent of the amount specified therein and (ii)(A) any outstanding Term SOFR Loans shall be deemed to have been converted to ABR Loans immediately at the end of their respective applicable Interest Period and (B) any outstanding affected Alternative Currency Loans, at the applicable Borrower's election, shall either (1) be converted into a Borrowing of ABR Loans denominated in Dollars in the Dollar Equivalent of the amount of such outstanding Alternative Currency Loan immediately, in the case of an Alternative Currency Daily Rate Loan or at the end of the applicable Interest Period, in the case of an Alternative Currency Term Rate Loan or (2) be prepaid in full immediately, in the case of an Alternative Currency Daily Rate Loan, or at the end of the applicable Interest Period, in the case of an Alternative Currency Term Rate Loan; provided that if no election is made by the applicable Borrower (x) in the case of an Alternative Currency Daily Rate Loan, by the date that is three Business Days after receipt by the Company of such notice or (y) in the case of an Alternative Currency Term Rate Loan, by the last day of the current Interest Period for the applicable Alternative Currency Term Rate Loan, the applicable Borrower shall be deemed to have elected clause (1) above.

(b) Replacement of Relevant Rate or Successor Rate. Notwithstanding anything to the contrary in this Agreement or any other Loan Documents, if the Administrative Agent determines (which determination shall be conclusive absent manifest error), or the Company or Required Lenders notify the Administrative Agent (with, in the case of the Required Lenders, a copy to the Company) that the Company or Required Lenders (as applicable) have determined, that:

(i) (x) with respect to Loans denominated in Dollars, adequate and reasonable means do not exist for ascertaining one month, three month and six month interest periods of Term SOFR, including, without limitation, because the Term SOFR Screen Rate is not available or published on a current basis and such circumstances are unlikely to be temporary and (y) with respect to Loans denominated in any other Agreed Currency, adequate and reasonable means do not exist for ascertaining the Relevant Rate for such Agreed Currency because none of the tenors of such Relevant Rate (including any forward-looking term rate thereof) is available or published on a current basis and such circumstances are unlikely to be temporary; or

(ii) (x) with respect to Loans denominated in Dollars, CME or any successor administrator of the Term SOFR Screen Rate or a Governmental Authority having jurisdiction over the Administrative Agent or such administrator with respect to its publication of Term SOFR, in each case acting in such capacity, has made a public statement identifying a specific date after which one month, three month and six month interest periods of Term SOFR or the Term SOFR Screen Rate shall or will no longer be made available, or permitted to be used for determining the interest rate of Dollar denominated syndicated loans, or shall or will otherwise cease, provided that, at the time of such statement, there is no successor administrator that is satisfactory to the Administrative Agent, that will continue to provide such interest periods of Term SOFR after such specific date (the latest date on which one month, three month and six month interest periods of Term SOFR or the Term SOFR Screen Rate are no longer available permanently or indefinitely, the "Term SOFR Scheduled Unavailability Date") and (y) with respect to Loans denominated in any other Agreed Currency, the Applicable Authority has made a public statement identifying a specific date after which all tenors of the Relevant Rate for such Agreed Currency (including any forward-looking term rate thereof) shall or will no longer be representative or made available, or used for determining the interest rate of loans denominated in such Agreed Currency, or shall or will otherwise

cease, provided that, in each case, at the time of such statement, there is no successor administrator that is satisfactory to the Administrative Agent that will continue to provide such representative tenor(s) of the Relevant Rate for such Agreed Currency (the latest date on which all tenors of the Relevant Rate for such Agreed Currency (including any forward-looking term rate thereof) are no longer representative or available permanently or indefinitely, together with the Term SOFR Scheduled Unavailability Date, the “Scheduled Unavailability Date”); or

(iii) with respect to Loans denominated in an Agreed Currency other than Dollars, syndicated loans currently being executed and agented in the U.S., are being executed or amended (as applicable) to incorporate or adopt a new benchmark interest rate to replace the Relevant Rate for such Agreed Currency.

then, with respect to Loans denominated in Dollars, on a date and time determined by the Administrative Agent (any such date, the “Term SOFR Replacement Date”), which date shall be at the end of an Interest Period or on the relevant interest payment date, as applicable, for interest calculated and, solely with respect to clause (ii) above, no later than the Scheduled Unavailability Date, Term SOFR will be replaced hereunder and under any Loan Document with Daily Simple SOFR *plus* the SOFR Adjustment for any payment period for interest calculated that can be determined by the Administrative Agent, in each case, without any amendment to, or further action or consent of any other party to, this Agreement or any other Loan Document (the “Term SOFR Successor Rate”). If the Term SOFR Successor Rate is Daily Simple SOFR plus the SOFR Adjustment, all interest payments will be payable on a monthly basis.

Notwithstanding anything to the contrary herein, (i) if the Administrative Agent determines that Daily Simple SOFR is not available on or prior to the Term SOFR Replacement Date, or (ii) if the events or circumstances of the type described in Section 2.14(b)(i), (ii) or (iii) have occurred with respect to the Term SOFR Successor Rate or any other Successor Rate then in effect or with respect to Loans denominated in any currency other than Dollars, then in each case, the Administrative Agent and the Company may amend this Agreement solely for the purpose of replacing the Relevant Rate for an Agreed Currency or any then current Successor Rate in accordance with this Section 2.14, with an alternative benchmark rate giving due consideration to any evolving or then existing convention for similar credit facilities syndicated and agented in the United States and denominated in such Agreed Currency for such alternative benchmarks and, in each case, including any mathematical or other adjustments to such benchmark giving due consideration to any evolving or then existing convention for similar credit facilities syndicated and agented in the United States and denominated in such Agreed Currency for such benchmarks, which adjustment or method for calculating such adjustment shall be published on an information service as selected by the Administrative Agent from time to time in its reasonable discretion and may be periodically updated (and any such proposed rate, including for the avoidance of doubt, any adjustment thereto a “Successor Rate”). Any such amendment shall become effective at 5:00 p.m. on the fifth Business Day after the Administrative Agent shall have posted such proposed amendment to all Lenders and the Company unless, prior to such time, Lenders comprising the Required Lenders have delivered to the Administrative Agent written notice that such Required Lenders object to such amendment.

The Administrative Agent will promptly (in one or more notices) notify the Company and each Lender of the implementation of any Successor Rate.

Any Successor Rate shall be applied in a manner consistent with market practice; provided that to the extent such market practice is not administratively feasible for the Administrative Agent, such Successor Rate shall be applied in a manner as otherwise reasonably determined by the Administrative Agent.

Notwithstanding anything else herein, if at any time any Successor Rate as so determined would otherwise be less than zero, the Successor Rate will be deemed to be zero for the purposes of this Agreement and the other Loan Documents.

In connection with the implementation of a Successor Rate, the Administrative Agent will have the right to make Conforming Changes from time to time and, notwithstanding anything to the contrary

herein or in any other Loan Document, any amendments implementing such Conforming Changes will become effective without any further action or consent of any other party to this Agreement; provided that, with respect to any such amendment effected, the Administrative Agent shall post each such amendment implementing such Conforming Changes to the Company and the Lenders reasonably promptly after such amendment becomes effective.

SECTION 2.15. Increased Costs. (a) If any Change in Law shall:

(i) impose, modify or deem applicable any reserve (including any Statutory Reserve), special deposit, liquidity or similar requirement (including any compulsory loan requirement, insurance charge or other assessment) against assets of, deposits with or for the account of, or credit extended by, any Lender or any Issuing Bank;

(ii) impose on any Lender or any Issuing Bank or the interbank lending market any other condition, cost or expense (other than Taxes) affecting this Agreement or Loans made by such Lender or any Letter of Credit or participation therein; or

(iii) subject any Recipient to any Taxes (other than (A) Indemnified Taxes, (B) Taxes described in clauses (b) through (d) of the definition of Excluded Taxes and

(C) Connection Income Taxes) on its loans, loan principal, letters of credit, commitments, or other obligations, or its deposits, reserves, other liabilities or capital attributable thereto;

and the result of any of the foregoing shall be to increase the cost to such Lender or such other Recipient of making, continuing, converting into or maintaining any Loan or of maintaining its obligation to make any such Loan or to increase the cost to such Lender, such Issuing Bank or such other Recipient of participating in, issuing or maintaining any Letter of Credit or to reduce the amount of any sum received or receivable by such Lender, such Issuing Bank or such other Recipient hereunder, whether of principal, interest or otherwise, then, upon request of such Lender, such Issuing Bank or such other Recipient, the applicable Borrower will pay to such Lender, such Issuing Bank or such other Recipient, as the case may be, such additional amount or amounts as will compensate such Lender, such Issuing Bank or such other Recipient, as the case may be, for such additional costs incurred or reduction suffered.

(b) If any Lender or any Issuing Bank determines that any Change in Law regarding capital or liquidity requirements has or would have the effect of reducing the rate of return on such Lender's or such Issuing Bank's capital or on the capital of such Lender's or such Issuing Bank's holding company, if any, as a consequence of this Agreement or the Loans made by, or participations in Letters of Credit held by, such Lender, or the Letters of Credit issued by such Issuing Bank, to a level below that which such Lender or such Issuing Bank or such Lender's or such Issuing Bank's holding company could have achieved but for such Change in Law (taking into consideration such Lender's or such Issuing Bank's policies and the policies of such Lender's or such Issuing Bank's holding company with respect to capital adequacy and liquidity), then from time to time the applicable Borrower will pay to such Lender or such Issuing Bank, as the case may be, such additional amount or amounts as will compensate such Lender or such Issuing Bank or such Lender's or such Issuing Bank's holding company for any such reduction suffered.

(c) A certificate of a Lender or an Issuing Bank setting forth the amount or amounts necessary to compensate such Lender or such Issuing Bank or its holding company, as the case may be, as specified in paragraph (a) or (b) of this Section shall be delivered to the Company and shall be conclusive absent manifest error. The Company shall pay, or cause the other Borrowers to pay, such Lender or such Issuing Bank, as the case may be, the amount shown as due on any such certificate within ten (10) days after receipt thereof.

(d) Failure or delay on the part of any Lender or any Issuing Bank to demand compensation pursuant to this Section shall not constitute a waiver of such Lender's or such Issuing Bank's right to demand such compensation; provided that the Company shall not be required to compensate a

Lender or an Issuing Bank pursuant to this Section for any increased costs or reductions incurred more than 270 days prior to the date that such Lender or such Issuing Bank, as the case may be, notifies the Company of the Change in Law giving rise to such increased costs or reductions and of such Lender's or such Issuing Bank's intention to claim compensation therefor; provided further that, if the Change in Law giving rise to such increased costs or reductions is retroactive, then the 270-day period referred to above shall be extended to include the period of retroactive effect thereof.

SECTION 2.16. Break Funding Payments. In the event of (a) the payment of any principal of any Term SOFR Loan or Alternative Currency Term Rate Loan other than on the last day of an Interest Period applicable thereto (including as a result of an Event of Default or as a result of any prepayment pursuant to Section 2.11), (b) the conversion of any Term SOFR Loan or Alternative Currency Term Rate Loan other than on the last day of the Interest Period applicable thereto, (c) the failure to borrow, convert, continue or prepay any Term SOFR Loan or Alternative Currency Term Rate Loan on the date specified in any notice delivered pursuant hereto (regardless of whether such notice may be revoked under Section 2.11(a) and is revoked in accordance therewith) or (d) the assignment of any Term SOFR Loan or Alternative Currency Term Rate Loan other than on the last day of the Interest Period applicable thereto as a result of a request by the Company pursuant to Section 2.19, then, in any such event, the Borrowers shall compensate each Lender for the loss, cost and expense attributable to such event. Such loss, cost or expense to any Lender shall be deemed to include an amount determined by such Lender to be the excess, if any, of (i) the amount of interest which would have accrued on the principal amount of such Loan had such event not occurred, at Term SOFR or the applicable Alternative Currency Term Rate that would have been applicable to such Loan, for the period from the date of such event to the last day of the then current Interest Period therefor (or, in the case of a failure to borrow, convert or continue, for the period that would have been the Interest Period for such Loan), over (ii) the amount of interest which would accrue on such principal amount for such period at the interest rate which such Lender would bid were it to bid, at the commencement of such period, for deposits in the relevant currency of a comparable amount and period from other banks in the Term SOFR market or the applicable Alternative Currency Term Rate market. A certificate of any Lender setting forth any amount or amounts that such Lender is entitled to receive pursuant to this Section shall be delivered to the applicable Borrower and shall be conclusive absent manifest error. The applicable Borrower shall pay such Lender the amount shown as due on any such certificate within ten (10) Business Days after receipt thereof.

SECTION 2.17. Taxes. (a) Payments Free of Taxes. Any and all payments by or on account of any obligation of any Borrower under any Loan Document shall be made without deduction or withholding for any Taxes, except as required by applicable law. If any applicable law (as determined in the good faith discretion of an applicable Withholding Agent) requires the deduction or withholding of any Tax from any such payment by a Withholding Agent, then the applicable Withholding Agent shall be entitled to make such deduction or withholding and shall timely pay the full amount deducted or withheld to the relevant Governmental Authority in accordance with applicable law and, if such Tax is an Indemnified Tax, then the sum payable by the applicable Borrower shall be increased as necessary so that after such deduction or withholding has been made (including such deductions and withholdings applicable to additional sums payable under this Section 2.17) the applicable Recipient receives an amount equal to the sum it would have received had no such deduction or withholding been made.

(b) Payment of Other Taxes by the Borrowers. The relevant Borrower shall timely pay to the relevant Governmental Authority in accordance with applicable law, or at the option of the Administrative Agent timely reimburse it for the payment of, Other Taxes.

(c) Evidence of Payments. As soon as practicable after any payment of Taxes by any Borrower to a Governmental Authority pursuant to this Section 2.17, such Borrower shall deliver to the Administrative Agent the original or a certified copy of a receipt issued by such Governmental Authority evidencing such payment, a copy of the return reporting such payment or other evidence of such payment reasonably satisfactory to the Administrative Agent.

(d) Indemnification by the Borrowers. The Borrowers shall indemnify each Recipient, within 10 days after demand therefor, for the full amount of any Indemnified Taxes (including Indemnified Taxes imposed or asserted on or attributable to amounts payable under this Section) payable or paid by such Recipient or required to be withheld or deducted from a payment to such Recipient and any reasonable expenses arising therefrom or with respect thereto, whether or not such Indemnified Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate setting forth in reasonable detail the calculation of the amount of such payment or liability delivered to the relevant Borrower by a Lender (with a copy to the Administrative Agent), or by the Administrative Agent on its own behalf or on behalf of a Lender, shall be conclusive absent manifest error.

(e) Indemnification by the Lenders. Each Lender shall severally indemnify the Administrative Agent, within 10 days after demand therefor, for (i) any Indemnified Taxes attributable to such Lender (but only to the extent that any Borrower has not already indemnified the Administrative Agent for such Indemnified Taxes and without limiting the obligation of the Borrowers to do so), (ii) any Taxes attributable to such Lender's failure to comply with the provisions of Section 9.04(c) relating to the maintenance of a Participant Register and (iii) any Excluded Taxes attributable to such Lender, in each case, that are payable or paid by the Administrative Agent in connection with any Loan Document, and any reasonable expenses arising therefrom or with respect thereto, whether or not such Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to any Lender by the Administrative Agent shall be conclusive absent manifest error. Each Lender hereby authorizes the Administrative Agent to set off and apply any and all amounts at any time owing to such Lender under any Loan Document or otherwise payable by the Administrative Agent to the Lender from any other source against any amount due to the Administrative Agent under this paragraph (e).

(f) Status of Lenders. (i) Any Lender that is entitled to an exemption from or reduction of withholding Tax with respect to payments made under any Loan Document shall deliver to the Borrowers and the Administrative Agent, at the time or times reasonably requested by the Borrowers or the Administrative Agent, such properly completed and executed documentation reasonably requested by the Borrowers or the Administrative Agent as will permit such payments to be made without withholding or at a reduced rate of withholding. In addition, any Lender, if reasonably requested by the Borrowers or the Administrative Agent, shall deliver such other documentation prescribed by applicable law or reasonably requested by the Borrowers or the Administrative Agent as will enable the Borrowers or the Administrative Agent to determine whether or not such Lender is subject to backup withholding or information reporting requirements. Notwithstanding anything to the contrary in the preceding two sentences, the completion, execution and submission of such documentation (other than such documentation set forth in Section 2.17(f)(ii)(A), (ii)(B) and (ii)(D) below) shall not be required if in the Lender's reasonable judgment such completion, execution or submission would subject such Lender to any material unreimbursed cost or expense or would materially prejudice the legal or commercial position of such Lender.

(ii) Without limiting the generality of the foregoing,

(A) any Lender that is a U.S. Person shall deliver to such Borrower and the Administrative Agent on or prior to the date on which such Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of such Borrower or the Administrative Agent), executed originals of IRS Form W-9 certifying that such Lender is exempt from U.S. Federal backup withholding tax;

(B) any Foreign Lender shall, to the extent it is legally entitled to do so, deliver to such Borrower and the Administrative Agent (in such number of copies as shall be requested by the recipient) on or prior to the date on which such Foreign Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of such Borrower or the Administrative Agent), whichever of the following is applicable;

(1) in the case of a Foreign Lender claiming the benefits of an income tax treaty to which the United States is a party (x) with respect to payments of interest under any Loan Document, executed copies of IRS Form W-8BEN or IRS Form W-8BEN-E (or successor form) establishing an exemption from, or reduction of,

U.S. Federal withholding Tax pursuant to the “interest” article of such tax treaty and (y) with respect to any other applicable payments under any Loan Document, IRS Form W-8BEN or IRS Form W-8BEN-E (or successor form) establishing an exemption from, or reduction of, U.S. Federal withholding Tax pursuant to the “business profits” or “other income” article of such tax treaty;

(2) executed copies of IRS Form W-8ECI;

(3) in the case of a Foreign Lender claiming the benefits of the exemption for portfolio interest under Section 881(c) of the Code, (x) a certificate substantially in the form of Exhibit H-1 to the effect that such Foreign Lender is not a “bank” within the meaning of Section 881(c)(3)(A) of the Code, a “10 percent shareholder” of such Borrower within the meaning of Section 871(h)(3)(B) of the Code, or a “controlled foreign corporation” related to any Borrower as described in Section 881(c)(3)(C) of the Code (a “U.S. Tax Compliance Certificate”) and (y) executed copies of IRS Form W-8BEN or IRS Form W-8BEN-E (or successor form); or

(4) to the extent a Foreign Lender is not the beneficial owner, executed copies of IRS Form W-8IMY, accompanied by IRS Form W-8ECI, IRS Form W-8BEN or IRS Form W-8BEN-E (or successor form), a U.S. Tax Compliance Certificate substantially in the form of Exhibit H-2 or Exhibit H-3, IRS Form W-9, and/or other certification documents from each beneficial owner, as applicable; provided that if the Foreign Lender is a partnership and one or more direct or indirect partners of such Foreign Lender are claiming the portfolio interest exemption, such Foreign Lender may provide a U.S. Tax Compliance Certificate substantially in the form of Exhibit H-4 on behalf of each such direct and indirect partner;

(C) any Foreign Lender shall, to the extent it is legally entitled to do so, deliver to such Borrower and the Administrative Agent (in such number of copies as shall be requested by the recipient) on or prior to the date on which such Foreign Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of such Borrower or the Administrative Agent), executed copies of any other form prescribed by applicable law as a basis for claiming exemption from or a reduction in U.S. Federal withholding Tax, duly completed, together with such supplementary documentation as may be prescribed by applicable law to permit such Borrower or the Administrative Agent to determine the withholding or deduction required to be made; and

(D) if a payment made to a Lender under any Loan Document would be subject to U.S. Federal withholding Tax imposed by FATCA if such Lender were to fail to comply with the applicable reporting requirements of FATCA (including those contained in Section 1471(b) or 1472(b) of the Code, as applicable), such Lender shall deliver to such Borrower and the Administrative Agent at the time or times prescribed by law and at such time or times reasonably requested by such Borrower or the Administrative Agent such documentation prescribed by applicable law (including as prescribed by Section 1471(b)(3)(C)(i) of the Code) and such additional documentation reasonably requested by such Borrower or the Administrative Agent as may be necessary for such Borrower and the Administrative Agent to comply with their obligations under FATCA and to determine that such Lender has complied with such Lender’s obligations under FATCA or to determine the amount to deduct and withhold from such payment. Solely for purposes of this clause (D), “FATCA” shall include any amendments made to FATCA after the Effective Date.

Each Lender agrees that if any form or certification it previously delivered expires or becomes obsolete or inaccurate in any respect, it shall update such form or certification or promptly notify the Company and the Administrative Agent in writing of its legal inability to do so.

(g) Treatment of Certain Refunds. If any party determines, in its sole discretion exercised in good faith, that it has received a refund of any Taxes as to which it has been indemnified

pursuant to this Section 2.17 (including by the payment of additional amounts pursuant to this Section 2.17), it shall pay to the indemnifying party an amount equal to such refund (but only to the extent of indemnity payments made under this Section 2.17 with respect to the Taxes giving rise to such refund), net of all out-of-pocket expenses (including Taxes) of such indemnified party and without interest (other than any interest paid by the relevant Governmental Authority with respect to such refund). Such indemnifying party, upon the request of such indemnified party, shall repay to such indemnified party the amount paid over pursuant to this paragraph (g) (plus any penalties, interest or other charges imposed by the relevant Governmental Authority) in the event that such indemnified party is required to repay such refund to such Governmental Authority. Notwithstanding anything to the contrary in this paragraph (g), in no event will the indemnified party be required to pay any amount to an indemnifying party pursuant to this paragraph (g) the payment of which would place the indemnified party in a less favorable net after-Tax position than the indemnified party would have been in if the indemnification payments or additional amounts giving rise to such refund had never been paid. This paragraph shall not be construed to require any indemnified party to make available its Tax returns (or any other information relating to its Taxes that it deems confidential) to the indemnifying party or any other Person.

(h) Survival. Each party's obligations under this Section 2.17 shall survive the resignation or replacement of the Administrative Agent or any assignment of rights by, or the replacement of, a Lender, the termination of the Commitments and the repayment, satisfaction or discharge of all obligations under any Loan Document.

(i) Defined Terms. For purposes of this Section 2.17, the term "Lender" includes each Issuing Bank and the term "applicable law" includes FATCA.

(j) Luxembourg Registration Duty. In order to not unnecessarily cause application of Luxembourg's registration duty applicable to documents in writing evidencing an obligation to pay, the Administrative Agent or any Lender will only take any action to file or register this Agreement or any of the Loan Documents with applicable Luxembourg authorities which would cause such registration duty to be payable if (i) the Loan Documents (and any documents in connection therewith) are enclosed to a compulsorily registrable act (acte obligatoirement enregistrable), deposited with the official records of the notary (déposé au rang des minutes d'un notaire) or otherwise produced for registration (présenté à l'enregistrement) and registration is required or (ii) the Administrative Agent reasonably deems such action necessary in connection with the protection of rights or pursuit of remedies during the continuance of an Event of Default.

SECTION 2.18. Payments Generally; Pro Rata Treatment; Sharing of Set-offs.

(a) Each Borrower shall make each payment required to be made by it hereunder (whether of principal, interest, fees or reimbursement of LC Disbursements, or of amounts payable under Section 2.15, 2.16 or 2.17, or otherwise) prior to (i) in the case of payments denominated in Dollars, 12:00 noon, New York City time and (ii) in the case of payments denominated in a Foreign Currency, 12:00 noon, Local Time, in the city of the Administrative Agent's Foreign Currency Payment Office for such currency, in each case on the date when due, in immediately available funds, without set-off or counterclaim. Any amounts received after such time on any date may, in the discretion of the Administrative Agent, be deemed to have been received on the next succeeding Business Day for purposes of calculating interest thereon. All such payments shall be made (i) in the same currency in which the applicable Credit Event was made (or where such currency has been converted to euro, in euro) and (ii) to the Administrative Agent at its Domestic Payment Office or, in the case of a Credit Event denominated in a Foreign Currency, the Administrative Agent's Foreign Currency Payment Office for such currency, except payments to be made directly to an Issuing Bank or the Swingline Lender as expressly provided herein and except that payments pursuant to Sections 2.15, 2.16, 2.17 and 9.03 shall be made directly to the Persons entitled thereto. The Administrative Agent shall distribute any such payments denominated in the same currency received by it for the account of any other Person to the appropriate recipient promptly following receipt thereof. If any payment hereunder shall be due on a day that is not a Business Day, the date for payment shall be extended to the next succeeding Business Day, and, in the case of any payment accruing interest, interest thereon shall be payable for the period of such extension. Notwithstanding the foregoing provisions of this Section, if, after the making of any Credit Event in any Foreign Currency, currency control or exchange regulations are imposed in the country which issues such currency with the result that the type of currency in which the Credit Event was made (the "Original Currency") no longer exists or any Borrower is not able to make payment to the Administrative Agent for the account of the Lenders in such Original Currency, then all payments to be made by such Borrower hereunder in such currency shall instead be made when due in Dollars in an amount equal to the Dollar Amount (as of the date of repayment) of such payment due, it being the intention of the parties hereto that the Borrowers take all risks of the imposition of any such currency control or exchange regulations.

(b) If at any time insufficient funds are received by and available to the Administrative Agent to pay fully all amounts of principal, unreimbursed LC Disbursements, interest and fees then due hereunder, such funds shall be applied (i) first, towards payment of interest and fees then due hereunder, ratably among the parties entitled thereto in accordance with the amounts of interest and fees then due to such parties, and (ii) second, towards payment of principal and unreimbursed LC Disbursements then due hereunder, ratably among the parties entitled thereto in accordance with the amounts of principal and unreimbursed LC Disbursements then due to such parties.

(c) [Intentionally omitted].

(d) If any Lender shall, by exercising any right of set-off or counterclaim or otherwise, obtain payment in respect of any principal of or interest on any of its Loans or participations in LC Disbursements or Swingline Loans resulting in such Lender receiving payment of a greater proportion of the aggregate amount of its Loans and participations in LC Disbursements and Swingline Loans and accrued interest thereon than the proportion received by any other Lender, then the Lender receiving such greater proportion shall purchase (for cash at face value) participations in the Loans and participations in LC Disbursements and Swingline Loans of other Lenders to the extent necessary so that the benefit of all such payments shall be shared by the Lenders ratably in accordance with the aggregate amount of principal of and

accrued interest on their respective Loans and participations in LC Disbursements and Swingline Loans; provided that (i) if any such participations are purchased and all or any portion of the payment giving rise thereto is recovered, such participations shall be rescinded and the purchase price restored to the extent of such recovery, without interest, and (ii) the provisions of this paragraph shall not be construed to apply to any payment made by any Borrower pursuant to and in accordance with the express terms of this Agreement or any payment obtained by a Lender as consideration for the assignment of or sale of a participation in any of its Loans or participations in LC Disbursements and Swingline Loans to any assignee or participant, other than to the Company or any Subsidiary or Affiliate thereof (as to which the provisions of this paragraph shall apply). Each Borrower consents to the foregoing and agrees, to the extent it may effectively do so under applicable law, that any Lender acquiring a participation pursuant to the foregoing arrangements may exercise against such Borrower rights of set-off and counterclaim with respect to such participation as fully as if such Lender were a direct creditor of such Borrower in the amount of such participation.

(e) (i) Unless the Administrative Agent shall have received notice from the relevant Borrower prior to the date on which any payment is due to the Administrative Agent for the account of the Lenders or the Issuing Banks hereunder that such Borrower will not make such payment, the Administrative Agent may assume that such Borrower has made such payment on such date in accordance herewith and may, in reliance upon such assumption, distribute to the Lenders or the Issuing Banks, as the case may be, the amount due. In such event, if such Borrower has not in fact made such payment, then each of the Lenders or the Issuing Banks, as the case may be, severally agrees to repay to the Administrative Agent forthwith on demand the amount so distributed to such Lender or such Issuing Bank with interest thereon, for each day from and including the date such amount is distributed to it to but excluding the date of payment to the Administrative Agent, at the greater of the Federal Funds Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation (including without limitation the Overnight Foreign Currency Rate in the case of Loans denominated in a Foreign Currency).

(ii) With respect to any payment that the Administrative Agent makes for the account of the Lenders or any Issuing Bank hereunder as to which the Administrative Agent determines (which determination shall be conclusive absent manifest error) that any of the following applies (such payment referred to as the "Rescindable Amount"):

(1) the applicable Borrower has not in fact made such payment; (2) the Administrative Agent has made a payment in excess of the amount so paid by such Borrower (whether or not then owed); or (3) the Administrative Agent has for any reason otherwise erroneously made such payment; then each of the Lenders or the applicable Issuing Bank, as the case may be, severally agrees to repay to the Administrative Agent forthwith on demand the Rescindable Amount so distributed to such Lender or such Issuing Bank, in same day funds with interest thereon, for each day from and including the date such amount is distributed to it to but excluding the date of payment to the Administrative Agent, at the greater of the Federal Funds Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation. A notice of the Administrative Agent to any Lender or Issuing Bank with respect to any amount owing under this clause (e)(ii) shall be conclusive, absent manifest error.

(f) If any Lender shall fail to make any payment required to be made by it pursuant to Section 2.05(c), 2.06(d) or (e), 2.07(b), 2.18(e) or 9.03(c), then the Administrative Agent may, in its discretion (notwithstanding any contrary provision hereof), (i) apply any amounts thereafter

received by the Administrative Agent for the account of such Lender and for the benefit of the Administrative Agent, the Swingline Lender or the Issuing Banks to satisfy such Lender's obligations under such Sections until all such unsatisfied obligations are fully paid and/or

(ii) hold any such amounts in a segregated account as cash collateral for, and application to, any future funding obligations of such Lender under such Sections; in the case of each of (i) and

(ii) above, in any order as determined by the Administrative Agent in its reasonable discretion.

SECTION 2.19. Mitigation Obligations; Replacement of Lenders. (a) If any Lender requests compensation under Section 2.15, or if any Borrower is required to pay any Indemnified Taxes or additional amounts to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 2.17, then such Lender shall use reasonable efforts to designate a different lending office for funding or booking its Loans hereunder or to assign its rights and obligations hereunder to another of its offices, branches or affiliates, if, in the judgment of such Lender, such designation or assignment (i) would eliminate or reduce amounts payable pursuant to Section 2.15 or 2.17, as the case may be, in the future and (ii) would not subject such Lender to any unreimbursed cost or expense and would not otherwise be disadvantageous to such Lender. The Company hereby agrees to pay all reasonable costs and expenses incurred by any Lender in connection with any such designation or assignment.

(b) If (i) any Lender requests compensation under Section 2.15, (ii) any Borrower is required to pay any Indemnified Taxes or additional amounts to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 2.17 or (iii) any Lender becomes a Defaulting Lender, then the Company may, at its sole expense and effort, upon notice to such Lender and the Administrative Agent, require such Lender to assign and delegate, without recourse (in accordance with and subject to the restrictions contained in Section 9.04), all its interests, rights and obligations under the Loan Documents to an assignee that shall assume such obligations (which assignee may be another Lender, if a Lender accepts such assignment); provided that (i) the Company shall have received the prior written consent of the Administrative Agent (and if a Revolving Commitment is being assigned, the relevant Issuing Bank and the Swingline Lender), which consent shall not unreasonably be withheld, (ii) such Lender shall have received payment of an amount equal to the outstanding principal of its Loans and participations in LC Disbursements and Swingline Loans, accrued interest thereon, accrued fees and all other amounts payable to it hereunder, from the assignee (to the extent of such outstanding principal and accrued interest and fees) or the Company (in the case of all other amounts) and (iii) in the case of any such assignment resulting from a claim for compensation under Section 2.15 or payments required to be made pursuant to Section 2.17, such assignment will result in a reduction in such compensation or payments.

SECTION 2.20. Expansion Option. The Company may from time to time after the Amendment No. 1 Effective Date elect to increase the Revolving Commitments in minimum increments of \$25,000,000 so long as, after giving effect thereto, the aggregate amount of such increases does not exceed \$750,000,000. The Company may arrange for any such increase to be provided by one or more Revolving Lenders (each Revolving Lender so agreeing to an increase in its Revolving Commitment, an "Increasing Lender"), or by one or more new banks, financial institutions or other entities (each such new bank, financial institution or other entity, an "Augmenting Lender"; provided that no Ineligible Institution may be an Augmenting Lender), which agree to increase their existing Revolving Commitments, or provide new Revolving Commitments, as the case may be; provided that (i) each Augmenting Lender, shall be subject to the approval of the Company and the Administrative Agent and (ii)

(x) in the case of an Increasing Lender, the Company and such Increasing Lender execute an agreement substantially in the form of Exhibit C hereto, and (y) in the case of an Augmenting

Lender, the Company and such Augmenting Lender execute an agreement substantially in the form of Exhibit D hereto. No consent of any Revolving Lender (other than the Revolving Lenders participating in the increase) shall be required for any increase in Revolving Commitments pursuant to this Section 2.20. Increases and new Revolving Commitments created pursuant to this Section 2.20 shall become effective on the date agreed by the Company, the Administrative Agent and the relevant Increasing Lenders or Augmenting Lenders, and the Administrative Agent shall notify each Lender thereof. Notwithstanding the foregoing, no increase in the Revolving Commitments (or in the Revolving Commitment of any Revolving Lender) shall become effective under this paragraph unless, (i) on the proposed date of the effectiveness of such increase, (A) the conditions set forth in paragraphs (a) and (b) of Section 4.02 shall be satisfied or waived by the Required Lenders and the Administrative Agent shall have received a certificate to that effect dated such date and executed by a Financial Officer of the Company and (B) the Company shall be in compliance (on a pro forma basis) with the covenant contained in Section 6.07 and (ii) the Administrative Agent shall have received documents consistent with those delivered on the Effective Date as to the corporate power and authority of the Borrowers to borrow hereunder after giving effect to such increase. On the effective date of any increase in the Revolving Commitments, (i) each relevant Increasing Lender and Augmenting Lender shall make available to the Administrative Agent such amounts in immediately available funds as the Administrative Agent shall determine, for the benefit of the other Revolving Lenders, as being required in order to cause, after giving effect to such increase and the use of such amounts to make payments to such other Revolving Lenders, each Revolving Lender's portion of the outstanding Revolving Loans of all the Revolving Lenders to equal its Applicable Percentage of such outstanding Revolving Loans, and

(ii) the Borrowers shall be deemed to have repaid and reborrowed all outstanding Revolving

Loans as of the date of any increase in the Revolving Commitments (with such reborrowing to consist of the Types of Revolving Loans, with related Interest Periods if applicable, specified in a notice delivered by the applicable Borrower, or the Company on behalf of the applicable Borrower, in accordance with the requirements of Section 2.03). The deemed payments made pursuant to clause (ii) of the immediately preceding sentence shall be accompanied by payment of all accrued interest on the amount prepaid and, in respect of each Term SOFR Loan and Alternative Currency Term Rate Loan, shall be, unless waived by any Revolving Lender in its reasonable discretion, subject to indemnification by the Borrowers pursuant to the provisions of Section 2.16 if the deemed payment occurs other than on the last day of the related Interest Periods. Nothing contained in this Section 2.20 shall constitute, or otherwise be deemed to be, a commitment on the part of any Revolving Lender to increase its Revolving Commitment hereunder, at any time.

SECTION 2.21. [Intentionally Omitted].

SECTION 2.22. Judgment Currency. If for the purposes of obtaining judgment in any court it is necessary to convert a sum due from any Borrower hereunder in the currency expressed to be payable herein (the "specified currency") into another currency, the parties hereto agree, to the fullest extent that they may effectively do so, that the rate of exchange used shall be that at which in accordance with normal banking procedures the Administrative Agent could purchase the specified currency with such other currency at the Administrative Agent's main New York City office on the Business Day preceding that on which final, non-appealable judgment is given. The obligations of each Borrower in respect of any sum due to any Lender or the Administrative Agent hereunder shall, notwithstanding any judgment in a currency other than the specified currency, be discharged only to the extent that on the Business Day following receipt by such Lender or the Administrative Agent (as the case may be) of any sum adjudged to be so due in such other currency such Lender or the

Administrative Agent (as the case may be) may in accordance with normal, reasonable banking procedures purchase the specified currency with such other currency. If the amount of the specified currency so purchased is less than the sum originally due to such Lender or the Administrative Agent, as the case may be, in the specified currency, each Borrower agrees, to the fullest extent that it may effectively do so, as a separate obligation and notwithstanding any such judgment, to indemnify such Lender or the Administrative Agent, as the case may be, against such loss, and if the amount of the specified currency so purchased exceeds (a) the sum originally due to any Lender or the Administrative Agent, as the case may be, in the specified currency and (b) any amounts shared with other Lenders as a result of allocations of such excess as a disproportionate payment to such Lender under Section 2.18, such Lender or the Administrative Agent, as the case may be, agrees to remit such excess to such Borrower.

SECTION 2.23. Designation of Foreign Subsidiary Borrowers. The Company may at any time and from time to time designate any Eligible Foreign Subsidiary as a Foreign Subsidiary Borrower by delivery to the Administrative Agent of a Borrowing Subsidiary Agreement executed by such Subsidiary and the Company and the satisfaction of the other conditions precedent set forth in Section 4.03, and upon such delivery and satisfaction such Subsidiary shall for all purposes of this Agreement be a Foreign Subsidiary Borrower and a party to this Agreement until the Company shall have executed and delivered to the Administrative Agent a Borrowing Subsidiary Termination with respect to such Subsidiary, whereupon such Subsidiary shall cease to be a Foreign Subsidiary Borrower and a party to this Agreement. Notwithstanding the preceding sentence, no Borrowing Subsidiary Termination will become effective as to any Foreign Subsidiary Borrower at a time when any principal of or interest on any Loan to such Borrower shall be outstanding hereunder, provided that such Borrowing Subsidiary Termination shall be effective to terminate the right of such Foreign Subsidiary Borrower to make further Borrowings under this Agreement. As soon as practicable upon receipt of a Borrowing Subsidiary Agreement, the Administrative Agent shall furnish a copy thereof to each Lender.

SECTION 2.24. Defaulting Lenders. Notwithstanding any provision of this Agreement to the contrary, if any Lender becomes a Defaulting Lender, then the following provisions shall apply for so long as such Lender is a Defaulting Lender:

(a) fees shall cease to accrue on the unfunded portion of the Commitment of such Defaulting Lender pursuant to Section 2.12(a) and 2.12(c);

(b) the Commitment and Credit Exposure of such Defaulting Lender shall not be included in determining whether the Required Lenders or the Required Revolving Lenders have taken or may take any action hereunder (including any consent to any amendment, waiver or other modification pursuant to Section 9.02); provided, that, except as otherwise provided in Section 9.02, this clause (b) shall not apply to the vote of a Defaulting Lender in the case of an amendment, waiver or other modification requiring the consent of such Lender or each Lender directly affected thereby;

(c) if any Swingline Exposure or LC Exposure exists at the time such Lender becomes a Defaulting Lender then:

(i) all or any part of the Swingline Exposure and LC Exposure of such Defaulting Lender shall be reallocated among the non-Defaulting Lenders in accordance with their respective Applicable Percentages but only to the extent the sum of all non-Defaulting Lenders' Revolving Credit Exposures plus such Defaulting Lender's

Swingline Exposure and LC Exposure does not exceed the total of all non-Defaulting Lenders' Revolving Commitments;

(ii) if the reallocation described in clause (i) above cannot, or can only partially, be effected, the Company shall within three (3) Business Days following notice by the Administrative Agent (x) first, prepay such Swingline Exposure and (y) second, cash collateralize for the benefit of each Issuing Bank only, the Borrowers' obligations corresponding to such Defaulting Lender's LC Exposure (after giving effect to any partial reallocation pursuant to clause (i) above) in accordance with the procedures set forth in Section 2.06(j) for so long as such LC Exposure is outstanding;

(iii) if the Company cash collateralizes any portion of such Defaulting Lender's LC Exposure pursuant to clause (ii) above, the Borrowers shall not be required to pay any fees to such Defaulting Lender pursuant to Section 2.12(b) with respect to such Defaulting Lender's LC Exposure during the period such Defaulting Lender's LC Exposure is cash collateralized;

(iv) if the LC Exposure of the non-Defaulting Lenders is reallocated pursuant to clause (i) above, then the fees payable to the Lenders pursuant to Section 2.12(a) and Section 2.12(b) shall be adjusted in accordance with such non-Defaulting Lenders' Applicable Percentages; and

(v) if all or any portion of such Defaulting Lender's LC Exposure is neither reallocated nor cash collateralized pursuant to clause (i) or (ii) above, then, without prejudice to any rights or remedies of the relevant Issuing Bank or any other Lender hereunder, all letter of credit fees payable under Section 2.12(b) with respect to such Defaulting Lender's LC Exposure shall be payable to such Issuing Bank until and to the extent that such LC Exposure is reallocated and/or cash collateralized; and

(d) so long as such Lender is a Defaulting Lender, the Swingline Lender shall not be required to fund any Swingline Loan and the relevant Issuing Bank shall not be required to issue, amend or increase any Letter of Credit, unless the related exposure and the Defaulting Lender's then outstanding LC Exposure will be 100% covered by the Revolving Commitments of the non-Defaulting Lenders and/or cash collateral will be provided by the Company in accordance with Section 2.24(c), and participating interests in any such newly made Swingline Loan or any newly issued or increased Letter of Credit shall be allocated among non-Defaulting Lenders in a manner consistent with Section 2.24(c)(i) (and such Defaulting Lender shall not participate therein).

If (i) a Bankruptcy Event or Bail-In Action with respect to a Parent of any Lender shall occur following the Effective Date and for so long as such event shall continue or (ii) the Swingline Lender or any Issuing Bank has a good faith belief that any Lender has defaulted in fulfilling its funding obligations under one or more other agreements in which such Lender commits to extend credit, the Swingline Lender shall not be required to fund any Swingline Loan and no Issuing Bank shall be required to issue, amend or increase any Letter of Credit, unless the Swingline Lender or the relevant Issuing Bank, as the case may be, shall have entered into arrangements with the Company or such Lender, reasonably satisfactory to the Swingline Lender or such Issuing Bank, as the case may be, to defease any risk to it in respect of such Lender hereunder.

In the event that the Administrative Agent, the Company, the Swingline Lender and each Issuing Bank each agrees that a Defaulting Lender has adequately remedied all matters that caused such Lender

to be a Defaulting Lender, then the Swingline Exposure and LC Exposure of the Lenders shall be readjusted to reflect the inclusion of such Lender's Commitment and on such date such Lender shall purchase at par such of the Loans of the other Lenders (other than Swingline Loans) as the Administrative Agent shall determine may be necessary in order for such Lender to hold such Loans in accordance with its Applicable Percentage.

SECTION 2.25. Extension of Maturity Date.

(a) Requests for Extension. The Company may, by notice to the Administrative Agent (who shall promptly notify the Revolving Lenders) not earlier than 60 days and not later than 30 days prior to each anniversary of the Effective Date (each such date, an "Extension Date"), request that each Revolving Lender extend such Revolving Lender's Revolving Credit Maturity Date (the "Applicable Maturity Date"), to the date that is one year after the Applicable Maturity Date then in effect for such Revolving Lender (the "Existing Maturity Date").

(b) Lender Elections to Extend. Each Revolving Lender, acting in its sole and individual discretion, shall, by notice to the Administrative Agent given not later than the date that is 15 days after the date on which the Administrative Agent received the Company's extension request (the "Lender Notice Date"), advise the Administrative Agent whether or not such Revolving Lender agrees to such extension (each applicable Revolving Lender that determines to so extend its Applicable Maturity Date, an "Extending Lender"). Each Revolving Lender that determines not to so extend its Applicable Maturity Date (a "Non-Extending Lender"), shall notify the Administrative Agent of such fact promptly after such determination (but in any event no later than the Lender Notice Date), and any Revolving Lender that does not so advise the Administrative Agent on or before the Lender Notice Date shall be deemed to be a Non-Extending Lender. The election of any Revolving Lender to agree to such extension shall not obligate any other Revolving Lender to so agree, and it is understood and agreed that no Revolving Lender shall have any obligation whatsoever to agree to any request made by the Company for extension of the Applicable Maturity Date.

(c) Notification by Administrative Agent. The Administrative Agent shall notify the Company of each applicable Revolving Lender's determination under this Section no later than the date that is 15 days prior to the applicable Extension Date (or, if such date is not a Business Day, on the next preceding Business Day).

(d) Additional Commitment Lenders. The Company shall have the right, but shall not be obligated, on or before the Applicable Maturity Date for any Non-Extending Lender to replace such Non-Extending Lender with, and add as a "Revolving Lender" under this Agreement in place thereof, one or more banks, financial institutions or other entities (each, an "Additional Commitment Lender") approved by the Administrative Agent in accordance with the procedures provided in Section 2.19(b), each of which applicable Additional Commitment Lenders shall have entered into an Assignment and Assumption (in accordance with and subject to the restrictions contained in Section 9.04, with the Company or replacement Revolving Lender obligated to pay any applicable processing or recordation fee) with such Non-Extending Lender, pursuant to which such Additional Commitment Lenders shall, effective on or before the Applicable Maturity Date for such Non-Extending Lender, assume a Revolving Commitment (and, if any such Additional Commitment Lender is already a Revolving Lender, its Commitment shall be in addition to such Revolving Lender's Revolving Commitment on such date). Prior to any Non-Extending Lender being replaced by one or more Additional Commitment Lenders pursuant hereto, such Non-Extending Lender may elect, in its sole discretion, by giving irrevocable notice thereof to the Administrative Agent and the Company (which notice shall set

forth such Revolving Lender's new Applicable Maturity Date), to become an Extending Lender. The Administrative Agent may effect such amendments to this Agreement as are reasonably necessary to provide for any such extensions with the consent of the Company but without the consent of any other Lenders.

(e) [Intentionally Omitted].

(f) Conditions to Effectiveness of Extension. Notwithstanding the foregoing, (x) no more than two (2) extensions of each Maturity Date shall be permitted hereunder and (y) any extension of any Maturity Date pursuant to this Section 2.25 shall not be effective with respect to any Extending Lender unless:

(i) no Default or Event of Default shall have occurred and be continuing on the applicable Extension Date and immediately after giving effect thereto;

(ii) the representations and warranties of the Company set forth in this Agreement are true and correct in all material respects (or in all respects if such representation is qualified by materiality or Material Adverse Effect) on and as of the applicable Extension Date and after giving effect thereto, as though made on and as of such date (or, if any such representation or warranty is expressly stated to have been made as of a specific date, as of such specific date); and

(iii) the Administrative Agent shall have received a certificate from the Company signed by a Financial Officer of the Company (A) certifying the accuracy of the foregoing clauses (i) and (ii) and (B) certifying and attaching the resolutions, if any are otherwise required, adopted by each Borrower approving or consenting to such extension.

(g) Maturity Date for Non-Extending Lenders. On each Existing Maturity Date applicable to such Revolving Lender, (i) to the extent of the Commitments and Loans of each Non-Extending Lender not assigned to the Additional Commitment Lenders, the Commitment of each Non-Extending Lender shall automatically terminate and (ii) the Company shall repay such Non-Extending Lender in accordance with Section 2.10 (and shall pay to such Non-Extending Lender all of the other Obligations owing to it under this Agreement) and after giving effect thereto shall prepay any Loans outstanding on such date (and pay any additional amounts required pursuant to Section 2.16) to the extent necessary to keep outstanding Loans ratable with any revised Applicable Percentages of the respective Revolving Lenders effective as of such date, and the Administrative Agent shall administer any necessary reallocation of the applicable Credit Exposures (without regard to any minimum borrowing, pro rata borrowing and/or pro rata payment requirements contained elsewhere in this Agreement).

(h) Conflicting Provisions. This Section shall supersede any provisions in Section 2.18 or Section 9.02 to the contrary.

SECTION 2.26. Sustainability Adjustments.

(a) ESG Amendment. After the Effective Date, the Company, in consultation with the Sustainability Agent, shall be entitled to establish specified key performance indicators ("KPIs") with respect to certain environmental, social and governance ("ESG") targets of the Company and its Subsidiaries with such KPIs and ESG targets being reasonably aligned with the Sustainability Linked Loan Principles. The Sustainability Agent and the Company may amend this Agreement (such

amendment, the “ESG Amendment”), solely for the purpose of incorporating the KPIs and other related provisions (the “ESG Pricing Provisions”) into this Agreement, with the consent of the Administrative Agent, the Company and Lenders constituting the Required Lenders. In the event that Required Lenders do not consent to any such ESG Amendment, an alternative ESG Amendment may be proposed and effectuated, subject to the consents required pursuant to the immediately preceding sentence. Upon the effectiveness of any such ESG Amendment, based on the Company’s performance against the KPIs, certain adjustments (increase, decrease or no adjustment) to the otherwise applicable facility fee payable pursuant to Section 2.12(a), Applicable Rate for Term SOFR Loans, Alternative Currency Loans, Letters of Credit and Applicable Rate for Alternate Base Rate Loans will be made; provided, that the amount of such adjustments shall not exceed in the case of (i) the facility fee payable pursuant to Section 2.12(a), an increase and/or decrease of 0.01%, (ii) the Revolving Loans, Swingline Loans and Letters of Credit, the Applicable Rate for Term SOFR Loans, Alternative Currency Loans and Applicable Rate for ABR Loans, an increase and/or decrease of 0.04%, and the adjustments to the Applicable Rate for ABR Loans shall be the same amount, in basis points, as the adjustments to the Applicable Rate for Term SOFR Loans and Alternative Currency Loans and (iii) the Delayed Draw Term Loans, the Applicable Rate for Term SOFR Loans and the Applicable Rate for ABR Loans, an increase and/or decrease of 0.05%, and the adjustments to the Applicable Rate for Term SOFR Loans shall be the same amount, in basis points, as the Applicable Rate for ABR Loans; provided, further in each case that in no event shall the Applicable Rate for Term SOFR Loans or ABR Loans be less than zero. The pricing adjustments pursuant to the KPIs will require, among other things, reporting and validation of the measurement of the KPIs in a manner that is aligned with the Sustainability Linked Loan Principles and is to be agreed between the Company and the Sustainability Agent (all acting reasonably). The ESG Amendment will not impose any requirement on the Sustainability Agent to assess, monitor, report and/or validate the KPIs. Following the effectiveness of the ESG Amendment:

(i) any modification to the ESG Pricing Provisions which has the effect of increasing or reducing the facility fee payable pursuant to Section 2.12(a), Applicable Rate for Term SOFR Loans, Alternative Currency Loans and Applicable Rate for ABR Loans to a level not otherwise permitted by this Section 2.26(a), shall be subject to the consent of all Lenders; and

(ii) any other modification to the ESG Pricing Provisions (other than as provided for in Section 2.26(a)(i), above) shall be subject only to the consent of the Required Lenders.

(b) Sustainability Agent. The Sustainability Agent will assist the Company in (i) determining the ESG Pricing Provisions in connection with any ESG Amendment and (ii) preparing informational materials focused on ESG to be used in connection with the ESG Amendment. In connection with the foregoing, the Company shall furnish the Sustainability Agent with information relevant to any proposed ESG Amendment as the Sustainability Agent may reasonably request in order to perform the services contemplated in its role as such. It is understood and agreed that the use of the term “agent” herein or in any other Loan Documents (or any other similar term) with reference to the Sustainability Agent is not intended to connote any fiduciary or other implied (or express) obligations arising under agency doctrine of any applicable law. Instead such term is used as a matter of custom, and is intended to create or reflect only an administrative relationship between contracting parties.

(c) Conflicting Provisions. This Section shall supersede any provisions in Section 9.02 to the contrary.

ARTICLE III

Representations and Warranties

Each Borrower represents and warrants to the Lenders on the Effective Date and each other date a Loan is made (excluding the conversion or continuation of any Loan) or Letter of Credit is issued pursuant to Section 4.02 that:

SECTION 3.01. Organization; Powers; Subsidiaries. (a) Each of the Company and its Significant Subsidiaries is duly organized, validly existing and in good standing (to the extent such concept is applicable in the relevant jurisdiction) under the laws of the jurisdiction of its organization, has all requisite power and authority to carry on its business as now conducted and, except where the failure to do so, individually or in the aggregate, would not reasonably be expected to result in a Material Adverse Effect, is qualified to do business in, and is in good standing (to the extent such concept is applicable) in, every jurisdiction where such qualification is required.

(b) With respect to any Foreign Subsidiary Borrower organized under the laws of Luxembourg, (i) the central administration (*administration centrale*) and the “centre of main interests” (as that term is used in the Council Regulation (EC) n°1346/2000 of May 29, 2000 on insolvency proceedings) of such Foreign Subsidiary Borrower is in Luxembourg and (ii) such Foreign Subsidiary Borrower has no “establishment” (as that term is used in the Council Regulation (EC) n°1346/2000 of May 29, 2000 on insolvency proceedings) outside Luxembourg.

SECTION 3.02. Authorization; Enforceability. The Transactions are within each Borrower’s organizational powers and have been duly authorized by all necessary organizational actions and, if required, actions by equity holders. Each Loan Document has been duly executed and delivered by each Borrower which is a party thereto and constitutes a legal, valid and binding obligation of such Borrower, enforceable in accordance with its terms, subject to applicable bankruptcy, insolvency, reorganization, liquidation, reconstruction, moratorium or other laws affecting creditors’ rights generally and subject to general principles of equity, regardless of whether considered in a proceeding in equity or at law and except to the extent that availability of the remedy of specific performance or injunctive relief is subject to the discretion of the court before which any proceeding therefor may be brought.

SECTION 3.03. Governmental Approvals; No Conflicts. The Transactions (a) do not require any consent or approval of, registration or filing with, or any other action by, any Governmental Authority, except such as have been obtained or made and are in full force and effect, (b) will not violate any applicable law or regulation or the charter, by-laws or other organizational documents of the Company or any other Borrower or any order of any Governmental Authority, (c) will not violate or result in a default under any indenture or any material agreement or other material instrument binding upon the Company or its assets and

(d) will not result in the creation or imposition of any Lien on any asset of the Company or any of its Subsidiaries, that, in the case of clauses (c) and (d), would in the aggregate reasonably be expected to result in a Material Adverse Effect.

SECTION 3.04. Financial Condition; No Material Adverse Change. (a) The Company has heretofore furnished to the Lenders its consolidated balance sheet and statements of income, stockholders equity and cash flows (i) as of and for the Fiscal Year ended July 3, 2021, reported on by Deloitte & Touche, LLP, independent public accountants, and (ii) as of and for the Fiscal Quarters ended October 2, 2021 and January 1, 2022, in each case,

certified by its chief financial officer. Such financial statements present fairly, in all material respects, the financial position and results of operations and cash flows of the Company and its consolidated Subsidiaries as of such dates and for such periods in accordance with GAAP, subject to year-end audit adjustments and the absence of footnotes in the case of the statements referred to in clause (ii) above.

(b) Since July 3, 2021, there has been no material adverse change in the business, operations, property or financial condition of the Company and its Subsidiaries, taken as a whole.

SECTION 3.05. Properties. (a) Except as set forth on Schedule 3.05, each of the Company and its Subsidiaries has good title to, or valid leasehold interests in, all its real and personal property material to the operation of its business, except for minor defects in title that do not interfere with its ability to conduct its business as currently conducted or to utilize such properties for their intended purposes or such other defects as, in the aggregate, would not reasonably be expected to result in a Material Adverse Effect.

(b) Each of the Company and its Subsidiaries owns, or is licensed to use, all trademarks, tradenames, copyrights, patents and other intellectual property material to its business, and the use thereof by the Company and its Subsidiaries does not infringe upon the rights of any other Person, except for any such infringements that, individually or in the aggregate, would not reasonably be expected to result in a Material Adverse Effect.

SECTION 3.06. Litigation. Except as set forth on Schedule 3.06, there are no actions, suits or proceedings by or before any arbitrator or Governmental Authority pending against or, to the best knowledge of any Borrower, threatened against or affecting the Company or any of its Subsidiaries (i) which would reasonably be expected, individually or in the aggregate, to result in a Material Adverse Effect (except for litigation disclosed prior to the Effective Date in reports publicly filed by the Company under the Securities Exchange Act of 1934, as amended) or (ii) that involve this Agreement or, as of the Effective Date, the Transactions.

SECTION 3.07. Investment Company Status. No Borrower is an “investment company” as defined in, or subject to regulation under, the Investment Company Act of 1940.

SECTION 3.08. Taxes. Each of the Company and its Subsidiaries has timely filed or caused to be filed all Tax returns and reports required to have been filed and has paid or caused to be paid all Taxes required to have been paid by it, except (a) Taxes that are being contested in good faith by appropriate proceedings and for which the Company or such Subsidiary, as applicable, has set aside on its books adequate reserves to the extent required by GAAP or (b) to the extent that the failure to do so would not reasonably be expected to result in a Material Adverse Effect.

SECTION 3.09. ERISA. (i) Except as would not reasonably be expected to result in a Material Adverse Effect, each Plan is in compliance with the applicable provisions of ERISA and the provisions of the Code relating to Plans and the regulations and published interpretations thereunder, and each Foreign Plan is in compliance with applicable non-United States law and regulations thereunder, (ii) no ERISA Event has occurred or is reasonably expected to occur that, when taken together with all other such ERISA Events for which liability is reasonably expected to occur, would reasonably be expected to result in a Material Adverse Effect and (iii) no Borrower will be using “plan assets” (within the meaning of 29 CFR § 2510.3-101, as modified by Section 3(42) of ERISA) of one or more Benefit Plans in connection with the Loans, the Letters of Credit or the Commitments.

SECTION 3.10. Disclosure.

(a) All of the reports, financial statements and certificates furnished by or on behalf of any Borrower to the Administrative Agent or any Lender in connection with the negotiation of this

Agreement or hereafter delivered hereunder or reports filed pursuant to the Securities Exchange Act of 1934, as amended (as modified or supplemented by other information so furnished prior to the date on which this representation and warranty is made or deemed made) do not contain any material misstatement of fact or omit to state any material fact necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading; provided that, with respect to projected financial information, the Company and the other Borrowers represent only that such information was prepared in good faith based upon assumptions believed to be reasonable at the time.

(b) As of the Effective Date, the information included in the Beneficial Ownership Certification, if applicable, is true and correct in all material respects.

SECTION 3.11. Federal Reserve Regulations. No part of the proceeds of any Loan have been used or will be used, whether directly or indirectly, for any purpose that entails a violation of any of the Regulations of the Board, including Regulations T, U and X.

SECTION 3.12. No Default. No Default or Event of Default has occurred and is continuing.

SECTION 3.13. Anti-Corruption Laws and Sanctions. The Company has implemented and maintains in effect policies and procedures reasonably designed to ensure compliance in all material respects by the Company, its Subsidiaries and their respective directors, officers, employees and agents with Anti-Corruption Laws and applicable Sanctions, and the Company, its Subsidiaries and their respective officers and employees and to the knowledge of the Company its directors and agents, are in compliance with Anti-Corruption Laws and applicable Sanctions in all material respects. None of (a) the Company, any Subsidiary or to the knowledge of the Company or such Subsidiary any of their respective directors, officers or employees, or (b) to the knowledge of the Company, any agent of the Company or any Subsidiary that will act in any capacity in connection with or benefit from the credit facilities established hereby, is a Sanctioned Person.

SECTION 3.14. Solvency. On the Amendment No. 1 Effective Date, the Company and its Subsidiaries, on a consolidated basis, are Solvent.

SECTION 3.15. Use of Proceeds. No Borrower will, directly or, to its knowledge, indirectly, use any part of the proceeds of any Loan in violation of (i) any Anti-Corruption Laws, (ii) applicable Sanctions, or (iii) the Act.

SECTION 3.16. EEA Financial Institutions. No Borrower is an EEA Financial Institution.

ARTICLE IV

Conditions

SECTION 4.01. Effective Date. This Agreement shall become effective on and as of the first date on which each of the following conditions precedent is satisfied (or waived in accordance with Section 9.02):

(a) The Administrative Agent (or its counsel) shall have received from each party hereto a counterpart of this Agreement signed on behalf of such party.

(b) The Administrative Agent shall have received (i) all documentation and other information relating to each Borrower reasonably requested by the Administrative Agent and any Lenders at least three (3) Business Days prior to the Effective Date under applicable “know your customer” and anti-money laundering rules and regulations including, without limitation, the Act, in each case to the extent requested in writing at least ten days prior to the Effective Date and (ii) a Beneficial Ownership Certification in relation to any Borrower that qualifies as a “legal entity customer” under the Beneficial Ownership Regulation as requested by the Administrative Agent and any Lenders.

(c) The Administrative Agent shall have received a certificate dated the Effective Date and signed by an executive officer of the Company, confirming (i) the representations and warranties of the Company set forth in this Agreement are true and correct in all material respects on and as of the Effective Date (except to the extent any such representation and warranty relates to an earlier date) (provided any such representations that are qualified by materiality, material adverse effect or language of similar effect shall be true and correct in all respects as of the Effective Date) and (ii) with respect to the Existing Credit Agreement, all revolving loan commitments thereunder have been terminated in full and all revolving loans thereunder have been repaid in full.

(d) The Administrative Agent shall have received copies, certified by the Secretary or Assistant Secretary of each Borrower (or if such Borrower has not appointed a Secretary or Assistant Secretary, any executive officer of such Borrower), of its Board of Directors’ resolutions approving this Agreement and any other Loan Documents to which such Borrower is becoming a party and such documents and certificates as the Administrative Agent or its counsel may reasonably request relating to the organization, existence and good standing of such Borrower.

(e) The Administrative Agent shall have received an incumbency certificate, executed by the Secretary or Assistant Secretary of such Borrower (or if such Borrower has not appointed a Secretary or Assistant Secretary, any executive officer of such Borrower), which shall identify by name and title and bear the signature of the officers of such Borrower authorized to request Borrowings hereunder and sign this Agreement and the other Loan Documents to which such Borrower is becoming a party, upon which certificate the Administrative Agent and the Lenders shall be entitled to rely until informed of any change in writing by the Company or such Borrower.

(f) The Administrative Agent shall have received opinions of counsel to the Borrowers, in form and substance reasonably satisfactory to the Administrative Agent and its counsel, with respect to the laws of its jurisdiction of organization and such other matters as are reasonably requested by counsel to the Administrative Agent.

(g) The Administrative Agent shall have received any promissory notes requested by any Lender at least three Business Days in advance of the Effective Date.

(h) To the extent invoiced three (3) Business Days prior to the Effective Date, the Administrative Agent shall have received all fees and other amounts due and payable hereunder and under the Facilities Commitment Letter and the Facilities Fee Letters on or prior to the Effective Date, including the reimbursement or payment of all out-of-pocket expenses required to be reimbursed or paid by the Borrowers hereunder and under the Facilities Commitment Letter and the Facilities Fee Letters.

SECTION 4.02. Each Credit Event. The obligation of each Lender to make a Loan on the occasion of any Borrowing (except for any conversion or continuation of any Loan), and of the Issuing Banks to issue, amend, renew or extend any Letter of Credit, is subject to the satisfaction of the following conditions:

(a) The Effective Date shall have occurred.

(b) The representations and warranties of the Borrowers set forth in this Agreement (other than Sections 3.04(b) and 3.06) shall be true and correct on and as of the date of such Borrowing or the date of issuance, amendment, renewal or extension of such Letter of Credit, as applicable.

(c) At the time of and immediately after giving effect to such Borrowing or the issuance, amendment, renewal or extension of such Letter of Credit, as applicable, no Default or Event of Default shall have occurred and be continuing.

(d) The Administrative Agent shall have received a duly executed Borrowing Request complying with the terms of Section 2.03.

Each Borrowing and each issuance, amendment, renewal or extension of a Letter of Credit shall be deemed to constitute a representation and warranty by the Borrowers on the date thereof as to the matters specified in paragraphs (b) and (c) of this Section.

SECTION 4.03. Designation of a Foreign Subsidiary Borrower. The designation of a Foreign Subsidiary Borrower pursuant to Section 2.23 is subject to the condition precedent that the Company or such proposed Foreign Subsidiary Borrower shall have furnished or caused to be furnished to the Administrative Agent:

ARTICLE VIII

The Administrative Agent and the Sustainability Agent

Each of the Lenders and the Issuing Banks hereby irrevocably appoints the Administrative Agent and the Sustainability Agent as its agent and authorizes the Administrative Agent and the Sustainability Agent to take such actions on its behalf, including execution of the other Loan Documents, and to exercise such powers as are delegated to the Administrative Agent and the Sustainability Agent by the terms of the Loan Documents, together with such actions and powers as are reasonably incidental thereto. The provisions of this Article are solely for the benefit of the Administrative Agent, the Sustainability Agent, the Lenders and the Issuing Banks, and except with respect to the second sentence in the penultimate paragraph of this Article VIII, neither the Company nor any other Borrower shall have rights as a third party beneficiary of any of such provisions.

The banks serving as the Administrative Agent and the Sustainability Agent hereunder shall have the same rights and powers in its capacity as a Lender as any other Lender and may exercise the same as though it were not the Administrative Agent or the Sustainability Agent, and such bank and its Affiliates may accept deposits from, lend money to and generally engage in any kind of business with the Company or any Subsidiary or other Affiliate thereof as if it were not the Administrative Agent or the Sustainability Agent hereunder.

Neither the Administrative Agent nor the Sustainability Agent shall have any duties or obligations except those expressly set forth in the Loan Documents. Without limiting the generality of the foregoing, (a) neither the Administrative Agent nor the Sustainability Agent shall be subject to any fiduciary or other implied duties, regardless of whether a Default has occurred and is continuing, (b) neither the Administrative Agent nor the Sustainability Agent shall have any duty to take any discretionary action or exercise any discretionary powers, except discretionary rights and powers expressly contemplated by the Loan Documents that the Administrative Agent or the Sustainability Agent, as applicable, is required to exercise in writing as directed by the Required Lenders (or such other number or percentage of the Lenders as shall be necessary under the circumstances as provided in Section 9.02); provided that neither the Administrative Agent nor the Sustainability Agent shall be required to take any action that, in its opinion or the opinion of its counsel, may expose the Administrative Agent or the Sustainability Agent to liability or that is contrary to any Loan Document or applicable law, including for the avoidance of doubt any action that may be in violation of the automatic stay under any debtor relief law or other insolvency law or that may effect a forfeiture, modification or termination of property of a Defaulting Lender in violation of any such debtor relief law or insolvency law; and (c) except as expressly set forth in the Loan Documents, neither the Administrative Agent shall not have any duty to disclose, and shall not be liable for the failure to disclose, any information relating to the Company or any of its Subsidiaries that is communicated to or obtained by the bank serving as Administrative Agent or any of its Affiliates in any capacity. The Administrative Agent nor the Sustainability Agent shall be liable for any action taken or not taken by it with the consent or at the request of the Required Lenders (or such other number or percentage of the Lenders as shall be necessary under the circumstances as provided in Section 9.02) or in the absence of its own gross negligence, bad faith or willful misconduct. The Administrative Agent shall be deemed not to have knowledge of any Default unless and until written notice thereof is given to the Administrative Agent by the Company or a Lender, and neither the Administrative Agent nor the Sustainability Agent shall be responsible for or have any duty to ascertain or inquire into (i) any statement, warranty or representation made in or in connection with any Loan Document, (ii) the contents of any certificate, report or other document delivered hereunder or in connection with any Loan Document, (iii) the performance or observance of any of the covenants, agreements or other terms or conditions set forth in any Loan Document, (iv) the validity, enforceability, effectiveness or genuineness of any Loan Document or any other agreement, instrument or document or (v) the satisfaction of any condition set forth in Article IV or elsewhere in any Loan Document, other than to confirm receipt of items expressly required to be delivered to the Administrative Agent. In determining compliance with any condition hereunder to the making of a Loan, or the issuance, extension, renewal or increase of a Letter of Credit, that by its terms must be fulfilled to the satisfaction of a Lender or the applicable Issuing Bank, the Administrative Agent may presume that

such condition is satisfactory to such Lender or the applicable Issuing Bank unless the Administrative Agent shall have received notice to the contrary from such Lender or the applicable Issuing Bank prior to the making of such Loan or the issuance of such Letter of Credit. In determining compliance with any condition hereunder to the making of a Loan, or the issuance, extension, renewal or increase of a Letter of Credit, that by its terms must be fulfilled to the satisfaction of a Lender or the applicable Issuing Bank, the Administrative Agent may presume that such condition is satisfactory to such Lender or the applicable Issuing Bank unless the Administrative Agent shall have received notice to the contrary from such Lender or the applicable Issuing Bank prior to the making of such Loan or the issuance of such Letter of Credit.

The Administrative Agent and the Sustainability Agent shall be entitled to rely upon, and shall not incur any liability for relying upon, any notice, request, certificate, consent, statement, instrument, document or other writing believed by it to be genuine and to have been signed or sent by the proper Person. The Administrative Agent and the Sustainability Agent also may rely upon any statement made to it orally or by telephone and believed by it to be made by the proper Person, and shall not incur any liability for relying thereon. The Administrative Agent and the Sustainability Agent may consult with legal counsel (who may be counsel for the Company), independent accountants and other experts selected by it, and shall not be liable for any action taken or not taken by it in accordance with the advice of any such counsel, accountants or experts.

The Administrative Agent and the Sustainability Agent may perform any and all its duties and exercise its rights and powers by or through any one or more sub-agents appointed by the Administrative Agent or the Sustainability Agent, as applicable. The Administrative Agent, the Sustainability Agent and any such sub-agent may perform any and all its duties and exercise its rights and powers through their respective Related Parties. The exculpatory provisions of the preceding paragraphs shall apply to any such sub-agent and to the Related Parties of the Administrative Agent, the Sustainability Agent and any such sub-agent, and shall apply to their respective activities in connection with the syndication of the credit facilities provided for herein as well as activities as Administrative Agent and Sustainability Agent.

Subject to the appointment and acceptance of a successor Administrative Agent as provided in this paragraph, the Administrative Agent may resign at any time by giving thirty (30) days' prior written notice thereof to the Lenders, the Issuing Banks and the Company. Upon any such resignation, the Required Lenders shall have the right, in consultation with the Company and, so long as no Event of Default pursuant to paragraph (a), (b), (h) or (i) under Article VII has occurred and is continuing, with the Company's prior written consent, to appoint a successor. If no successor shall have been so appointed by the Required Lenders and shall have accepted such appointment within thirty (30) days after the retiring Administrative Agent gives notice of its resignation, then the retiring Administrative Agent may, on behalf of the Lenders and the Issuing Banks, appoint a successor Administrative Agent which shall be a bank with an office in New York, New York, or an Affiliate of any such bank. Whether or not a successor has been appointed, such resignation shall become effective in accordance with such notice. Upon the acceptance of its appointment as Administrative Agent hereunder by a successor, such successor shall succeed to and become vested with all the rights, powers, privileges and duties of the retiring Administrative Agent, and the retiring Administrative Agent shall be discharged from its duties and obligations hereunder. The fees payable by any Borrower to a successor Administrative Agent shall be the same as those payable to its predecessor unless otherwise agreed between such Borrower and such successor. After the Administrative Agent's resignation hereunder, the provisions of this Article and Section 9.03 shall continue in effect for the benefit of such retiring Administrative Agent, its sub-agents and their respective Related Parties in respect of any actions taken or omitted to be taken by any of them while it was acting as Administrative Agent.

Any resignation by Bank of America, N.A. as Administrative Agent pursuant to this Section shall also constitute its resignation as an Issuing Bank and Swingline Lender. If Bank of America, N.A. resigns as an Issuing Bank, it shall retain all the rights, powers, privileges and duties of an Issuing Bank hereunder with respect to all Letters of Credit outstanding and issued by it as of the effective date of its resignation as Issuing Bank and all LC Exposure with respect thereto, including the right to require the Lenders to fund risk participations in unreimbursed LC Disbursements pursuant to Section 2.06(e). If Bank

of America, N.A. resigns as Swingline Lender, it shall retain all the rights of the Swingline Lender provided for hereunder with respect to Swingline Loans made by it and outstanding as of the effective date of such resignation, including the right to require the Lenders to fund risk participations in outstanding Swingline Loans pursuant to Section 2.05(c). Upon the appointment by the Company of a successor Issuing Bank or Swingline Lender hereunder (which successor shall in all cases be a Lender other than a Defaulting Lender), (a) such successor shall succeed to and become vested with all of the rights, powers, privileges and duties of the retiring Issuing Bank or Swingline Lender, as applicable, (b) the retiring Issuing Bank and Swingline Lender shall be discharged from all of their respective duties and obligations hereunder or under the other Loan Documents, and (c) the successor Issuing Bank shall issue letters of credit in substitution for the Letters of Credit, if any, outstanding at the time of such succession or make other arrangements satisfactory to Bank of America, N.A. to effectively assume the obligations of Bank of America, N.A. with respect to such Letters of Credit.

The Sustainability Agent may at any time give notice of its resignation to the Company and the Lenders.

Each Lender acknowledges and agrees that the extensions of credit made hereunder are commercial loans and letters of credit and not investments in a business enterprise or securities. Each Lender further represents that it is engaged in making, acquiring or holding commercial loans in the ordinary course of its business and has, independently and without reliance upon the Administrative Agent, the Sustainability Agent or any other Lender and based on such documents and information as it has deemed appropriate, made its own credit analysis and decision to enter into this Agreement as a Lender, and to make, acquire or hold Loans hereunder. Each Lender also acknowledges that it will, independently and without reliance upon the Administrative Agent, the Sustainability Agent or any other Lender and based on such documents and information (which may contain material, non-public information within the meaning of the United States securities laws concerning the Company and its Affiliates) as it shall from time to time deem appropriate, continue to make its own decisions in taking or not taking action under or based upon this Agreement, any other Loan Document or any related agreement or any document furnished hereunder or thereunder and in deciding whether or to the extent to which it will continue as a lender or assign or otherwise transfer its rights, interests and obligations hereunder.

None of the Lenders, if any, identified in this Agreement as a Lead Arranger, Co-Syndication Agent or Co-Documentation Agent shall have any right, power, obligation, liability, responsibility or duty under this Agreement other than those applicable to all Lenders as such. Without limiting the foregoing, none of such Lenders shall have or be deemed to have a fiduciary relationship with any Lender. Each Lender hereby makes the same acknowledgments with respect to the relevant Lenders in their respective capacities as Lead Arrangers, Co-Syndication Agents or Co-Documentation Agents, as applicable, as it makes with respect to the Administrative Agent and the Sustainability Agent in the preceding paragraph.

The Lenders are not partners or co-venturers, and no Lender shall be liable for the acts or omissions of, or (except as otherwise set forth herein in case of the Administrative Agent and the Sustainability Agent) authorized to act for, any other Lender. The Administrative Agent shall have the exclusive right on behalf of the Lenders to enforce the payment of the principal of and interest on any Loan after the date such principal or interest has become due and payable pursuant to the terms of this Agreement.

Each Lender and each Issuing Bank expressly acknowledges that none of the Administrative Agent, the Sustainability Agent nor any Lead Arranger has made any representation or warranty to it, and that no act by the Administrative Agent, the Sustainability Agent or any Lead Arranger hereafter taken, including any consent to, and acceptance of any assignment or review of the affairs of any Borrowers of any Affiliate thereof, shall be deemed to constitute any representation or warranty by the Administrative Agent, the Sustainability Agent or any Lead Arranger to any Lender or each Issuing Bank as to any matter, including whether the Administrative Agent, the Sustainability Agent or any Lead Arranger have disclosed material information in their (or their Related Parties') possession. Each Lender and each Issuing Bank represents to the Administrative Agent, the Sustainability Agent and any Lead Arranger that it has, independently and without reliance upon the Administrative Agent, the Sustainability Agent, any Lead

Arranger, any other Lender or any of their Related Parties and based on such documents and information as it has deemed appropriate, made its own credit analysis of, appraisal of, and investigation into, the business, prospects, operations, property, financial and other condition and creditworthiness of the Borrowers and their Subsidiaries, and all applicable bank or other regulatory laws relating to the transactions contemplated hereby, and made its own decision to enter into this Agreement and to extend credit to the Borrowers hereunder. Each Lender and each Issuing Bank also acknowledges that it will, independently and without reliance upon the Administrative Agent, the Sustainability Agent, any Lead Arranger, any other Lender or any of their Related Parties and based on such documents and information as it shall from time to time deem appropriate, continue to make its own credit analysis, appraisals and decisions in taking or not taking action under or based upon this Agreement, any other Loan Document or any related agreement or any document furnished hereunder or thereunder, and to make such investigations as it deems necessary to inform itself as to the business, prospects, operations, property, financial and other condition and creditworthiness of the Borrowers. Each Lender and each Issuing Bank represents and warrants that (i) the Loan Documents set forth the terms of a commercial lending facility and (ii) it is engaged in making, acquiring or holding commercial loans in the ordinary course and is entering into this Agreement as a Lender or Issuing Bank for the purpose of making, acquiring or holding commercial loans and providing other facilities set forth herein as may be applicable to such Lender or Issuing Bank, and not for the purpose of purchasing, acquiring or holding any other type of financial instrument, and each Lender and each Issuing Bank agrees not to assert a claim in contravention of the foregoing. Each Lender and each Issuing Bank represents and warrants that it is sophisticated with respect to decisions to make, acquire and/or hold commercial loans and to provide other facilities set forth herein, as may be applicable to such Lender or such Issuing Bank, and either it, or the Person exercising discretion in making its decision to make, acquire and/or hold such commercial loans or to provide such other facilities, is experienced in making, acquiring or holding such commercial loans or providing such other facilities.

(iii) if to any other Lender or Issuing Bank, to it at its address (or teletype number) set forth in its Administrative Questionnaire.

Notices sent by hand or overnight courier service, or mailed by certified or registered mail, shall be deemed to have been given when received; notices sent by facsimile shall be deemed to have been given when sent (except that, if not given during normal business hours for the recipient, shall be deemed to have been given at the opening of business on the next business day for the recipient). Notices delivered through Electronic Systems, to the extent provided in paragraph (b) below, shall be effective as provided in said paragraph (b).

(b) Notices and other communications to the Lenders and the Issuing Banks hereunder may be delivered or furnished by using Electronic Systems pursuant to procedures approved by the Administrative Agent; provided that the foregoing shall not apply to notices pursuant to Article II unless otherwise agreed by the Administrative Agent and the applicable Lender. The Administrative Agent or the Company may, in its discretion, agree to accept notices and other communications to it hereunder by electronic communications pursuant to procedures approved by it; provided that approval of such procedures may be limited to particular notices or communications.

Unless the Administrative Agent otherwise prescribes, (i) notices and other communications sent to an e-mail address shall be deemed received upon the sender's receipt of an acknowledgement from the intended recipient (such as by the "return receipt requested" function, as available, return e-mail or other written acknowledgement), and (ii) notices or communications posted to an Internet or intranet website shall be deemed received upon the deemed receipt by the intended recipient, at its e-mail address as described in the foregoing clause (i), of notification that such notice or communication is available and identifying the website address therefor; provided that, for both clauses (i) and (ii) above, if such notice, email or other communication is not sent during the normal business hours of the recipient, such notice or communication shall be deemed to have been sent at the opening of business on the next business day for the recipient.

(c) Any party hereto may change its address or teletype number for notices and other communications hereunder by notice to the other parties hereto. All notices and other communications given to any party hereto in accordance with the provisions of this Agreement shall be deemed to have been given on the date of receipt.

(d) Electronic Systems.

(i) The Company agrees that the Administrative Agent may, but shall not be obligated to, make Communications (as defined below) available to the Issuing Banks and the other Lenders by

posting the Communications on Debt Domain, Intralinks, SyndTrak, ClearPar or a substantially similar Electronic System.

(ii) Any Electronic System used by the Administrative Agent is provided “as is” and “as available.” The Agent Parties (as defined below) do not warrant the adequacy of such Electronic Systems and expressly disclaim liability for errors or omissions in the Communications. No warranty of any kind, express, implied or statutory, including, without limitation, any warranty of merchantability, fitness for a particular purpose, non-infringement of third-party rights or freedom from viruses or other code defects, is made by any Agent Party in connection with the Communications or any Electronic System. In no event shall the Administrative Agent or any of its Related Parties (collectively, the “Agent Parties”) have any liability to any Borrower, any Lender, any Issuing Bank or any other Person or entity for damages of any kind, including, without limitation, direct or indirect, special, incidental or consequential damages, losses or expenses (whether in tort, contract or otherwise) arising out of any Borrower’s or the Administrative Agent’s transmission of Communications through an Electronic System. “Communications” means, collectively, any notice, demand, communication, information, document or other material provided by or on behalf of any Borrower pursuant to any Loan Document or the transactions contemplated therein which is distributed by the Administrative Agent, any Lender or any Issuing Bank by means of electronic communications pursuant to this Section, including through an Electronic System.

SECTION 9.02. Waivers; Amendments. (a) No failure or delay by the Administrative Agent, any Issuing Bank or any Lender in exercising any right or power hereunder or under any other Loan Document shall operate as a waiver thereof, nor shall any single or partial exercise of any such right or power, or any abandonment or discontinuance of steps to enforce such a right or power, preclude any other or further exercise thereof or the exercise of any other right or power. The rights and remedies of the Administrative Agent, the Issuing Banks and the Lenders hereunder and under the other Loan Documents are cumulative and are not exclusive of any rights or remedies that they would otherwise have. No waiver of any provision of this Agreement or consent to any departure by any Borrower therefrom shall in any event be effective unless the same shall be permitted by paragraph (b) of this Section, and then such waiver or consent shall be effective only in the specific instance and for the purpose for which given. Without limiting the generality of the foregoing, the making of a Loan or issuance of a Letter of Credit shall not be construed as a waiver of any Default, regardless of whether the Administrative Agent, any Lender or any Issuing Bank may have had notice or knowledge of such Default at the time.

(b) Except as provided in Sections 2.20 or 2.25 with respect to the extension of any Maturity Date, neither this Agreement nor any provision hereof may be waived, amended or modified except pursuant to an agreement or agreements in writing entered into by the Borrowers and the Required Lenders or by the Borrowers and the Administrative Agent with the consent of the Required Lenders; provided that no such agreement shall (i) increase the Commitment of any Lender without the written consent of such Lender, (ii) reduce the principal amount of any Loan or LC Disbursement or reduce the rate of interest thereon, or reduce any fees payable hereunder, without the written consent of each Lender directly affected thereby, provided that (x) any amendment or modification to the financial covenants in this Agreement (or the defined terms used in the financial covenants to this Agreement) shall not constitute a reduction in the rate of interest or fees for purposes of this clause (ii) even if the effect of such amendment or modification would be to reduce the rate of interest on any Loan or any LC Disbursement or to reduce any fee payable hereunder and (y) that only the consent of the Required Lenders shall be necessary to reduce or waive any obligation of the Borrowers to pay interest or fees at the applicable default rate set forth in Section 2.13(c), (iii) postpone the scheduled date of payment of the principal amount of any Loan or LC Disbursement, or any interest thereon, or any fees payable hereunder, or reduce the amount of, waive or excuse any such payment, or postpone the scheduled date of expiration of any Commitment, without the written consent of each Lender directly affected thereby, (iv) change Section 2.18(b) or (d) in a manner that would alter the pro rata sharing of payments required thereby, without the written consent of each Lender,

(v) change any of the provisions of this Section or the definition of “Required Lenders” or any other provision hereof specifying the number or percentage of Lenders required to waive, amend or modify any rights hereunder or make any determination or grant any consent hereunder, without the written consent of each Lender, or (vi) release the Company from its obligations under Article X without the written

consent of each Lender; provided further that (1) no such agreement shall amend, modify or otherwise affect the rights or duties of the Administrative Agent, any Issuing Bank or the Swingline Lender hereunder without the prior written consent of the Administrative Agent, such Issuing Bank or the Swingline Lender, as the case may be (it being understood that any change to Section 2.24 shall require the consent of the Administrative Agent, each Issuing Bank and the Swingline Lender) and (2) no amendment, waiver or consent hereunder may affect one Class of the Lenders' Loans or Commitments more adversely vis-a-vis the other Class without the consent of the Lenders having a majority interest of the outstanding principal of Loans and Commitments of such adversely affected Class, as applicable. Notwithstanding the foregoing, no consent with respect to any amendment, waiver or other modification of this Agreement shall be required of any Defaulting Lender, except with respect to any amendment, waiver or other modification referred to in clause (i), (ii) or (iii) of the first proviso of this paragraph and then only in the event such Defaulting Lender shall be directly affected by such amendment, waiver or other modification.

(c) [Intentionally Omitted].

(d) If, in connection with any proposed amendment, waiver or consent requiring the consent of "each Lender" or "each Lender directly affected thereby," the consent of the Required Lenders is obtained, but the consent of other necessary Lenders is not obtained (any such Lender whose consent is necessary but not obtained being referred to herein as a "Non-Consenting Lender"), then the Company may elect to replace a Non-Consenting Lender as a Lender party to this Agreement, provided that, concurrently with such replacement, (i) another bank or other entity which is reasonably satisfactory to the Company and the Administrative Agent shall agree, as of such date, to purchase for cash the Loans and other Obligations due to the Non-Consenting Lender pursuant to an Assignment and Assumption and to become a Lender for all purposes under this Agreement and to assume all obligations of the Non-Consenting Lender to be terminated as of such date and to comply with the requirements of clause (b) of Section 9.04, and

(ii) each Borrower shall pay to such Non-Consenting Lender in same day funds on the day of such replacement (1) all interest, fees and other amounts then accrued but unpaid to such Non-Consenting Lender by such Borrower hereunder to and including the date of termination, including without limitation payments due to such Non-Consenting Lender under Sections 2.15 and 2.17, and (2) an amount, if any, equal to the payment which would have been due to such Lender on the day of such replacement under Section 2.16 had the Loans of such Non-Consenting Lender been prepaid on such date rather than sold to the replacement Lender.

(e) Notwithstanding anything to the contrary herein the Administrative Agent may, with the consent of the Borrowers only, amend, modify or supplement this Agreement or any of the other Loan Documents to cure any ambiguity, omission, mistake, defect or inconsistency.

SECTION 9.03. Expenses; Indemnity; Damage Waiver. (a) The Company shall pay (i) all reasonable out-of-pocket expenses incurred by the Administrative Agent and its Affiliates, including the reasonable fees, charges and disbursements of one primary counsel for the Administrative Agent and one local counsel in each applicable jurisdiction, in connection with the syndication and distribution (including, without limitation, via the internet or through a service such as Intralinks or SyndTrak) of the credit facilities provided for herein, the preparation and administration of this Agreement and the other Loan Documents or any amendments, modifications or waivers of the provisions hereof or thereof (whether or not the transactions contemplated hereby or thereby shall be consummated) (provided, however, that if the Effective Date does not occur, the Company shall not be required to reimburse the Administrative Agent and its Affiliates for any such expenses (other than such legal fees)), (ii) all reasonable out-of-pocket expenses incurred by the Issuing Banks in connection with the issuance, amendment, renewal or extension of any Letter of Credit or any demand for payment thereunder and (iii) all out-of-pocket expenses incurred by the Administrative Agent, any Issuing Bank or any Lender, including the reasonable fees, charges and disbursements of one primary counsel and of any special and local counsel for the Administrative Agent and the Issuing Banks and one additional counsel for all Lenders other than the Administrative Agent and additional counsel in light of actual or potential conflicts of interest or the availability of different claims or defenses, in connection with the enforcement or protection of its rights in connection with this Agreement and any other Loan Document, including its rights under this Section, or in

connection with the Loans made or Letters of Credit issued hereunder, including all such out-of-pocket expenses incurred during any workout, restructuring or negotiations in respect of such Loans or Letters of Credit.

(b) The Company shall indemnify the Administrative Agent, each Issuing Bank and each Lender, and each Related Party of any of the foregoing Persons (each such Person being called an “Indemnitee”) against, and hold each Indemnitee harmless from, any and all losses, claims, damages, liabilities and related expenses, including the fees, charges and disbursements of any counsel for any Indemnitee, incurred by or asserted against any Indemnitee arising out of, in connection with, or as a result of (i) the execution or delivery of any Loan Document or any agreement or instrument contemplated thereby, the performance by the parties hereto of their respective obligations thereunder or the consummation of the Transactions or any other transactions contemplated hereby, (ii) any Loan or Letter of Credit or the use of the proceeds therefrom (including any refusal by any Issuing Bank to honor a demand for payment under a Letter of Credit if the documents presented in connection with such demand do not strictly comply with the terms of such Letter of Credit), (iii) any actual or alleged presence or release of Hazardous Materials on or from any property owned, leased or operated by the Company or any of its Subsidiaries, or any Environmental Liability related in any way to the Company or any of its Subsidiaries, or (iv) any actual or prospective claim, litigation, investigation or proceeding relating to any of the foregoing, whether based on contract, tort or any other theory, whether brought by a third party or by the Company or any of its Subsidiaries, and regardless of whether any Indemnitee is a party thereto; provided that such indemnity shall not, as to any Indemnitee, be available to the extent that such losses, claims, damages, liabilities or related expenses are determined by a court of competent jurisdiction by final and nonappealable judgment to have resulted from (i) such Indemnitee’s gross negligence or willful misconduct, (ii) such Indemnitee’s material breach of its obligations under this Agreement and the other Loan Documents or (iii) any investigation, litigation, claim, proceeding or defense not involving an act or omission by the Company or any of its Affiliates and that is brought by an Indemnitee against another Indemnitee (other than in its capacity as a Joint Lead Arranger (or similar agent) or as the Administrative Agent). This Section 9.03(b) shall not apply with respect to Taxes other than any Taxes that represent losses, claims or damages arising from any non-Tax claim.

(c) To the extent that the Company fails to pay any amount required to be paid by it to the Administrative Agent, any Issuing Bank or the Swingline Lender under paragraph (a) or

(b) of this Section, each Lender severally agrees to pay to the Administrative Agent, and each Revolving Lender severally agrees to pay to such Issuing Bank or the Swingline Lender, as the case may be, such Lender’s Applicable Percentage (determined as of the time that the applicable unreimbursed expense or indemnity payment is sought) of such unpaid amount (it being understood that the Company’s failure to pay any such amount shall not relieve the Company of any default in the payment thereof); provided that the unreimbursed expense or indemnified loss, claim, damage, liability or related expense, as the case may be, was incurred by or asserted against the Administrative Agent, such Issuing Bank or the Swingline Lender in its capacity as such.

(d) To the extent permitted by applicable law, no Borrower shall assert, and each Borrower hereby waives, any claim against any Indemnitee (i) for any damages arising from the use by others of information or other materials obtained through telecommunications, electronic or other information transmission systems (including the Internet), or (ii) on any theory of liability, for special, indirect, consequential or punitive damages (as opposed to direct or actual damages) arising out of, in connection with, or as a result of, this Agreement, any other Loan Document or any agreement or instrument contemplated hereby or thereby, the Transactions, any Loan or Letter of Credit or the use of the proceeds thereof.

(e) All amounts due under this Section shall be payable not later than fifteen (15) days after written demand therefor.

SECTION 9.04. Successors and Assigns. (a) The provisions of this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns permitted hereby (including any Affiliate of any Issuing Bank that issues any Letter

of Credit), except that (i) no Borrower may assign or otherwise transfer any of its rights or obligations hereunder without the prior written consent of each Lender (and any attempted assignment or transfer by any Borrower without such consent shall be null and void) and (ii) no Lender may assign or otherwise transfer its rights or obligations hereunder except in accordance with this Section. Nothing in this Agreement, expressed or implied, shall be construed to confer upon any Person (other than the parties hereto, their respective successors and assigns permitted hereby (including any Affiliate of any Issuing Bank that issues any Letter of Credit), Participants (to the extent provided in paragraph (c) of this Section) and, to the extent expressly contemplated hereby, the Related Parties of each of the Administrative Agent, the Issuing Banks and the Lenders) any legal or equitable right, remedy or claim under or by reason of this Agreement.

(b) (i) Subject to the conditions set forth in paragraph (b)(ii) below, any Lender may assign to one or more Persons (other than an Ineligible Institution) all or a portion of its rights and obligations under this Agreement (including all or a portion of its Commitments and the Loans at the time owing to it) with the prior written consent (such consent not to be unreasonably withheld or delayed) of:

(A) the Company; provided, further, that (1) with respect to any assignments of Delayed Draw Term Loans, Delayed Draw Term Loan Commitments, Revolving Loans and Revolving Commitments, no consent of the Company shall be required for an assignment to a Lender, an Affiliate of a Lender, an Approved Fund, a Permitted Assignee or, if an Event of Default under paragraphs (a), (b), (h) or (i) under Article VII has occurred and is continuing, any other assignee; and (2) with respect to assignments of any Loans or Commitments hereunder, the Company's consent shall be deemed to have been provided if the Company shall not have responded to a written request therefor within five Business Days; and

(B) the Administrative Agent; and

(C) with respect to assignments of Revolving Loans and Revolving Commitments only, each Issuing Bank and the Swingline Lender.

(ii) Assignments shall be subject to the following additional conditions:

(A) except in the case of an assignment to a Lender, an Approved Fund, an Affiliate of a Lender or an assignment of the entire remaining amount of the assigning Lender's Commitment or Loans of any Class, the amount of the Commitment or Loans of the assigning Lender subject to each such assignment (determined as of the date the Assignment and Assumption with respect to such assignment is delivered to the Administrative Agent) shall not be less than \$5,000,000 (in the case of Revolving Commitments and Revolving Loans) or \$1,000,000 (in the case of a Delayed Draw Term Loan Commitments or Delayed Draw Term Loans) unless each of the Company and the Administrative Agent otherwise consent, provided that no such consent of the Company shall be required if an Event of Default under paragraphs (a), (b), (h) or (i) under Article VII has occurred and is continuing;

(B) each partial assignment shall be made as an assignment of a proportionate part of all the assigning Lender's rights and obligations under this Agreement, provided that this clause shall not be construed to prohibit the assignment of a proportionate part of all the assigning Lender's rights and obligations in respect of one Class of Commitments or Loans;

(C) the parties to each assignment shall execute and deliver to the Administrative Agent an Assignment and Assumption, together with a processing and recordation fee of \$3,500, such fee to be paid by either the assigning Lender or the assignee Lender or shared between such Lenders; and

(D) the assignee, if it shall not be a Lender, shall deliver to the Administrative Agent (i) any tax documentation required pursuant to Section 2.17(f) and (ii) an Administrative Questionnaire in which the assignee designates one or more credit contacts to whom all syndicate-level information (which may contain material non-public information about the Company and its affiliates and their Related Parties or their respective securities) will be made available and who may receive such information in accordance with the assignee's compliance procedures and applicable laws, including Federal and state securities laws.

(iii) Subject to acceptance and recording thereof pursuant to paragraph (b)(iv) of this Section, from and after the effective date specified in each Assignment and Assumption the assignee thereunder shall be a party hereto and, to the extent of the interest assigned by such Assignment and Assumption, have the rights and obligations of a Lender under this Agreement, and the assigning Lender thereunder shall, to the extent of the interest assigned by such Assignment and Assumption, be released from its obligations under this Agreement (and, in the case of an Assignment and Assumption covering all of the assigning Lender's rights and obligations under this Agreement, such Lender shall cease to be a party hereto but shall continue to be entitled to the benefits of Sections 2.15, 2.16, 2.17 and 9.03). Any assignment or transfer by a Lender of rights or obligations under this Agreement that does not comply with this Section 9.04 shall be treated for purposes of this Agreement as a sale by such Lender of a participation in such rights and obligations in accordance with paragraph (c) of this Section.

(iv) The Administrative Agent, acting for this purpose as an agent of each Borrower, shall maintain at one of its offices a copy of each Assignment and Assumption delivered to it and a register for the recordation of the names and addresses of the Lenders, and the Commitment of, and principal amount (and stated interest) of the Loans and LC Disbursements owing to, each Lender pursuant to the terms hereof from time to time (the "Register"). The entries in the Register shall be conclusive, and the Borrowers, the Administrative Agent, the Issuing Banks and the Lenders shall treat each Person whose name is recorded in the Register pursuant to the terms hereof as a Lender hereunder for all purposes of this Agreement, notwithstanding notice to the contrary.

The Register shall be available for inspection by the Company, any Issuing Bank and any Lender, at any reasonable time and from time to time upon reasonable prior notice.

(v) Upon its receipt of a duly completed Assignment and Assumption executed by an assigning Lender and an assignee, the assignee's completed Administrative Questionnaire (unless the assignee shall already be a Lender hereunder), the processing and recordation fee referred to in paragraph (b) of this Section and any written consent to such assignment required by paragraph (b) of this Section, the Administrative Agent shall accept such Assignment and Assumption and record the information contained therein in the Register; provided that if either the assigning Lender or the assignee shall have failed to make any payment required to be made by it pursuant to Section 2.05(c), 2.06(d) or (e), 2.07(b), 2.18(e) or 9.03(c), the Administrative Agent shall have no obligation to accept such Assignment and Assumption and record the information therein in the Register unless and until such payment shall have been made in full, together with all accrued interest thereon. No assignment shall be effective for purposes of this Agreement unless it has been recorded in the Register as provided in this paragraph.

(c) Any Lender may, without the consent of any Borrower, the Administrative Agent, the Issuing Banks or the Swingline Lender, sell participations to one or more banks or other entities (a "Participant"), other than an Ineligible Institution, in all or a portion of such Lender's rights and obligations under this Agreement (including all or a portion of its Commitment and the Loans owing to it); provided that (A) such Lender's obligations under this Agreement shall remain unchanged; (B) such Lender shall remain solely responsible to the other parties hereto for the performance of such obligations; and (C) the Borrowers, the Administrative Agent, the Issuing Banks and the other Lenders shall continue to deal solely and directly with such Lender in connection with such Lender's rights and obligations under this Agreement. Any agreement or instrument pursuant to which a Lender sells such a participation shall provide that such Lender shall retain the sole right to enforce this Agreement and to approve any amendment, modification or waiver of any provision of this Agreement; provided that such agreement or instrument may provide that such Lender will not, without the consent of the Participant, agree to any amendment, modification or waiver described in the first proviso to Section 9.02(b) that affects such Participant. Each Borrower agrees that each Participant shall be entitled to the benefits of Sections 2.15, 2.16 and 2.17 (subject to the requirements and limitations therein, including the requirements under Section 2.17(f) (it being understood that the documentation required under Section 2.17(f) shall be delivered to the participating Lender)) to the same extent as if it were a Lender and had acquired its interest by assignment pursuant to paragraph (b) of this Section; provided that such Participant (A) agrees to be subject to the provisions of Sections 2.18 and 2.19

as if it were an assignee under paragraph (b) of this Section; and (B) shall not be entitled to receive any greater payment under Sections 2.15 or 2.17, with respect to any participation, than its participating Lender would have been entitled to receive, except to the extent such entitlement to receive a greater payment results from a Change in Law that occurs after the Participant acquired the applicable participation. To the extent permitted by law, each Participant also shall be entitled to the benefits of Section 9.08 as though it were a Lender, provided such Participant agrees to be subject to Section 2.18(d) as though it were a Lender. Each Lender that sells a participation shall, acting solely for this purpose as a non-fiduciary agent of the Borrowers, maintain a register on which it enters the name and address of each Participant and the principal amounts (and stated interest) of each Participant's interest in the Loans or other obligations under the Loan Documents (the "Participant Register"); provided that no Lender shall have any obligation to disclose all or any portion of the Participant Register (including the identity of any Participant or any information relating to a Participant's interest in any Commitments, Loans, Letters of Credit or its other obligations under any Loan Document) to any Person except to the extent that such disclosure is necessary to establish that such Commitment, Loan, Letter of Credit or other obligation is in registered form under Section 5f.103-1(c) of the United States Treasury Regulations and Section 1.163-5(b) of the Proposed United States Treasury Regulations. The entries in the Participant Register shall be conclusive absent manifest error, and such Lender shall treat each Person whose name is recorded in the Participant Register as the owner of such participation for all purposes of this Agreement notwithstanding any notice to the contrary. For the avoidance of doubt, the Administrative Agent (in its capacity as Administrative Agent) shall have no responsibility for maintaining a Participant Register.

(d) Any Lender may at any time pledge or assign a security interest in all or any portion of its rights under this Agreement to secure obligations of such Lender, including without limitation any pledge or assignment to secure obligations to a Federal Reserve Bank, and this Section shall not apply to any such pledge or assignment of a security interest; provided that no such pledge or assignment of a security interest shall release a Lender from any of its obligations hereunder or substitute any such pledgee or assignee for such Lender as a party hereto.

SECTION 9.05. Survival. All covenants, agreements, representations and warranties made by the Borrowers in the Loan Documents and in the certificates or other instruments delivered in connection with or pursuant to this Agreement or any other Loan Document shall be considered to have been relied upon by the other parties hereto and shall survive the execution and delivery of the Loan Documents and the making of any Loans and issuance of any Letters of Credit, regardless of any investigation made by any such other party or on its behalf and notwithstanding that the Administrative Agent, any Issuing Bank or any Lender may have had notice or knowledge of any Default or incorrect representation or warranty at the time any credit is extended hereunder, and shall continue in full force and effect as long as the principal of or any accrued interest on any Loan or any fee or any other amount payable under this Agreement or any other Loan Document is outstanding and unpaid or any Letter of Credit is outstanding and so long as the Commitments have not expired or terminated. The provisions of Sections 2.15, 2.16, 2.17 and 9.03 and Article VIII shall survive and remain in full force and effect regardless of the consummation of the transactions contemplated hereby, the repayment of the Loans, the expiration or termination of the Letters of Credit and the Commitments or the termination of this Agreement or any other Loan Document or any provision hereof or thereof.

SECTION 9.06. Counterparts; Integration; Effectiveness; Electronic Execution. This Agreement may be executed in counterparts (and by different parties hereto on different counterparts), each of which shall constitute an original, but all of which when taken together shall constitute a single contract. This Agreement, the other Loan Documents and any separate letter agreements with respect to fees payable to the Administrative Agent constitute the entire contract among the parties relating to the subject matter hereof and supersede any and all previous agreements and understandings, oral or written, relating to the subject matter hereof. This Agreement shall become effective on the Effective Date. This Agreement, any Loan Document and any other Communication, including Communications required to be in writing, may be in the form of an Electronic Record and may be executed using Electronic Signatures. Each of the Borrowers and each of the Administrative Agent, the Sustainability Agent and the Lender Parties agrees that any Electronic Signature on or associated with any Communication shall be valid

and binding on such Person to the same extent as a manual, original signature, and that any Communication entered into by Electronic Signature, will constitute the legal, valid and binding obligation of such Person enforceable against such Person in accordance with the terms thereof to the same extent as if a manually executed original signature was delivered. Any Communication may be executed in as many counterparts as necessary or convenient, including both paper and electronic counterparts, but all such counterparts are one and the same Communication. For the avoidance of doubt, the authorization under this paragraph may include, without limitation, use or acceptance of a manually signed paper Communication which has been converted into electronic form (such as scanned into PDF format), or an electronically signed Communication converted into another format, for transmission, delivery and/or retention. The Administrative Agent, the Sustainability Agent and each of the Lender Parties may, at its option, create one or more copies of any Communication in the form of an imaged Electronic Record (“Electronic Copy”), which shall be deemed created in the ordinary course of such Person’s business, and destroy the original paper document. All Communications in the form of an Electronic Record, including an Electronic Copy, shall be considered an original for all purposes, and shall have the same legal effect, validity and enforceability as a paper record. Notwithstanding anything contained herein to the contrary, neither the Administrative Agent, L/C Issuer nor Swing Line Lender is under any obligation to accept an Electronic Signature in any form or in any format unless expressly agreed to by such Person pursuant to procedures approved by it; provided, further, without limiting the foregoing, (a) to the extent the Administrative Agent, the Sustainability Agent, L/C Issuer and/or Swingline Lender has agreed to accept such Electronic Signature, the Administrative Agent and each of the Lender Parties shall be entitled to rely on any such Electronic Signature purportedly given by or on behalf of any Borrower and/or any Lender Party without further verification and (b) upon the request of the Administrative Agent, the Sustainability Agent or any Lender Party, any Electronic Signature shall be promptly followed by such manually executed counterpart. For purposes hereof, “Electronic Record” and “Electronic Signature” shall have the meanings assigned to them, respectively, by 15 USC §7006, as it may be amended from time to time.

Neither the Administrative Agent, the Sustainability Agent, the Issuing Banks nor the Swingline Lender shall be responsible for or have any duty to ascertain or inquire into the sufficiency, validity, enforceability, effectiveness or genuineness of any Loan Document or any other agreement, instrument or document (including, for the avoidance of doubt, in connection with the Administrative Agent’s, the Sustainability Agent’s, each Issuing Bank’s or Swingline Lender’s reliance on any Electronic Signature transmitted by telecopy, emailed .pdf or any other electronic means). The Administrative Agent, the Sustainability Agent, Issuing Banks and Swingline Lender shall be entitled to rely on, and shall incur no liability under or in respect of this Agreement or any other Loan Document by acting upon, any Communication (which writing may be a fax, any electronic message, Internet or intranet website posting or other distribution or signed using an Electronic Signature) or any statement made to it orally or by telephone and believed by it to be genuine and signed or sent or otherwise authenticated (whether or not such Person in fact meets the requirements set forth in the Loan Documents for being the maker thereof).

Each of the Borrowers and each Lender Party hereby waives (i) any argument, defense or right to contest the legal effect, validity or enforceability of this Agreement, any other Loan Document based solely on the lack of paper original copies of this Agreement, such other Loan Document, and (ii) waives any claim against the Administrative Agent, the Sustainability Agent, each Lender Party and each Related Party for any liabilities arising solely from the Administrative Agent’s, the Sustainability Agent’s and/or any Lender Party’s reliance on or use of Electronic Signatures, including any liabilities arising as a result of the failure of any Borrower to use any available security measures in connection with the execution, delivery or transmission of any Electronic Signature.

SECTION 9.07. Severability. Any provision of any Loan Document held to be invalid, illegal or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such invalidity, illegality or unenforceability without affecting the validity, legality and enforceability of the remaining provisions thereof; and the invalidity of a particular provision in a particular jurisdiction shall not invalidate such provision in any other jurisdiction.

SECTION 9.08. Right of Setoff. If an Event of Default shall have occurred and be continuing, each Lender and each of its Affiliates is hereby authorized at any time and from time to time, to the fullest extent permitted by law, to set off and apply any and all deposits (general or special, time or demand, provisional or final and in whatever currency denominated) at any time held and other obligations at any time owing by such Lender or Affiliate to or for the credit or the account of any Borrower against any of and all of the Obligations held by such Lender, irrespective of whether or not such Lender shall have made any demand under the Loan Documents and although such obligations may be unmaturing. The rights of each Lender under this Section are in addition to other rights and remedies (including other rights of setoff) which such Lender may have.

SECTION 9.09. Governing Law; Jurisdiction; Consent to Service of Process. (a) This Agreement shall be construed in accordance with and governed by the law of the State of New York.

(b) Each party hereto hereby irrevocably and unconditionally submits, for itself and its property, to the exclusive jurisdiction of the Supreme Court of the State of New York sitting in New York County, Borough of Manhattan, and of the United States District Court for the Southern District of New York sitting in New York County, Borough of Manhattan, and any appellate court from any thereof, in any action or proceeding arising out of or relating to any Loan Document, or for recognition or enforcement of any judgment, and each of the parties hereto hereby irrevocably and unconditionally agrees that all claims in respect of any such action or proceeding may be heard and determined in such New York State or, to the extent permitted by law, in such Federal court. Each of the parties hereto agrees that a final judgment in any such action or proceeding shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by law. Nothing in this Agreement or any other Loan Document shall affect any right that any party hereto may otherwise have to bring any action or proceeding relating to this Agreement or any other Loan Document against any other party hereto or its properties in the courts of any jurisdiction.

(c) Each party hereto hereby irrevocably and unconditionally waives, to the fullest extent it may legally and effectively do so, any objection which it may now or hereafter have to the laying of venue of any suit, action or proceeding arising out of or relating to this Agreement or any other Loan Document in any court referred to in paragraph (b) of this Section. Each of the parties hereto hereby irrevocably waives, to the fullest extent permitted by law, the defense of an inconvenient forum to the maintenance of such action or proceeding in any such court.

(d) Each party to this Agreement irrevocably consents to service of process in the manner provided for notices in Section 9.01. Each Foreign Subsidiary Borrower irrevocably designates and appoints the Company, as its authorized agent, to accept and acknowledge on its behalf, service of any and all process which may be served in any suit, action or proceeding of the nature referred to in Section 9.09(b) in any federal or New York State court sitting in New York City. The Company hereby represents, warrants and confirms that the Company has agreed to accept such appointment. Said designation and appointment shall be irrevocable by each such Foreign Subsidiary Borrower until all Loans, all reimbursement obligations, interest thereon and all other amounts payable by such Foreign Subsidiary Borrower hereunder and under the other Loan Documents shall have been paid in full in accordance with the provisions hereof and thereof and such Foreign Subsidiary Borrower shall have been terminated as a Borrower hereunder pursuant to Section 2.23. Each Foreign Subsidiary Borrower hereby consents to process being served in any suit, action or proceeding of the nature referred to in Section 9.09(b) in any federal or New York State court sitting in New York City by service of process upon the Company as provided in this Section 9.09(d); provided that, to the extent lawful and possible, notice of said service upon such agent shall be mailed by registered or certified air mail, postage prepaid, return receipt requested, to the Company and (if applicable to) such Foreign Subsidiary Borrower at its address set forth in the Borrowing Subsidiary Agreement to which it is a party or to any other address of which such Foreign Subsidiary Borrower shall have given written notice to the Administrative Agent (with a copy thereof to the Company). Each Foreign Subsidiary Borrower irrevocably waives, to the fullest extent permitted by law, all claim of error by reason of any such service in such manner and agrees that such service shall be deemed in every respect effective service of

process upon such Foreign Subsidiary Borrower in any such suit, action or proceeding and shall, to the fullest extent permitted by law, be taken and held to be valid and personal service upon and personal delivery to such Foreign Subsidiary Borrower. To the extent any Foreign Subsidiary Borrower has or hereafter may acquire any immunity from jurisdiction of any court or from any legal process (whether from service or notice, attachment prior to judgment, attachment in aid of execution of a judgment, execution or otherwise), each Foreign Subsidiary Borrower hereby irrevocably waives such immunity in respect of its obligations under the Loan Documents. Nothing in this Agreement or any other Loan Document will affect the right of any party to this Agreement to serve process in any other manner permitted by law.

SECTION 9.10. WAIVER OF JURY TRIAL. EACH PARTY HERETO HEREBY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN ANY LEGAL PROCEEDING DIRECTLY OR INDIRECTLY ARISING OUT OF OR RELATING TO THIS AGREEMENT, ANY OTHER LOAN DOCUMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY OR THEREBY (WHETHER BASED ON CONTRACT, TORT OR ANY OTHER THEORY). EACH PARTY HERETO (A) CERTIFIES THAT NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PARTY HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PARTY WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER AND

(B) ACKNOWLEDGES THAT IT AND THE OTHER PARTIES HERETO HAVE BEEN INDUCED TO ENTER INTO THIS AGREEMENT BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION.

SECTION 9.11. Headings. Article and Section headings and the Table of Contents used herein are for convenience of reference only, are not part of this Agreement and shall not affect the construction of, or be taken into consideration in interpreting, this Agreement.

SECTION 9.12. Confidentiality. Each of the Administrative Agent, the Issuing Banks and the Lenders agrees to maintain the confidentiality of the Information (as defined below), except that Information may be disclosed (a) pursuant to the order of any court or administrative agency or in any pending legal or administrative proceeding, or otherwise as required by applicable law or compulsory legal process (in which case (except with respect to any audit or examination conducted by bank accountants or any self-regulatory or governmental or regulatory authority exercising examination or regulatory authority) each Credit Party agrees to inform you promptly thereof prior to such disclosure to the extent not prohibited by law, rule or regulation), (b) upon the request or demand of any regulatory authority having jurisdiction over a Credit Party or any of its Affiliates, (c) to the extent that such Information becomes publicly available other than by reason of disclosure in violation of this Agreement by such Credit Party, (d) to each Credit Party's Affiliates and such Credit Party's and such Affiliates' directors, officers, employees, legal counsel, independent auditors and other experts or agents who need to know such information in connection with the Transactions and are informed of the confidential nature of such information, (e) for purposes of establishing a "due diligence" defense, (f) to the extent that such Information is received by a Credit Party from a third party that is not to such Credit Party's knowledge subject to confidentiality obligations to the Company, (g) to the extent that such Information is or was independently developed by such Credit Party, (h) to actual or prospective, direct or indirect counterparties (or their advisors) to any Swap Agreement or other derivative transaction relating to the Company or any of their respective subsidiaries or any of their respective obligations; provided that the disclosure of any such Information to any actual or prospective, direct or indirect counterparty (or their advisors) to any such Swap Agreement or other derivative transaction shall be made subject to the acknowledgment and acceptance by such counterparty (and their advisors, as applicable) that such Information is being disseminated on a confidential basis (on substantially the terms set forth in this paragraph or as is otherwise reasonably acceptable to the Company and such Credit Party) in accordance with customary market standards for dissemination of such type of information, (i) to potential Lenders, participants or assignees who agree to be bound by the terms of this paragraph (or language substantially similar to this paragraph or as otherwise reasonably acceptable to the Company and such Credit Party, including as may be agreed in any confidential information memorandum or other marketing material) or (j) to rating agencies in connection with obtaining ratings for the Company or any of its Affiliates or any of their debt. For the purposes of this Section,

“Information” means all information received from the Company relating to the Company or its business, other than any such information that is available to the Administrative Agent, any Issuing Bank or any Lender on a nonconfidential basis prior to disclosure by the Company and other than information pertaining to this Agreement routinely provided by arrangers to data service providers, including league table providers, that serve the lending industry. Any Person required to maintain the confidentiality of Information as provided in this Section shall be considered to have complied with its obligation to do so if such Person has exercised the same degree of care to maintain the confidentiality of such Information as such Person would accord to its own confidential information.

EACH LENDER ACKNOWLEDGES THAT INFORMATION AS DEFINED IN THE IMMEDIATELY PRECEDING PARAGRAPH FURNISHED TO IT PURSUANT TO THIS AGREEMENT MAY INCLUDE MATERIAL NON-PUBLIC INFORMATION CONCERNING THE COMPANY AND ITS RELATED PARTIES OR THEIR RESPECTIVE SECURITIES, AND CONFIRMS THAT IT HAS DEVELOPED COMPLIANCE PROCEDURES REGARDING THE USE OF MATERIAL NON-PUBLIC INFORMATION AND THAT IT WILL HANDLE SUCH MATERIAL NON-PUBLIC INFORMATION IN ACCORDANCE WITH THOSE PROCEDURES AND APPLICABLE LAW, INCLUDING FEDERAL AND STATE SECURITIES LAWS.

ALL INFORMATION, INCLUDING REQUESTS FOR WAIVERS AND AMENDMENTS, FURNISHED BY THE COMPANY OR THE ADMINISTRATIVE AGENT PURSUANT TO, OR IN THE COURSE OF ADMINISTERING, THIS AGREEMENT WILL BE SYNDICATE-LEVEL INFORMATION, WHICH MAY CONTAIN MATERIAL NON-PUBLIC INFORMATION ABOUT THE COMPANY, THE OTHER BORROWERS AND THEIR RELATED PARTIES OR THEIR RESPECTIVE SECURITIES. ACCORDINGLY, EACH LENDER REPRESENTS TO THE COMPANY AND THE ADMINISTRATIVE AGENT THAT IT HAS IDENTIFIED IN ITS ADMINISTRATIVE QUESTIONNAIRE A CREDIT CONTACT WHO MAY RECEIVE INFORMATION THAT MAY CONTAIN MATERIAL NON-PUBLIC INFORMATION IN ACCORDANCE WITH ITS COMPLIANCE PROCEDURES AND APPLICABLE LAW.

SECTION 9.13. USA PATRIOT Act. Each Lender that is subject to the requirements of the USA PATRIOT Act (Title III of Pub. L. 107-56 (signed into law October 26, 2001)) (the “Act”) hereby notifies each Borrower that pursuant to the requirements of the Act and the Beneficial Ownership Regulation, it is required to obtain, verify and record information that identifies such Borrower, which information includes the name and address of such Borrower and other information that will allow such Lender to identify such Borrower in accordance with the Act and the Beneficial Ownership Regulation.

SECTION 9.14. Recovery of Erroneous Payments. Recovery of Erroneous Payments. Without limitation of any other provision in this Agreement, if at any time the Administrative Agent makes a payment hereunder in error to any Lender Recipient Party, whether or not in respect of an Obligation due and owing by any Borrower at such time, where such payment is a Rescindable Amount, then in any such event, each Lender Recipient Party receiving a Rescindable Amount severally agrees to repay to the Administrative Agent forthwith on demand the Rescindable Amount received by such Lender Recipient Party in same day funds in the currency so received, with interest thereon, for each day from and including the date such Rescindable Amount is received by it to but excluding the date of payment to the Administrative Agent, at the greater of the Federal Funds Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation. Each Lender Recipient Party irrevocably waives any and all defenses, including any “discharge for value” (under which a creditor might otherwise claim a right to retain funds mistakenly paid by a third party in respect of a debt owed by another) or similar defense to its obligation to return any Rescindable Amount. The Administrative Agent shall inform each Lender Recipient Party promptly upon determining that any payment made to such Lender Recipient Party comprised, in whole or in part, a Rescindable Amount.

SECTION 9.15. Interest Rate Limitation. Notwithstanding anything herein to the contrary, if at any time the interest rate applicable to any Loan, together with all fees,

charges and other amounts which are treated as interest on such Loan under applicable law (collectively the “Charges”), shall exceed the maximum lawful rate (the “Maximum Rate”) which may be contracted for, charged, taken, received or reserved by the Lender holding such Loan in accordance with applicable law, the rate of interest payable in respect of such Loan hereunder, together with all Charges payable in respect thereof, shall be limited to the Maximum Rate and, to the extent lawful, the interest and Charges that would have been payable in respect of such Loan but were not payable as a result of the operation of this Section shall be cumulated and the interest and Charges payable to such Lender in respect of other Loans or periods shall be increased (but not above the Maximum Rate therefor) until such cumulated amount, together with interest thereon at the Federal Funds Rate to the date of repayment, shall have been received by such Lender.

SECTION 9.16. No Advisory or Fiduciary Responsibility. In connection with all aspects of each transaction contemplated hereby (including in connection with any amendment, waiver or other modification hereof or of any other Loan Document), each Borrower acknowledges and agrees that: (i) (A) the arranging and other services regarding this Agreement provided by the Lenders are arm’s-length commercial transactions between such Borrower and its Affiliates, on the one hand, and the Lenders and their Affiliates, on the other hand, (B) such Borrower has consulted its own legal, accounting, regulatory and tax advisors to the extent it has deemed appropriate, and (C) such Borrower is capable of evaluating, and understands and accepts, the terms, risks and conditions of the transactions contemplated hereby and by the other Loan Documents; (ii) (A) each of the Lenders and their Affiliates is and has been acting solely as a principal and, except as expressly agreed in writing by the relevant parties, has not been, is not, and will not be acting as an advisor, agent or fiduciary for such Borrower or any of its Affiliates, or any other Person and (B) no Lender or any of its Affiliates has any obligation to such Borrower or any of its Affiliates with respect to the transactions contemplated hereby except, in the case of a Lender, those obligations expressly set forth herein and in the other Loan Documents; and (iii) each of the Lenders and their respective Affiliates may be engaged in a broad range of transactions that involve interests that differ from those of such Borrower and its Affiliates, and no Lender or any of its Affiliates has any obligation to disclose any of such interests to such Borrower or its Affiliates. To the fullest extent permitted by law, each Borrower hereby waives and releases any claims that it may have against each of the Lenders and their Affiliates with respect to any breach or alleged breach of agency or fiduciary duty in connection with any aspect of any transaction contemplated hereby.

SECTION 9.17. Acknowledgement and Consent to Bail-In of Affected Financial Institutions. Solely to the extent any Lender or Issuing Bank that is an Affected Financial Institution is a party to this Agreement and notwithstanding anything to the contrary in any Loan Document or in any other agreement, arrangement or understanding among any such parties, each party hereto acknowledges that any liability of any Lender or Issuing Bank that is an Affected Financial Institution arising under any Loan Document, to the extent such liability is unsecured, may be subject to the write-down and conversion powers of the applicable Resolution Authority and agrees and consents to, and acknowledges and agrees to be bound by:

- (a) the application of any Write-Down and Conversion Powers by the applicable Resolution Authority to any such liabilities arising hereunder which may be payable to it by any Lender or Issuing Bank that is an Affected Financial Institution; and
- (b) the effects of any Bail-In Action on any such liability, including, if applicable:
 - (i) a reduction in full or in part or cancellation of any such liability;
 - (ii) a conversion of all, or a portion of, such liability into shares or other instruments of ownership in such Affected Financial Institution, its parent undertaking, or a bridge institution that may be issued to it or otherwise conferred on it, and that such shares or other instruments of ownership will be accepted by it in lieu of any rights with respect to any such liability under this Agreement or any other Loan Document; or

(iii) the variation of the terms of such liability in connection with the exercise of the write-down and conversion powers of any applicable Resolution Authority.

SECTION 9.18. Acknowledgement Regarding Any Supported QFCs. To the extent that the Loan Documents provide support, through a guarantee or otherwise, for any Swap Agreement or any other agreement or instrument that is a QFC (such support, “QFC Credit Support”, and each such QFC, a “Supported QFC”), the parties acknowledge and agree as follows with respect to the resolution power of the Federal Deposit Insurance Corporation under the Federal Deposit Insurance Act and Title II of the Dodd-Frank Wall Street Reform and Consumer Protection Act (together with the regulations promulgated thereunder, the “U.S. Special Resolution Regimes”) in respect of such Supported QFC and QFC Credit Support (with the provisions below applicable notwithstanding that the Loan Documents and any Supported QFC may in fact be stated to be governed by the laws of the State of New York and/or of the United States or any other state of the United States):

In the event a Covered Entity that is party to a Supported QFC (each, a “Covered Party”) becomes subject to a proceeding under a U.S. Special Resolution Regime, the transfer of such Supported QFC and the benefit of such QFC Credit Support (and any interest and obligation in or under such Supported QFC and such QFC Credit Support, and any rights in property securing such Supported QFC or such QFC Credit Support) from such Covered Party will be effective to the same extent as the transfer would be effective under the U.S. Special Resolution Regime if the Supported QFC and such QFC Credit Support (and any such interest, obligation and rights in property) were governed by the laws of the United States or a state of the United States. In the event a Covered Party or a BHC Act Affiliate of a Covered Party becomes subject to a proceeding under a U.S. Special Resolution Regime, Default Rights under the Loan Documents that might otherwise apply to such Supported QFC or any QFC Credit Support that may be exercised against such Covered Party are permitted to be exercised to no greater extent than such Default Rights could be exercised under the U.S. Special Resolution Regime if the Supported QFC and the Loan Documents were governed by the laws of the United States or a state of the United States. Without limitation of the foregoing, it is understood and agreed that rights and remedies of the parties with respect to a Defaulting Lender shall in no event affect the rights of any Covered Party with respect to a Supported QFC or any QFC Credit Support.

SECTION 9.19. Certain ERISA Matters.

(a) Each Lender (x) represents and warrants, as of the date such Person became a Lender party hereto, to, and (y) covenants, from the date such Person became a Lender party hereto to the date such Person ceases being a Lender party hereto, for the benefit of, the Administrative Agent and not, for the avoidance of doubt, to or for the benefit of the Borrowers, that at least one of the following is and will be true: (i) such Lender is not using “plan assets” (within the meaning of Section 3(42) of ERISA or otherwise) of one or more Benefit Plans with respect to such Lender’s entrance into, participation in, administration of and performance of the Loans, the Letters of Credit, the Commitments or this Agreement, (ii) the transaction exemption set forth in one or more PTEs, such as PTE 84-14 (a class exemption for certain transactions determined by independent qualified professional asset managers), PTE 95-60 (a class exemption for certain transactions involving insurance company general accounts), PTE 90-1 (a class exemption for certain transactions involving insurance company pooled separate accounts), PTE 91-38 (a class exemption for certain transactions involving bank collective investment funds) or PTE 96-23 (a class exemption for certain transactions determined by in-house asset managers), is applicable with respect to such Lender’s entrance into, participation in, administration of and performance of the Loans, the Letters of Credit, the Commitments and this Agreement, (iii) (A) such Lender is an investment fund managed by a “Qualified Professional Asset Manager” (within the meaning of Part VI of PTE 84-14), (B) such Qualified Professional Asset Manager made the investment decision on behalf of such Lender to enter into, participate in, administer and perform the Loans, the Letters of Credit, the Commitments and this Agreement, (C) the entrance into, participation in, administration of and performance of the Loans, the Letters of Credit, the Commitments and this Agreement satisfies the requirements of sub-sections (b) through (g) of Part I of PTE 84-14 and (D) to the best knowledge of such Lender, the requirements of subsection (a) of Part I of PTE 84-14 are satisfied with respect to such Lender’s entrance into, participation in, administration of and

performance of the Loans, the Letters of Credit, the Commitments and this Agreement, or (iv) such other representation, warranty and covenant as may be agreed in writing between the Administrative Agent, in its sole discretion, and such Lender.

(b) In addition, unless either (1) sub-clause (i) in the immediately preceding paragraph is true with respect to a Lender or (2) a Lender has provided another representation, warranty and covenant in accordance with sub-clause (iv) in the immediately preceding clause, such Lender further (x) represents and warrants, as of the date such Person became a Lender party hereto, to, and (y) covenants, from the date such Person became a Lender party hereto to the date such Person ceases being a Lender party hereto, for the benefit of, the Administrative Agent and not, for the avoidance of doubt, to or for the benefit of the Borrowers, that the Administrative Agent is not a fiduciary with respect to the assets of such Lender involved in such Lender's entrance into, participation in, administration of and performance of the Loans, the Letters of Credit, the Commitments and this Agreement (including in connection with the reservation or exercise of any rights by the Administrative Agent under this Agreement, any Loan Document or any documents related hereto or thereto).

ARTICLE X

Company Guarantee

SECTION 10.01. Guarantee. (a) The Company hereby unconditionally and irrevocably guarantees to the Administrative Agent, for the ratable benefit of the Lenders and their respective successors, indorsees, transferees and assigns, the prompt and complete payment and performance by the Foreign Subsidiary Borrowers when due (whether at the stated maturity, by acceleration or otherwise) of the Obligations of the Foreign Subsidiary Borrowers (the "Subsidiary Obligations").

(b) The Company agrees that the Subsidiary Obligations may at any time and from time to time exceed the amount of the liability of the Company hereunder that would exist in the absence of this Article X without impairing this Guarantee or affecting the rights and remedies of the Administrative Agent or any Lender hereunder.

(c) This Guarantee shall remain in full force and effect until all the Subsidiary Obligations shall have been satisfied by payment in full in immediately available funds, no Letter of Credit shall be outstanding and the Commitments shall be terminated, notwithstanding that from time to time during the term of this Guarantee the Foreign Subsidiary Borrowers may be free from any Subsidiary Obligations.

(d) No payment made by any Borrower, any other guarantor or any other Person or received or collected by the Administrative Agent or any Lender from any Borrower, any guarantor or any other Person by virtue of any action or proceeding or any set-off or appropriation or application at any time or from time to time in reduction of or in payment of the Subsidiary Obligations shall be deemed to modify, reduce, release or otherwise affect the liability of the Company hereunder which shall, notwithstanding any such payment (other than any payment made by the Company in respect of the Subsidiary Obligations or any payment received or collected from the Company in respect of the Subsidiary Obligations), remain liable for the Subsidiary Obligations until the Subsidiary Obligations are paid in full in immediately available funds, no Letter of Credit shall be outstanding and the Commitments are terminated.

SECTION 10.02. No Subrogation. Notwithstanding any payment made by the Company hereunder or any set-off or application of funds of the Company by the Administrative Agent or any Lender, the Company shall not be entitled to be subrogated to any of the rights of the Administrative Agent or any Lender against the Foreign Subsidiary Borrowers or any guarantor or any collateral security or guarantee or right of offset held by the Administrative Agent or any Lender for the payment of the Subsidiary Obligations nor shall the Company seek or be entitled to seek any contribution or reimbursement from the Foreign Subsidiary Borrowers or any guarantor in respect of payments made by the Company under this Guarantee, until all amounts owing to the Administrative Agent and the Lenders by the Foreign Subsidiary Borrowers on account of the Subsidiary Obligations are paid in full in immediately available funds, no Letter of Credit shall be outstanding and the Commitments are terminated. If any amount shall be paid to the Company on account of such subrogation rights at any time when all of the Subsidiary Obligations shall not have been paid in full in immediately available funds, such amount shall be held by the Company for the benefit of the Administrative Agent and the Lenders, and shall, forthwith upon receipt by the Company, be turned over to the Administrative Agent in the exact form received by the Company (duly indorsed by the Company to the Administrative Agent, if required), to be applied against the Subsidiary Obligations whether matured or unmatured, in such order as the Administrative Agent may determine.

SECTION 10.03. Amendments, etc. with respect to the Subsidiary Obligations. The Company shall remain obligated under this Guarantee notwithstanding that, without any reservation of rights against the Company and without notice to or further assent by the Company, any demand for payment of any of the Subsidiary Obligations made by the Administrative Agent or any Lender may be rescinded by the Administrative Agent or such Lender and any of the Subsidiary Obligations continued, and the Subsidiary Obligations or the liability of any other Person upon or for any part thereof, or any collateral security or guarantee therefor or right of offset with respect thereto, may, from time to time, in whole or in part, be

renewed, extended, amended, modified, accelerated, compromised, waived, surrendered or released by the Administrative Agent or any Lender, and this Agreement and any other documents executed and delivered in connection therewith may be amended, modified, supplemented or terminated, in whole or in part, in accordance with Section 9.02, as the Administrative Agent (or the Required Lenders or all Lenders, as the case may be) may deem advisable from time to time, and any collateral security, guarantee or right of offset at any time held by the Administrative Agent or any Lender for the payment of the Subsidiary Obligations may be sold, exchanged, waived, surrendered or released without affecting the Company's obligations under this Article X. Neither the Administrative Agent nor any Lender shall have any obligation to protect, secure, perfect or insure any Lien at any time held by it as security for the Subsidiary Obligations or for this Guarantee.

SECTION 10.04. Guarantee Absolute and Unconditional. The Company waives any and all notice of the creation, renewal, extension or accrual of any of the Subsidiary Obligations and notice of or proof of reliance by the Administrative Agent or any Lender upon this Guarantee or acceptance of this Guarantee; the Subsidiary Obligations, and any of them, shall conclusively be deemed to have been created, contracted or incurred, or renewed, extended, amended or waived, in reliance upon this Article X; and all dealings between the Company, on the one hand, and the Administrative Agent and the Lenders, on the other hand, likewise shall be conclusively presumed to have been had or consummated in reliance upon this Article X. The Company waives diligence, presentment, protest, demand for payment and notice of default or nonpayment to or upon the Foreign Subsidiary Borrowers with respect to the Subsidiary Obligations. The Company understands and agrees that this Guarantee shall be construed as a continuing, absolute and unconditional guarantee of payment without regard to

(a) the validity or enforceability of this Agreement, any of the Subsidiary Obligations or any other collateral security therefor or guarantee or right of offset with respect thereto at any time or from time to time held by the Administrative Agent or any Lender, (b) any defense, set-off or counterclaim (other than a defense of payment or performance) which may at any time be available to or be asserted by any Foreign Subsidiary Borrower or any other Person against the Administrative Agent or any Lender arising under any law or regulation of any jurisdiction or any other event, or (c) any other circumstance whatsoever (with or without notice to or knowledge of any Borrower) which constitutes, or might be construed to constitute, an equitable or legal discharge of the Foreign Subsidiary Borrowers for the Subsidiary Obligations, or of the Company under this Article X, in bankruptcy or in any other instance. When making any demand hereunder or otherwise pursuing its rights and remedies hereunder against the Company, the Administrative Agent or any Lender may, but shall be under no obligation to, make a similar demand on or otherwise pursue such rights and remedies as it may have against the Foreign Subsidiary Borrowers or any guarantor or any other Person or against any collateral security or guarantee for the Subsidiary Obligations or any right of offset with respect thereto, and any failure by the Administrative Agent or any Lender to make any such demand, to pursue such other rights or remedies or to collect any payments from any Foreign Subsidiary Borrower, any guarantor or any other Person or to realize upon any such collateral security or guarantee or to exercise any such right of offset, or any release of any Foreign Subsidiary Borrower, any guarantor or any other Person or any such collateral security, guarantee or right of offset, shall not relieve the Company of any obligation or liability under this Article X, and shall not impair or affect the rights and remedies, whether express, implied or available as a matter of law, of the Administrative Agent or any Lender against the Company under this Article X. For the purposes hereof "demand" shall include the commencement and continuance of any legal proceedings.

SECTION 10.05. Reinstatement. This Article X shall continue to be effective, or shall be reinstated, as the case may be, if at any time payment, or any part thereof, of any of the Subsidiary Obligations is rescinded or must otherwise be restored or returned by the Administrative Agent or any Lender upon the insolvency, bankruptcy, dissolution, liquidation or reorganization of any Borrower, or upon or as a result of the appointment of a receiver, intervenor or conservator of, or trustee or similar officer for, any Borrower or any substantial part of its property, or otherwise, all as though such payments had not been made.

SECTION 10.06. Payments. The Company hereby guarantees that payments hereunder will be paid to the Administrative Agent without set-off or counterclaim in dollars or the applicable Agreed Currency in accordance with Section 2.18.
